Meeting opened with a prayer at 7:18 pm

Minutes for the November 6, 2018 meeting approved with no changes.

PASTOR’S REPORT:

- A one page summary for each of the last two fiscal years was inserted in the bulletin this past weekend. The bottom line: for FY 2016-2017 we finished about $6,000 in the black, and for FY 2017-2018 we finished about $95,000 in the black.
- There has still been no word from the Archdiocese regarding the proposed $220 million capital campaign.
- Bishop Fisher presided at the school Mass on Friday November 16, and then spent several hours visiting in school; he later mentioned that he enjoyed the time he spent here and the warm welcome he received.
- The day before Thanksgiving the “Chainsaw Artist” was here to carve the praying hands wood sculpture near the playground.
- As announced at Mass last weekend, the Knights of Columbus are conducting a food drive over the next two weeks.
- As announced at Mass last weekend, I will be giving a talk on “The Signs of the Times and the Role of Private Revelation” this Thursday at 6:30 pm in church.
- Several members of our staff attended the AOD’s day of parish renewal back on Friday November 16, and received ideas and materials for us to use in making this a “mission-oriented Christmas.” Also, the AOD provided information regarding participants in the 6-Day Challenge. We had 201 households sign-up for it; across the Archdiocese, just over 50,000 Catholics took part.
Our parish is tentatively planning a Volunteer Appreciation Dinner, which will probably be held on a Saturday evening next May. The last time we had such an event was back in 2014, so it’s overdue.

For your advance planning: On Sunday June 2, 2019, Archbishop Vigneron will be here at 1:30 for the dedication of the historical marker that will be installed at Sacred Heart Cemetery (and the Knights of Columbus wish to have at the same time a re-dedication of the stone caretaker building they restored). This will mark the third year in a row we’ve had the Archbishop come for such a ceremony.

There is a possibility of a parish pilgrimage to the Holy Land tentatively scheduled for October 2019.

FINANCE COUNCIL – No minutes – Jean Corbat reported.

• Working on employee handbook.
• Lights being replaced parish wide – lights in church will be replaced by the end of this week.

• Three communal penance services in the BWV are scheduled for Advent.

Meeting closed with a prayer at 7:53 pm

**Next Meeting:** Tues Feb. 5, 2019 (no January meeting)

**Minutes Respectfully Submitted:** Amy O’Gara

2. Attendance: Father Joe, Bill Pantalone, Robb Gafa, Jean Corbat, Bill Gilmore, Don Robinson, Dave Furtah and Theresa Austin
   Excused: Paul Sattler

3. The School Mission Statement:
   a. Immaculate Conception School promotes (a/an) Caring Catholic community, Home for the active mind, Respectful, responsible citizens for a global society, Individual love for life-long learning, Strong value-based academic curriculum, Trust in the Word of God

4. Robb Gafa motioned that the minutes of the previous meetings be approved. Theresa Austin seconded and motion passed.

5. The 2018-2019 budget is in progress.

6. The MCC denied claim is in progress, Bob DeBusschere provided Bill P. with reports and they are working on a strategy together.

7. Council discussion and approval of the bid process: since Bill P. generally gets 3 bids, the consensus is that the process is being followed and there is no need for revisions at this time.

8. Discussion and review of the organizational chart was tabled.

9. Financial position at 11/30/18 is good. Scrip paid their loan in full, and if the Christmas collection supports it, additional payments will be made to the scholarship receivable and cemetery loan. The AOD is happy with the published 2016/2017 and 2017/2018 financials. Bill P. is now working to put these into the AOD format.

10. Scrip report will be available for 12/31/18; the inventory is being liquidated or sold.

   a. Immaculate Conception will save about $20,000 if the DTE energy LED lights are changed inhouse, and we will still be eligible for the rebate next year. Bill P is working on the application. Investment payback should be 13-14 months.
   b. Snow removal contract is waiting on one more bid to complete.
   c. Bill P. met with the Horn of Plenty and Perchfest chairpersons to go over the process.
   d. Cemetery looks beautiful with trees removed. John Monte provided the survey description. Bill P. will call John for his opinion on how to correct the survey and get the deeds resolved. Jean Corbat volunteered to help.
   e. Stan Somers suggested that a water line be put under the road to the cemetery. Bill P. and Jean Corbat will work on composing a letter to get on the IRA Township agenda to request a waiver of the tap-in fee.
   f. Bill P.’s Spotlight article will run until the end of the year. This week, a tax advantages article will be included.
   g. Therese Wolak is in the process of entering the Faith Formation records, it should be up and running in a couple of weeks.
   h. The school employee who was thought to be part time receiving pension and benefits is really full time – there is no issue.
   i. The Faith Formation part time employee receiving pension and benefits will have her hours restructured back to part time with a pay rate increase to keep her whole. Tina Kovalcik will decide the work schedule.
j. This Faith Formation employee had an accident (fell off a ladder) – no accident report was filed at the time. Both the employee and Tina have been given incident forms to complete. The Finance Council requests that the employee fill out the form in order to be compliant with both the AOD and MCC. Bill P. will handle.

