Get involved in the School Banking program!

Star of the Sea is excited to offer the Commonwealth Bank School Banking program to all students. School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. There are no minimum deposits and children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2019 are:

- Scented Stackable Highlighters
- Snowy Origami Set
- Yeti Fluffy Notebook
- Icicle Slapband Ruler
- Artic Owl Fluffy Keyring
- Scratch Art Cards
- Water Skimming Bounce Ball
- Polar Pencils and Pencil Toppers

School Banking is also a great fundraiser for our school. Our school receives a Regular Savers Contribution of $5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

Getting involved in School Banking is easy!

All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of two ways:

1. Online
   

2. In branch
   
   Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver’s licence and birth certificate.

   If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

   Our Co-ordinators Kirsty, Rebecca and Renee are in the Hall from 8:00 to 8:30 every Wednesday. Each week you need to bring your child’s deposit with their filled in deposit book.

   There is also a drop box available in reception for deposits from Thursday morning through to Tuesday afternoon.

   If you would like to know more about School Banking, please ask for a 2019 School Banking program information pack from the school office or visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)

IMPORTANT NOTE FROM BUNGAREE DENTAL

The School Dental Therapy which services your school is located at Bungaree Primary school on Centaurus street in Rockingham. Our telephone number is 9527 5658. During clinic hours we may not always be able to answer the phone. If your call is not urgent we recommend you call after 3:00pm, or email BungareeDTC@dental.health.wa.gov.au and we will get back to you as soon as possible.

Our opening hours are 8:00am to 4:00 pm. In order to prepare for the day our first appointment of the morning is at 8:30 am and the last appointment for an examination is 3:15pm or 2:45pm for treatment, this gives us time to complete administration duties and clean up at the end of the day.

The clinic is closed for lunch between 12:30 and 1:00pm. Please be aware that the door may be locked at this time, please arrive for your 1:00pm appointment at 1:00pm.

If your child is unwell, especially if they are not well enough to attend school, please contact the clinic to reschedule your appointment. We are advised by Dental Health Service Management that in order to maintain the health and wellbeing of staff and patients it is not appropriate to treat children who are unwell.

We are currently accepting the Medicare dental benefit scheme. This entitles some children to $1000 a year to spend on dental treatment. If your child is enrolled in the School Dental Service and does not attend a private dental practice and you are not using this benefit elsewhere we can access these funds which go back into our services budget. Please let us know at your appointment if you are in receipt of this benefit.

Lastly, if your child attends a private practice and is seen regularly it is not necessary to attend this clinic as well. We recommend that children attending private dentists are withdrawn from the School Dental Service until such a time as they are no longer accessing a private service. The records will remain at the clinic and can be put back into the system at any time. This prevents a conflict of opinion and reduces waiting times.
Aboriginal Families as First Educators

Our Playgroup is facilitated by a qualified Aboriginal Teacher and Aboriginal Liaison Officer. We practise Enriched Caregiving, Language Priority, Conversational Reading and Learning Games. These are facilitated through parent to child learning. Come and join in the fun.
