August 1, 2016

Dear Friends,

As I sit at my keyboard writing this month's news letter, one phrase keep ringing in my mind - "Lies, lies and more lies!" I am reminded of the Nazi master of propaganda Joseph Goebbels' method of deception. It is his plan and tactics that are being used on us by the "One World Government," crowd, better known as the "New World Order." Goebbels taught the Globalist how to use the art of the "Big lie."

"Big Lie"

"If you tell a lie big enough and keep repeating it, people will eventually come to believe it. The lie can be maintained only for such time as the State can shield the people from the political, economic and/or military consequences of the lie. It thus becomes vitally important for the State to use all of its powers to repress dissent, for the truth is the mortal enemy of the lie, and thus by extension, the truth is the greatest enemy of the State." <http://www.jewishvirtuallibrary.org/jsource/Holocaust/goebbelslie.html>

The following Quote shows how he used the media. "Goebbels' Propaganda Ministry quickly gained and exerted controlling supervision over the news media, arts, and information in Germany. He was particularly adept at using the relatively new media of radio and film for propaganda purposes. Topics for party propaganda included antisemitism, attacks on the Christian churches, and (after the start of the Second World War) attempting to shape morale." https://en.wikipedia.org/wiki/Joseph_Goebbels

This is being done to the nations of the earth. America is a special target. The media is, for the most part, controlled by the One World Government crowd. I watched them cover a particular news story that may have some political ramification. As I scanned the different channels, I noticed that they all have the same talking points. It is a word for word repeating that always leans left. Who is writing this stuff? Who is behind it; what is their end game? Franklin D. Roosevelt said, "In politics, nothing happens by accident. If it happens, you can bet it was planned that way." Wouldn't you like to know who is planning the destruction of your nation and world? Some of the easily identifiable players are household names. Anyone the media embraces is playing on the "deception team." The captain of the team is without a doubt Satan, the devil, the father of the lie.

Rev 20:2-3 KJV "And he (*angel*) laid hold on the dragon, that old serpent, which is the Devil, and Satan, and . . . cast him into the bottomless pit, . . . **that he should deceive the nations no more**, till the thousand years should be fulfilled." Deception is Satan's game. Since God created man as a free-moral agent able to choose whom he will follow, Satan cannot force him to do his will. He does so by recruiting agents to spread his lies and corrupting everything that can influence men to do his bidding. He deceives men into joining a rebellion against God. Politics, religion, media, entertainment, and education are all places he seeks to infect.

Satan's final goal is to organize humanity under one ruler - the Biblical Antichrist - and uses that man to

"MOMENTS IN BIBLE PROPHECY"

enslave them all. The Antichrist and the False Prophet will deceive men into accepting the Mark of the Beast, thereby selling their souls to Satan. Only Jesus Christ's return to earth can end their reign of terror. Rev 19:20 KJV "And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone." We are told that the Antichrist and False Prophet will deceive their followers. We are watching that deception in progress.

What does evil want? It wants a one world government. The nation state hinders that. They often have competing interests. In the perfect world each nation is looking out for the interests of their own citizens. Evil must cause people to be willing to give up their national sovereignty and surrender to an international global group where a global elite in some far off capital makes all of the decisions. So how do you get people to give up their sovereignty and freedom? You tell them big **lies over** and over until they sound like the truth. You feed it to them when they start school. You feed them a steady diet of lies all the way through college. You fill the media with the lies until they seem like reasonable truth.

Then you create problems that nation states cannot solve. Take the lie of "Climate Change." Our leaders tell us that climate change is the greatest problem we face. It's the "Big Lie," of our time. Why are they telling us this lie? It is so we will be distracted from our greatest problem, and be scared into trusting them with our fate.

Headline - John Kerry: Climate change as big a threat as terrorism, poverty, WMDs

By Steve Almasy, CNN February 17, 2014 <http://www.cnn.com/2014/02/16/politics/kerry-climate/index.html>

"U.S. Secretary of State John Kerry gestures during a speech on climate change in Jakarta, Indonesia. Saying that climate change ranks among the world's most serious problems -- such as disease outbreaks, poverty, terrorism and the proliferation of weapons of mass destruction -- U.S. Secretary of State John Kerry called on all nations to respond to "the greatest challenge of our generation."

