April 9, 2014

Dear Friends,

We are days away from a deadline that will occur on April 29, 2014 that the Obama administration has set for its peace process. It is looking doubtful that it can be accomplished according to Mr. Obama's time schedule, but one thing is for certain. There will be a peace treaty that creates the "Two State Solution" carving out of Israel a Palestinian state. That treaty will turn out to be a suicide pack for Israel if it were not for the intervention of God. The treaty that is being created by the Obama administration will end up being a sword that Palestinians along with their allies will fall on and be destroyed.

We know that there will be a treaty. Here is what the Prophet Daniel records, Dan 9:26-27 KJV ". . . the prince (*Antichrist*) that shall come . . . **shall confirm the covenant with many for one week**": We also know that God is in control of the timing. Until Jesus Christ breaks the first of the Seven Seals that begin in chapter six of Revelation, the Antichrist cannot come forward. Rev 6:1-2 KJV "And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see. (2) And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer."

It has been suggested that the word "bow" in this passage is actually the "covenant" he will confirm. God has used the "**bow**" as the symbol of a covenant before. Gen 9:11-13 KJV "And I **will establish my covenant** with you; neither shall all flesh be cut off any more by the waters of a flood; neither shall there any more be a flood to destroy the earth. (12) And God said, This *is* the token of the covenant which I make between me and you and every living creature that *is* with you, for perpetual generations: (13) **I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth.**" Following that line of thought then when the Antichrist comes forward he would be given this "bow," covenant, treaty, a decree that he would give strength to. It would be his arrival that would give Israel the confidence that she would have a partner she could trust enough to sign what would otherwise be a suicide pack.

As we consider why this is a suicide pack for Israel, we must emphasize that the Antichrist and the covenant cannot come forward until after the Rapture of the Church. That is very important to us. It seems that the covenant is signed immediately after the Rapture of the church, so that the church age must be about finished. The following headline leads us to believe that the time is upon us.

Headline - **Obama Pledges Declaration of Palestinian State In 2014** - 2/26, 2014 | Debbie Smith
<http://www.prophecynewswatch.com/2014/February26/262.html#XLZ6ZF0hd4hCtQjg.99>

A senior Palestinian negotiator told WND reporter Aaron Klien that the Palestinian Authority has received a pledge from the Obama administration that by the end of 2014, the administration will issue an official declaration presenting general highlights of a Palestinian state. End of quote

This is what the world thinks they know about the Peace Treaty. It is going to create two separate states, one for Israel and one for the Palestinians. Israel would be the homeland for all of the Jewish people. Palestine would be the homeland for all the Palestinians. All of their refugees would return home from wherever they are and would be fully welcomed as citizens of the state that was created for them. All hostilities would stop. Two peoples would live side by side in peace and prosperity. There would be no further claim to each other's lands. All three of the faiths would now be able to visit their holy sites and worship God according to the dictates of their faiths. One side effect would be the end of terrorism. If that could be accomplished and honored that might be something to rejoice over.

If you think that is what is about to happen, think again. That is what you are allowed to think, led to think! Now look at what is really going on. The Palestinian leaders have no intention of allowing Israel to exist. Everything is being done to wipe Israel off of the map. The Obama administration knows this. They are playing the good cop, bad cop game with Israel. President Obama is playing the good cop roll. Israel this is for your own good. I am trying to protect you from the bad cop, the Palestinians. Israel knows that none of what is being proposed is in her best interest. She has been given nothing but evil and lesser evil as far as her choices.

Headline - **TV report: Abbas said 'no' to Obama on 3 core peace issues**

Rejecting Kerry framework, Palestinian leader reportedly told US president he won't recognize 'Jewish Israel,' abandon 'right of return,' or commit to 'end of conflict' BY TIMES OF ISRAEL STAFF March 22, 2014

<http://www.timesofisrael.com/tv-report-abbas-said-no-to-obama-on-3-core-peace-issues/#ixzz2whswlQCY>

“On his trip to Washington this week, Palestinian Authority President Mahmoud Abbas rejected US Secretary of State John Kerry’s framework document for continued peace talks with Israel, and issued “three no’s” on core issues, leaving the negotiations heading for an explosive collapse, an Israeli TV report said Friday”

