### MISTRAL WELCOME PACK.

#### Some Useful information about this holiday home:

The hot water is automatic so you need only turn on the tap and a few seconds later constant hot water will follow.

The shower has a thermostatic valve which you can adjust for different hot water settings.

The caravan is equipped with central heating. Please do not adjust the radiator valves.

The boiler is located in the cupboard by the exterior door. The boiler is set to hot water only. When you want to put the central heating on turn the mode switch on the left to water and radiator. Do not touch the temperature dials for hot water and central heating. There is a room thermostat for the central heating in the lounge area of the caravan set to 20 degrees. Please do not adjust this temperature.

There is additional heating in the lounge area in the form of an electric fire. All switches for the fire are on the top right hand side of it: left switch is the light, middle switch is the fan, bottom switch is the on/off switch.

Reception will not be manned this season. If you require assistance or information please phone 01349 830917.

Can you vacate this holiday home by 10am please and remember to leave windows open, strip bed and contact us to let us know that your party are all well.

### Some information that may be of interest to you:

Enjoy walks? There are up to 19 different walks around Evanton as well as forest walks accessed from the caravan park by the tent/ camping pod area. Two of the most popular are the Black Rock Gorge in the above mentioned forest which is about a 3 mile round trip and the famous Fyrish Monument which you can see on the top of the adjacent hill which is about 8 miles from the caravan park, but you can drive the 6 miles, then park and walk the last 2 miles. The views are spectacular on a clear day.

There is a local Co-op in the village which at the moment is open from 7am – 8pm. There is a cashline machine on the wall outside.

Tesco's/ Lidl's are in Dingwall approximately 6 miles away.

Morrison's/ Co-op/ Lidl's are in Alness approximately 4 miles away.

Alness is a lovely small village with lots of unusual shops, cafes and restaurants. It wins many awards for its flower displays.

For major shopping Inverness is only 20 miles away.

There will be a box for recycling glass jars/ bottles on your decking. Please wash out before recycling.