"Kerry reiterated U.S. President Barack Obama's assertion in the State of the Union address that climate change is an undeniable fact. "We should not allow a tiny minority of shoddy scientists and science and extreme ideologues to compete with scientific fact," Kerry said at the U.S. Embassy's @america function in Jakarta." End of Quote

Headline - Obama: Climate Change is the Greatest Threat - By Terence P. Jeffrey | January 20, 2015
<http://www.cnsnews.com/blog/terence-p-jeffrey/obama-climate-change-greatest-threat>

"President Obama delivers his State of the Union Address on Jan. 20, 2015. "No challenge--no challenge--poses a greater threat to future generations than climate change," President Obama declared in his State of the Union Address on Tuesday night."

"Although he referred to it as "climate change" and not "global warming," the president immediately followed his declaration that this was the greatest threat to future generations by stating that fourteen of the hottest fifteen years "on record" have occurred since 2000."

"President Obama then said that the U.S. military is saying that "climate change" is causing immediate risks to our national security--although he did not explain exactly what this meant or how the "Pentagon" had arrived at this conclusion. "The Pentagon says that climate change poses immediate risks to our national security," said Obama. "We should act like it.""

If global "climate change" caused by human action is indeed the greatest threat facing future generations and it therefore must be stopped, as President Obama argues, it will necessarily take a global authority with the power to stop human beings from engaging in the actions that cause "climate change" to avert that threat." End of Quote

We are being told the big lie so we won't resist being under the global authority. Anyone under their authority will have their freedom stripped from them. How do I know this is a lie? The Bible tells me it's a lie.

Gen 9:8-13 KJV "And God spake unto Noah, . . . saying, . . . I establish my covenant with you, and with your seed after you; And with every living creature that *is* with you, . . . to every beast of the earth. . . . neither (*never*) shall all flesh be cut off any more by the waters of a flood; neither shall there any more be a flood to destroy the earth. And God said, This *is* the token of the covenant which I make between me and you and every living creature that *is* with you, for perpetual generations: (13) I do set my bow (*rainbow*) in the cloud, and it shall be for a token of a covenant between me and the earth." Every time you see a rainbow that is God's promise that the earth shall never be destroyed by water! Next time God judges the earth, it will be by fire!

It is funny how science, when done honestly, catches up with the Bible. Here is a headline with a very interesting article - "**We are all going to Drown!**" The following is a part of a 550-word excerpt from "Vapor Tiger" by Adrian Vance. <http://constitution.com/gonna-drown-myth-global-warming/>

"This is a case in point as we are seeing more nonsense about the effects of ice melting due to man-caused climate change. The truth is simple:"

"In May of 2014 the respected science journal "Nature," the "Washington Post" and the "Daily Beast" all reported that an Antarctic glacier melting would lift sea levels four feet. That did not seem right and a few minutes with the back of an envelope and pen we confirmed this was nonsense."

"Earth has an 8,000 mile diameter thus a surface area of 201 million square miles by $A = 4 \pi r^2$. Earth is 71% covered by oceans with average depth of 12,232 feet, 2.31 miles, thus 143 million mi^2 times 2.31 for 330 million cubic miles of seawater."

"To determine the effect of melting glaciers we only need to know the average depth of the oceans and with the depth we can determine the amount of seawater per foot. Adding that amount of water raises the seas one foot. The authorities and geography literature say the seas have an average depth of 12,232 feet. Thus, for every foot of depth there are 62,536 cubic miles of sea water and it will take that much water to raise the seas one foot. According to NASA the glacier they claim will raise the sea level four feet has an area of 255 square miles and it is one-third mile deep. This gives 84 cubic miles of ice, but ice loses 10% of its volume on melting so it is 75.6 cubic miles of water. **Therefore, the change in depth would be: $75.6/62,536 = 0.00121 \text{ ft or } 0.0145 \text{ inch.}$** "

"**This is about the thickness of a human hair.** But all the "greens," and panic pushers, claim we are going to melt all the ice on Earth. Geophysicists say they cannot imagine a circumstance where all the ice on Antarctica will ever melt as it is in the dark six months of the year and unlike the Arctic, the ice is on a continent, not in a sea thus cannot gain heat from ocean currents. It is high, dry and cold." End of Quote.