“Specifically, the report said, Abbas rejected Prime Minister Benjamin Netanyahu’s demand that he recognize Israel as a Jewish state. He also refused to abandon the Palestinian demand for a “right of return” for millions of Palestinians and their descendants — a demand that, if implemented, would drastically alter Israel’s demographic balance and which no conceivable Israeli government would accept. And finally, he refused to commit to an “end of conflict,” under which a peace deal would represent the termination of any further Palestinian demands of Israel.” End of Quote

Abbas the leader of the Palestinians refuses to recognize Israel as a Jewish state. He demands that after a nation called Israel is created that he be allowed to flood a diminished Israel with millions of Palestinian refugees, hence the “the Right of Return.” If those two things are not bad enough, Israel is expected to sign a peace treaty that will not end the conflict, Abbas “refused to commit to an “end of conflict.”

Headline - **Palestinian State Will Not Accept Palestinian Refugees** - September 26, 2011 by David Meir-Levi
<http://www.frontpagemag.com/2011/david-meir-levi/palestinian-state-will-not-accept-palestinian-refugees/>

“In his op-ed to The New York Times on May 16, Palestinian Authority President Mahmoud Abbas told the world in no uncertain terms that Palestinian statehood and UN recognition would not end the conflict”:

“When we have a state accepted as a member of the United Nations, this is not the end of the conflict. This is not a solution to the conflict. This is only a new framework that will change the rules of the game. And still no one seems to notice the contradiction here.”

“But in addition to telling the world that even after the so-called Palestinian people have their state they will continue the conflict, Ambassador Abdullah Abdullah went on to say that:...Palestinian refugees would not become citizens of the sought for U.N.-recognized Palestinian state, an issue that has been much discussed. “They are Palestinians, that’s their identity,” he says. “But ... they are not automatically citizens.”

“This would not only apply to refugees in countries such as Lebanon, Egypt, Syria and Jordan or the other 132 countries where Abdullah says Palestinians reside. Abdullah said that “even Palestinian refugees who are living in [refugee camps] inside the [Palestinian] state, they are still refugees. They will not be considered citizens.”

“What an incredible irony, For years, the world has supported the concept of a Palestinian state, and forgiven the endless relentless Palestinian terrorism, on the grounds that Palestinians are stateless people who deserve a country of their own. And now, a senior Palestinian official has announced that once they have received a state, **most Palestinians will still be stateless** – even those who actually live in “Palestine.” **Moreover, the new state won’t provide these residents with any services: . . . So almost half of all the Palestinians in the West Bank and Gaza Strip will still not be citizens of the state that they demand to be created in order for these same people to have a state.”**

“If they were to drain the refugee camps of their “refugees” and resettle them and offer them the opportunities for constructive work and education and a normal life, they would soon have fewer desperately poor oppressed people from whom to recruit their suicide bombers and terrorist operatives; and they would lose the PR value of the heart-rending and gut-wrenching image of the hopeless, hapless, helpless, homeless refugee languishing in the “Palestinian Diaspora,” longing desperately for his ancient homeland. The rehabilitated “refugees” would become a PR liability.”

How could this be, unless these Arab states share the same goal of continued conflict until victory, and victory means the destruction of Israel?... No, statehood will merely make the implementation of the great final jihad more efficient, and thus bring nearer the day when Israel can be wiped off the face of the earth. End of Quote

Headline - **AYATOLLAH: 'WIPE ISRAEL OFF FACE OF EARTH'**
Says Jewish state must be obliterated 11/29/2013

<http://www.wnd.com/2013/11/ayatollah-warns-obama-on-israel/#1BtB8tR0B5dEgYC5.99>

“An influential Iranian cleric has warned President Obama not to include Israel in any nuclear negotiations because the

Jewish state must be destroyed.”

“What is visible is that Obama has agreed to include the fake Zionist regime (Israel) in future negotiations,” said Ayatollah Ahmad Khatami, a member of Iran’s Assembly of Experts.”

