

College Admission Statistics 2013-14

All data from NCES IPEDS datasets. Percent admitted and yields are for all undergraduates, while retention rates are for full-time, first-time undergraduates. There is some variation between sources for SAT and ACT scores, but the degree of variance is not enough to affect the comparison between schools.

Institution Name	State	Sector	FT			FT		Student-Faculty Ratio	SAT CR 25-75th Percentiles	SAT M 25-75th Percentiles	ACT 25-75th Percentiles
			Undergrad Enrollment	Percent Admitted	Admissions yield	Retention Rate
