Louisiana Culinary Institute's Culinary Skills Scholarship

Louisiana Culinary Institute would like to extend the Culinary Skills Scholarship to eligible students that have expressed an early interest in a career in the culinary and hospitality industry by completing a high school course in the areas of culinary education, nutrition, home economics, food science, or other related industry preparation course.

This scholarship has been designed to financially assist students that have shown an early commitment through course experience to preparing for a career in the culinary or hospitality industry.

The following scholarship is awarded to incoming freshmen and transfer students with valid transcripts verifying the successful completion of the above mentioned coursework. In most instances, no additional applications are required. This is a non-renewable scholarship that cannot be duplicated by the award of a Louisiana Culinary Institute ProStart Scholarship and is based on available funding. This scholarship is for eligible coursework other than the ProStart curriculum.

Guidelines:

Scholarship award recipients will be notified at least 14 days prior to the start of their first semester at LCI. The recipient must accept the award within one (1) week of the award offer and agree to the rules and guidelines of the scholarship or the scholarship will be rescinded and made available to another eligible student. The award is contingent upon the successful completion of the first semester. Should the student drop or withdraw during the first semester, the award will be removed from the student's first semester tuition credit.

The award recipient will receive a non-renewable scholarship in the amount of $500.

Eligibility and General Requirements:

1.   The applicant must have scored a grade of "B" or higher in the eligible course.

2.   The applicant must have a GPA of 2.0 or higher from the previous institution.

3.   The applicant must successfully complete a full semester at LCI.