“However, we firmly believe [Israel] must be wiped off the face of the earth and we don’t recognize [its existence].” Khatami said according to IRNA, the official news agency of the Islamic Republic.”

“Khamenei called Israel a “rabid dog,” “unclean,” “illegitimate” and “a bastard.” “The Zionist regime is destined to destruction because this miserable regime was imposed (on the Middle East) based upon force, and no imposed phenomenon can last,” he told the Basij forces.” End of Quote

Iran is a leading backer of the Palestinian state and the first ally of Russia when she invades Israel right after the signing of the covenant. The treaty is a big step toward wiping Israel off of the map. The “Right of the Refugees may well be the excuse.

Now what does the Word of God have to say about the Palestinian plans? God hears all, knows all. He heard what the Islamic world and the Obama administration were saying behind their diplomatic doors. He knew that they were planning a treaty that was designed to give them both countries, Israel and Palestine. When you see the term “mount Seir,” it is always a reference to the Kingdom of Edom. Edom was founded by Esau, the brother of Jacob. Gen 32:3 “And Jacob sent messengers before him to Esau his brother unto the land of Seir, the country of Edom.” God had give to each brother his land, Jacob the land of Israel and Esau the land of Edom. Now Esau wants (the Palestinians) his brother Jacob’s land. He doesn’t just want part of the land. He wants it all. He plans to cut it in half and use one half to take the other half.

Ezekiel 35 is a special message for the Palestinians. I recommend reading the whole chapter but for the sake of space I am going to use just a part of the chapter. Eze 35:10 “Because thou hast said, These two nations and these two countries shall be mine, and we will possess it; whereas the LORD was there:” God more than 2500 years ago heard Abbas and his Islamic allies bragging about wiping Israel out when they get their new state, “We are going to have both nations!” The excuse for claiming both lands is, “the LORD was there.” The Lord they are talking about is Jesus. Islam claims that he is one of their prophets. He is much different from the Jesus of the Bible. The Jesus of the Bible was God before his birth and died for the sins of mankind, rose from the dead, ascended up to Heaven, and is returning to Earth. That is much different from the Islamic Jesus. By claiming a demoted Jesus as their own, they believe that gives them, title deeds to Israel.

We are continuing God’s conversation with the Palestinian in Ezekiel, Eze 35:12-14 “And thou shalt know that I *am* the LORD, *and that* I have heard all thy blasphemies which thou hast spoken against the mountains of Israel, saying, They are laid desolate, they are given us to consume. (13) Thus with your mouth ye have boasted against me, and have multiplied your words against me: I have heard *them*. (14) Thus saith the Lord GOD; **When the whole earth rejoiceth, I will make thee desolate.**” Jesus has heard the foolish things that they were saying about him and the mountains of Israel, “they belong to us!” When the Covenant is signed, decreeing the new state of Palestine that is the beginning of the Tribulation, God will though his people the Jews, wipe out the Palestinian people out Israel.

In the next chapter of Ezekiel the conversation continues. Only now God speaks to the land of Israel, Eze 36:1-2 “Also, thou son of man, prophesy unto the mountains of Israel, and say, Ye mountains of Israel, hear the word of the LORD: (2) Thus saith the Lord GOD; **Because the enemy hath said against you, Aha, even the ancient high places are ours in possession:**” The ancient high place is the Temple mound, God is calling the Palestinian the enemy. The Palestinian has embraced Islam’s claim to the Temple Mound.

The conversation continues, Psa 83:4-12 They (The Palestinians) have said, Come, and let us cut them off from *being* a nation; that the name of Israel may be no more in remembrance. (5) For they have consulted together with one consent: they are confederate against thee: (6) The tabernacles of Edom, and the Ishmaelites; of Moab, . . . and Ammon, and Amalek; the Philistines with the inhabitants of Tyre; . . .(12) Who said, **Let us take to ourselves the houses of God in possession.**”

God has heard it all. Here is a chapter from Zephaniah, you should read in its entirety, I am only able you give you part of it, it is a profound revelation concerning the creation of this Palestinian nation, it also presents the hope of the Rapture of the Church, Zep 2:1-3 “Gather yourselves together, yea, gather together, O nation not desired; (2) Before the decree bring forth, *before* the day pass as the chaff, before the fierce anger of the LORD come upon you, before the day of the LORD’S anger come upon you. (3) Seek ye the LORD, all ye meek of the earth, which have wrought his judgment; seek righteousness, seek meekness: it may be ye shall be hid in the day of the LORD’S anger.”

