

COVID-19 SCREENING CONSULTATION

Simple. Affordable. Immediate.

Resources

Includes but not limited to the following:

- ✓ Screening Questions, Processes, and Proper Use of PPE
- ✓ Temperature Screening
- ✓ 3rd Party Verification of COVID-19 Procedures
- ✓ Electronic documentation of all COVID-19 activities
- ✓ Ergonomic support/verification in social distancing
- ✓ Early Intervention to reduce unnecessary employee exposure

A Fit For Work Provider will visit your site to provide COVID-19 support including, but not limited to, the items outlined above. The Provider will work with your team to create, implement, and monitor a systematic approach for your specific workforce to ensure your employees are safe.
