

MAGNA~FLO

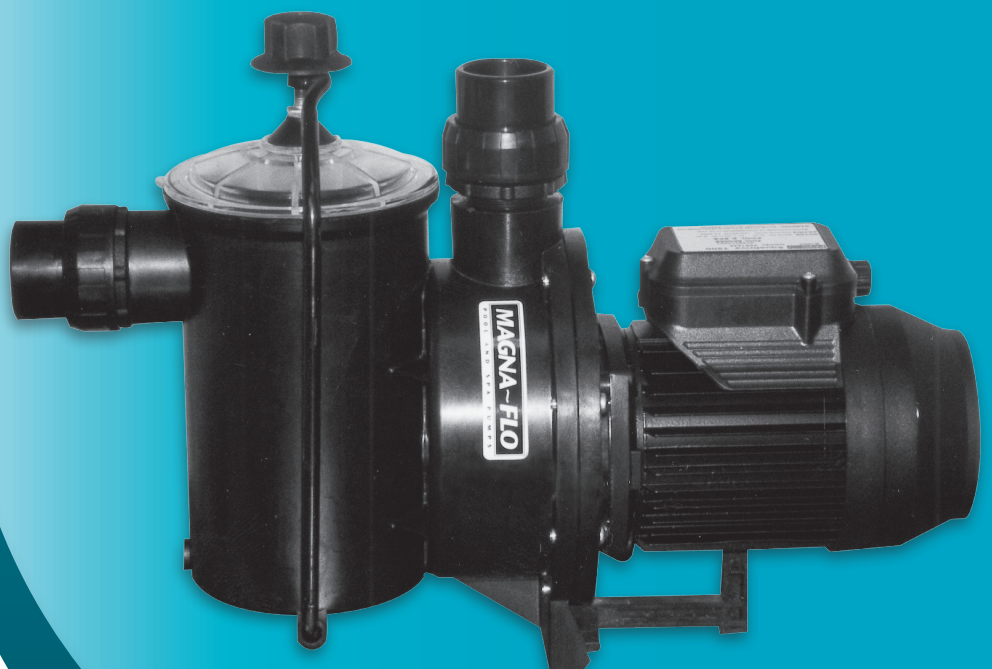

The Magna-Flo pool and spa pump is assembled with high quality stainless steel bolts, together with a stainless steel motor shaft.

It has been designed with an easy access single screw lid clamp. Emptying the pump basket requires very little effort.

It also has a large capacity, robust hair and lint basket, to catch leaves and other debris, and is manufactured out of non-corrosive glass filled thermo plastic, giving it superior strength and durability.

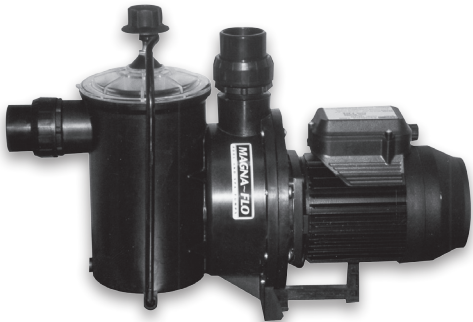

The Magna-Flo pump has a high performance to ensure maximum turnover rate of water.

It has a 4 year warranty on the pump wet end and a 2 year warranty on the mechanical shaft seal and motor.