The doomsday lie falls apart under a little honest math. Imagine all this effort to save us from the water

rising, a depth of water equal to the width of a human hair! Sounds a lot like the little poem “Chicken Little.”

Chicken Little likes to walk in the woods. She likes to look at the trees. She likes to smell the flowers. She likes to listen to the birds singing.

One day while she is walking an acorn falls from a tree, and hits the top of her little head.

- My, oh, my, the sky is falling. I must run and tell the lion about it, - says Chicken Little and begins to run.

She runs and runs. By and by she meets the hen. - Where are you going? - asks the hen.

- Oh, Henny Penny, the sky is falling and I am going to the lion to tell him about it.

- How do you know it? - asks Henny Penny.

- It hit me on the head, so I know it must be so, - says Chicken Little.

- Let me go with you! - says Henny Penny. - Run, run.

So the two run and run until they meet Ducky Lucky.

- The sky is falling, - says Henny Penny. - We are going to the lion to tell him about it.

- How do you know that? - asks Ducky Lucky. - It hit Chicken Little on the head, - says Henny Penny.

- May I come with you? - asks Ducky Lucky. - Come, - says Henny Penny.

So all three of them run on and on until they meet Foxey Loxey.

- Where are you going? - asks Foxey Loxey.

- The sky is falling and we are going to the lion to tell him about it, - says Ducky Lucky.

- Do you know where he lives? - asks the fox. - I don't, - says Chicken Little.

- I don't, - says Henny Penny. - I don't, - says Ducky Lucky.

- I do, - says Foxey Loxey. - Come with me and I can show you the way.

He walks on and on until he comes to his den. - Come right in, - says Foxey Loxey.

They all go in, but they never, never come out again. End of poem

Is America about to elect a “Foxey Loxey” who will lead it into the den of the Lion? Billions of the earth’s population will go in it, but few will come out.

Another lie is that we must surrender to the Global Authority because of terrorism. The Obama-Clinton-Kerry administration has undermined all the nations of North Africa and the Middle East. Money, arms and support have found its way into the hands of radical elements in every country causing civil war, often toppling the governments allowing ISIS, the Muslim Brotherhood, Al-Qaeda and radical Islam of every stripe to spread terror in every land they touch. The latest chapter of the lie is to flood the West with Islamic refugees in order to destabilize those nations of the West. The EU is being flooded with violence. The Obama administration is in the process of flooding America with Syrian refugees who do not want to assimilate into the American culture. They want to conquer it and replace it.

At the same time America is being invaded, the Democratic party and President Obama are making every effort to disarm the American citizen. This is the reason for the war on police. President Obama would love to replace our local police, who are enlisted from among the local citizens and controlled by

locally elected officials, with a federal police force. With our borders destroyed, our nation will be destroyed and forced into the Global Authority.

Headline - **FBI Chief Warns 'Terrorist Diaspora' Will Come to the West** -

<http://www.newsmax.com/Newsfront/comey-terrorist-diaspora-come/2016/07/27/id/740894/#ixzz4FiWzSpB0>

Hundreds of terrorists will fan out to infiltrate western Europe and the U.S. to carry out attacks on a wider scale as Islamic State is defeated in Syria, FBI Director James Comey warned.

"At some point there's going to be a terrorist diaspora out of Syria like we've never seen before," Comey said Wednesday in New York. "We saw the future of this threat in Brussels and Paris," said the head of the Federal Bureau of Investigation, adding that future attacks will be on "an order of magnitude greater." Comey's blunt warnings echo those of Republican presidential nominee Donald Trump . . . "

"CIA Director John Brennan told the Senate Intelligence Committee in June that "our efforts have not reduced the group's terrorism capability and global reach."