The message is simple, let me put it in my words. Ok, Palestinians, you want to be a nation, even though I do not want you to be a nation? Go ahead get your decree. That will make you a nation. The day you do that, you will make me

angry, and I will judge you with fire. You will be burned up like chaff. You will find yourself judged by a nuclear war! Then he turns to those who have sought to do the Lord's will. They have turned to Jesus Christ. He tells them to seek righteousness and be very meek as God deals with you could be hid in the day of the Lord's anger. What is God talking about? How can you be hid in the Day of the Lord's Anger? He is promising the Rapture. He made the same promise to the Church of Philadelphia, Rev 3:10-11 "Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth. (11) Behold, I come quickly: hold that fast which thou hast, that no man take thy crown."

Jesus told us, concerning the Tribulation, to watch and pray that we might escape it. Luk 21:35-36 "For as a snare shall it come on all them that dwell on the face of the whole earth. (36) Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man."

The Message of the Month - "Blood Moons" - Act 2:19-20 KJV "And I will shew wonders in heaven above, and signs in the earth beneath; blood, and fire, and vapour of smoke: (20) The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come:" How do you turn the Sun black and the moon red? You have a Solar eclipse for the sun and a lunar eclipse for the red or blood moon. This message will tell you about people who thought they were going to go in the Rapture but were left behind. They were disappointed at the Rapture. No wonder Jesus commands you to watch and be ready. This message will inform you about four lunar eclipses and a partial and full solar eclipses during 2014 & 2015. Each will coincide with a Levitical Feast day. Understand that Mr. Obama is frantically pushing and shoving Israel into a corner, trying to force her to sign a suicide note called a peace treaty. He wants it sign sealed and delivered before 2014 passes. It may be that the coming Blood Moons are a sign that the end is upon us. This is a message I think you truly need. It is yours by request.

Moments in Bible Prophecy - I am very excited about the open doors that God has been giving the radio ministry. Last week I received an email from Leviticus Whamah. He is the President of Cuttington University in Liberia, Africa.

"We are delighted to work with you spreading the good news of Jesus Christ, in Liberia. Cuttington University has a very strong Radio and TV station that covers 7 to 8 counties in Liberia, and I think with this partnership, you will have a wider listening audience in rural Liberian communities."

"We have three campuses for our University, and the main campus in Suakoko, Bong County, has more than two thousand students, with the airing of your program on Cuttington University Radio, will also attract more students to listening to the program. Again, thank you very much and I look forward hearing from you.

Cordially,

Leviticus Whamah

I have sent the programing and we are thankful for this door. I received an invitation from a new radio station, The Cornerstone, WKWJ, 91.9 FM that has come to Key West. I have accepted the invitation. Beginning April 14, 2014 at 9:00 A.M. Moments in Bible Prophecy will be on the Cornerstone. I thank God for giving us another open door!

Support for Moments in Bible Prophecy - In Mat 24:45-47 Jesus tells us about a faithful servant that he had charged to give meat to his household in due season. The meat is the Word of God, the due season is the end time. That is what God has charged you and I to do. That is what Jesus wants to find us in the middle of when he returns. (46) "Blessed is that servant, whom his lord when he cometh shall find so doing. (47) Verily I say unto you, That he shall make him ruler over all his goods." I promise you that I am doing my best to be faithful to give the meat of God's word to all that I can reach with every opportunity God sends my way. I need your help to do it. It might be that God has given you a special charge to stand with me in this task. Would you listen to that still small voice inside of your heart, and if God speaks to you, would you let me know what God would have you do? If you would like, you can give online at my website <http://www.momentin.us/> or our mobile <http://m.momentin.us/>

A special thanks to all of you who have made the past month possible. Without you I would not have been able to punch all those holes in the darkness.

Your Friend in Christ,

Raymond L Shockley
