Louisiana Culinary Institute's Non-Louisiana Resident Scholarship

Out-of-state students face a unique financial challenge when relocating to attend LCI. The Louisiana Culinary Institute's Non-Louisiana Resident Scholarship has been designed with these needs in mind and will be awarded to eligible students in order to assist with the additional financial burden of relocation.

The following scholarship is awarded to incoming freshmen and transfer students with out-of-state residency status, pending available funding. In most instances, no additional applications are required. Out-of-State status must be verifiable, and awards are contingent upon students maintaining eligibility requirements.

Guidelines:

Scholarship award recipients will be notified at least 14 days prior to the start of their first semester at LCI. The recipient must accept the award within one (1) week of the award offer and agree to the rules and guidelines of the scholarship or the scholarship will be rescinded and made available to another eligible student.

The award recipient will receive a scholarship in the amount of \$500 which will be renewed each semester for a total maximum award of \$2,000 over a four (4) semester period. Should a student drop or withdraw during the semester, the \$500 award for that semester will be removed from the student's tuition credit. The scholarship is renewable based on the successful completion of each semester.

Eligibility and General Requirements:

1. The applicant must be a resident of a state other than Louisiana.
2. The applicant must have a GPA of 2.0 or higher from the previous institution.
3. The applicant must maintain continuous enrollment for scholarship renewal.
4. A GPA of 2.0 or higher is required for scholarship renewal for the following semester.