k. Employee handbooks just need a few more tweaks before being published. Employees will be required to sign a form confirming receipt.

l. Clay Township police will be on site for Christmas Mass coverage.

12. Father Joe’s Report –
   a. A volunteer weekend dinner is scheduled for May, the last one was held in 2014. This may become an annual event.
   b. A Parish Pilgrimage to the Holy Land will be October 14th through October 29th, 2019. The cost will be $3,990 per person; more information will be available at the Tuesday, January 29th meeting. We are using the same travel agent used by the Land of Peace.
   c. At the Clergy meeting, the need to spend enough money to keep buildings maintained was discussed. The AOD suggested 2-4% of the assessed value of the building. The AOD will not implement as mandatory, just as policy. The ATK Peerless Company assessed the IC campus. A few items for clarification: does this amount need to be spent or budgeted, and will a factor be included based on the age of the building? The Finance Council should consider meeting with Long Term Planning to work on plans for IC.
   d. Our IC fundraiser campaign is still on the table.

13. Next meeting date is Tuesday, January 8, 2019 at 7:15 p.m.

14. Closing prayer at 8:35 p.m.

To: William Pantalone <wpantalone@iccatholic.org>

Dear Long Term Planning members,

I am in the process of writing a safety grant to the Michigan State Police. The deadline for grant submissions will be sometime early MARCH, 2019. Awards will be issued no later than April 1, 2019 with a project completion date of June 1, 2020. Grants are limited to $50,000.00 per application for individual schools.

For the committee's information, the school currently has 20 digital cameras (13 inside the school/café/gym and 7 outside) four of those are newer this year aid for with School Outreach Funding through the A.O.D.

A safety needs assessment was performed by myself, office staff and Alarm Engineering. Thus far, the grant will ask for financial help with:

- classroom door window replacement (which I understand is part of the capital campaign?)
- internal silent alarm installed in each classroom, cafeteria and gymnasium
- step shaped book shelves for access to the counter to exit the door window in classrooms
- Walkie-talkies for recess/latchkey
- Speaker installation in the cafeteria and gymnasium

I am asking for the committees help in acquiring quotes on:

1. classroom door window replacement (for a better definition please ask Mr. DeBusschere)
2. speaker installation - 4 years ago school's P.A. was replaced in school's office.

I appreciate your input to help complete the grant application and all you do for the betterment of the Parish and school.

In Christ,

Lawrence Ricard

Attendance: George Delis, Eliana Hogarth, Cindi Janisse, Pam Mertes, Laura Somogy
Excused: Anni Adkins, Ray Somogy, Nicole Tomaszycki

Opened with prayer at 11:02am

Old Business;

2. Stewardship Breakfast Update
-They are working well and seem to be catching on with delight from the parishioners and featured Ministry of the Month.
-The featured ministry for January was the School, which earned $502.
-February Ministry of the Month is Faith Formation with donations going toward special programs such as VBS and/or Good FridayJourney. After the 10am Mass, a special honor reception for Catechist Margo Chilcott will be held during the breakfast on February 17th.
-(added as extra note) A Book and Movie Lending Cart has been added to the breakfast in which parishioners are able to check out movies or books. There is also a small number of give-away books and books for sale as well. Cart and books compliments of Faith Formation, movies are mostly from Dinner and a Movie events.
-Ideas to make it better: Featured Ministry to submit article to the bulletin on what they do and how they serve and if they have any service opportunities. Laura will start asking the groups if they would prefer to write their own short article or write something up for them. Having Service opportunities from the featured Ministry on the tables, inviting them to help and having the Representatives from that group there, could result in positive results.

