Benefits
As a participant in this program you will:

• Learn to use yourself as a powerful instrument of influence
• Learn an approach that recognizes how people connect
• Develop the ability to give compelling, appreciative feedback
• Learn how to appreciate and articulate the competence of the client or client system
• Understand a sequence of steps for intervention
• Gain insights into the differences between strategic and intimate ways of relating and understand the appropriate use of each
• Learn creative approaches to helping clients expand their range of behavior
• Enhance their ability to work with differences
• Have an opportunity for extensive practice
• Receive daily faculty feedback

Participants
This program is designed to benefit coaches, organizational consultants, psychotherapists and other mental health and social service professionals, as well as leaders, educators, and others.

Continuing Education
This program is ICF certified for 85 core competency hours.
