2016 Achievements

Strategic Planning & Coalition Building

- Hosted four meetings in four separate regions of King County with an average attendance of thirty-five participants.
- Enhanced membership by recruiting six new members and nine new alternates to the Coalition.
- Assessed the Coalition’s membership roster and added five new affiliations.
- Established three new subcommittees: (1) Access to Healthcare; (2) Access to Work and School; and (3) Education and Outreach.
- Supported the Regional Alliance for Resilient and Equitable Transportation Workgroup and its workshops/trainings to support transportation providers’ preparedness.
- Formed partnerships with the Seattle Stand Down and King County Metro to offer “free fare days” during the two days of the Stand Down, a community resource event for hundreds of homeless Veterans.
- Staci Haber, Mobility Manager, served on the Seattle/King County Age-Friendly Task Force and One Center City Advisory Group on behalf of the KCMC.
- Organized a special needs transportation funding coordination workshop in preparation for the PSRC Section 5310 solicitation.
- Applied for the continued funding of a full-time King County Mobility Manager.

Community Outreach

- Staci Haber, the Mobility Manager, presented on behalf of the KCMC at the Healthy Aging Partnership and Healthy Community Coalition meetings.
- Updated the King County Accessible Travel Map and began distributing 20,000 copies.
- KCMC representatives tabled at the Care Transitions Conference and PROVAIL’s Inclucity event.
- Co-sponsored the "Walk-, Stroll- & Roll-Ability: Designing a Pedestrian Network for All" presentation with the Northwest Universal Design Council.
- Added a calendar feature to the King County Mobility Coalition website.

Local, Regional & Statewide Planning

- Participated in the regional Special Needs Transportation Committee.
- Recommended the City of Snoqualmie and City of Bothell to CTANW Complete Streets award.
