Token Transit

Paperless digital bus pass program

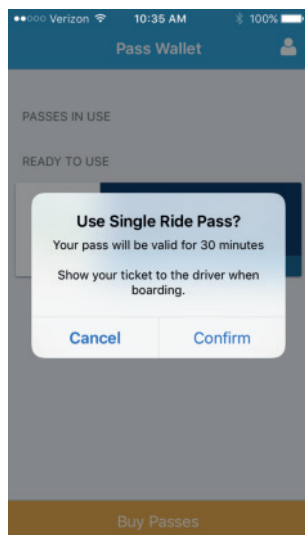

Download Token Transit App from the App Store or Play Store (IOS or Android)

Create a Token Transit account by entering your phone number and a credit or debit card number.

Purchase a pass or passes. Passes will be stored in your pass wallet until you are ready to use them.

Monthly passes will be valid for 30 days from the date activated.

Stored passes need to be activated just prior to boarding the bus to be valid.

Pass timeclock starts when pass is activated.

Just before your bus arrival, load your pass on your phone.

When boarding the bus, show the screen to your bus driver.