New Business:

1. Movie on the Rosary. Stewardship would like to absorb the cost of $100 license fee to show a movie on the Rosary called “Power in My Hands” featuring Doug Barry, Jesse Romero and many other well known Catholic speakers. Offering history and testimony of the power of the Rosary. Possibility of showing as part of our Sunday Lenten Series. The other two movies would possibly be “Face of Mercy” with personal testimony and history of the Divine Mercy as seen on Formed and “Oceans of Mercy” through Ignatius Press featuring the lives of St. Faustina, St. Maximillian Kolbe and St. John Paul the II.

2. Material regarding Children’s Rosary group has been given to Father and he is sharing with Mr. Ricard.

3. Some members of our Rosary Makers group are interested in teaching school children how to make Rosaries. This could be under Stewardship for Children, but needs approval of Father and Mr. Ricard.

4. Pray and do anything we are able to make a more friendly hospitable environment for our parishioners and visitors. Continue to be open to receive and act.

5. Having a Parish Pastoral Plan was briefly discussed.

6. Parish Logo Wear/Items were discussed. Pam was going to check with Laura Carlin on cost. Thoughts would be we could offer these items close to cost at Parish Events,
Breakfasts, Festival, etc. We have noticed interest at the Festival of Parishioners looking for these type of items. Pam will check with Father to see if we could do this using the Church Logo.

7. In light of the shortage of Priests, Stewardship is looking into Vocations Activities. Activities for the 7th and 8th graders were discussed, such as an essay contest and poster contest. Possibly Nov. 3rd-9th as it is Vocations Awareness Week. Adopt a Seminarian as a prayer pal, which would entail picking a name to pray for through the school year, writing them a letter of encouragement and hoping to get a letter in return. Laura will talk to Tina to see what the likelihood is that 6th, 7th and 8th graders would be able to participate. It was shared with us that the school has a beautiful Vocations Crucifix and prayer cards. We thought maybe Faith Formation students could do something next year, with taking a Crucifix home to pray for Vocations or perhaps in their classrooms. Laura will ask Tina. — — Adopt a Seminarian for the parishioners is also a good program in which parishioners are asked to take a name of a Sacred Heart Major Seminary Seminarian to pray for the course of one year. May 12th is World Day of Prayer for Vocations, may be a good time to kick off. Just need to ask Father Joe if it would be alright.

Next Meeting 11:00am February 20th

Previous meeting minutes: We reviewed and accepted the minutes.

Old Business:

- The group is now considering planning a Saint Patrick’s Day celebration on March 2, 2019. We plan to call this the Irish Coffee House.
- We will continue our study of the “Formed” website used for the study material. Please be ready to discuss Section 1,2,3,4 including additional downloads on bottom to be completed with notes for Dec.18th. meeting. (Search for the articles entitled “Lectio: Evangelization” by Mary Healy.)
- We are encouraged to pray about and try to develop a one line mission statement for the next meeting to discuss our ideas on this.
A request was made to obtain permission to host a “Night Fever” event at our church during our next Perch Festival. Deacon Larry was going to find out more about how to obtain this authorization. We may also invite other Evangelization Teams from Holy Cross and St. Mary QOC to participated.

We will need a representative from our group to attend the Monthly Vicariate Evangelization Meeting, but it is currently on hiatus. When it resumes, we will establish a plan.

Possible light box for Eucharistic Adoration?

An alternative evangelical exercise was proposed. A postcard campaign might be conducted to provide information about our Church Community and to ask for their prayer requests. If we do this, we would select a small geographical area as a trial and then evaluate the results before launching a larger campaign. This is open to further discussion to develop the desired content of the card.

New Business:

The Epiphany Concert/Party was a huge success, and the new location for it inside the hall produced many commendations as being a better venue!

A suggestion for a future event might be to hold a concert event with the St. Bonaventure Gospel Choir as the main act. Subject to more discussion.

We proposed using our funds to purchase about forty gifts (@ approx. $14 ea.) for the RCIA students at the completion of their journey. M. Nagrant submitted a formal request to our business manager and book keeper to approve this, but no response has been received yet.

Financial Report for Evangelization Committee Budget:

Our 2018/2019 budget is still pending and was not approved as initially thought. Still no response from Bill Pantalone.

The meeting ended at 7:57 PM with prayer.

The next meeting is planned for March 19, 2019 in the Parish Hall.

Minutes were prepared by Michael Nagrant.