Comey, who called violence directed or inspired by Islamic State "the greatest threat to the physical safety of Americans today," said that "a lot of terrorists fled out of Afghanistan in the late 1980s and early 1990s. This is 10 times that or more." End of Quote

The regime change policies of Globalist elite are used by the Obama, Clinton, Kerry administration to topple governments all over the world, allowing terror to rein. This has caused a huge backlash. The Prophet Ezekiel was instructed to send a message to a future leader of Russia. It is beginning to look like that leader could be Vladimir Putin. In the message he is told that hooks would be put into the jaws of his alliance, dragging them into Israel. Eze 38:2-6 KJV Son of man, set thy face against Gog, the land of Magog (*Russia & perhaps Putin*) And say, Thus saith the Lord GOD; Behold, I *am* against thee, O Gog,. . . . I will turn thee back, and **put hooks into thy jaws**, and I will bring thee forth,. . . . Persia (*Iran*), Ethiopia, and Libya with them; Gomer; the house of Togarmah (*Turkey*) of the north quarters"

It seems that Mr. Putin understands that the Globalist have him in the bull's eye.

Headline - **Russia accuses West of seeking regime change in Moscow** - Jethro Mullen, CNN

December 2, 2014 <http://www.cnn.com/2014/11/23/world/europe/russia-lavrov-regime-change/index.html>

"(CNN)With tensions simmering over the deadly crisis in Ukraine, Russia has accused the West of seeking regime change in Moscow, prompting renewed comparisons with the Cold War era. Foreign Minister Sergei Lavrov of Russia made the comments at an event Saturday as he attacked Western sanctions on Russian interests."As for the concept behind the use of coercive measures, the West is making it clear it does not want to try to change the policy of the Russian Federation . . . **they want to change the regime** -- practically no one denies this," Lavrov said at a meeting of a foreign and domestic policy council in Moscow."

Putin has been building up his military, getting ready for a nuclear war. In Ezekiel's prophecy Russia will bring an alliance of nations into Israel. The first nation on the list of nations is Iran. The last nation on the list is the nation of Turkey. Turkey has been a loyal member of NATO and an ally of America. Turkey would have to change sides and ally with Russia for that to happen. It appears that the Obama, Clinton, Kerry administration was involved in a regime change effort, in Turkey. When it failed, the

Turkish President Recep Tayyip Erdoğan, knowing that the US was involved in an effort to remove him, turned to Russia and Putin. The last nation in Gog's alliance is moving into place, thanks to Mr. Obama's and Hiliary Clinton's involvements.

Headline - **Emails, Documents Tie Clinton Camp to Turkish Imam** - By Jason Devaney |
Thursday, 14 Jul 2016 - <http://www.newsmax.com/Newsfront/Clinton-Ties-Turkish-Imam/2016/07/14/id/738643/>

“New emails and documents uncover ties between the Clintons and an Islamic imam from Turkey who has been in self-exile in Pennsylvania since 1999. According to The Daily Caller, several pieces of evidence tie the Clintons to Fethullah Gulen, against whom Turkish President Recep Tayyip Erdoğan has launched a crackdown. In the past, Gulen and his followers, called Gulenists, have had great influence over Turkey's media, court system, and the police. The movement has resisted Erdogan's efforts to undermine Turkey's democracy. Gulen also has been decidedly pro-Western and has advocated for stronger ties between Turkey and the U.S.”

“Erdogan has accused Gulenists of trying to weaken the Turkish government and has even gone as far as to ask President Barack Obama to send Gulen back to Turkey. Emails and documents obtained by Judicial Watch show that Gulen's group has been in contact with the Clinton camp. A 2009 email, for example, shows a Gulen follower asking Hillary Clinton's aide Huma Abedin for help in putting one of his allies in touch with Obama for a meeting in Turkey.”

“In another connection, a group with ties to Gulen hired the Podesta Group — John Podesta is a longtime Clinton aide and confidant — for lobbying activities on Capitol Hill. The executive director of that Turkish group, the Alliance for Shared Values, has donated to the Clintons.” End of Quote

I regret that I do not have enough space to really deal with the last lie but will only be able to mention in passing. The Globalist and Mr. Obama are trying to convince us that Islam is a loving religion that we should be glad to welcome it into our nations in the form of the Syrian refugees. In all of the history of Islam, can you tell me of a time when it was loving? At one time all of North Africa, the Middle East and Turkey were Christian. With wave after wave of war these areas were put to the sword and Christians were slaughtered. While there are many Muslims who just want to live their lives, they don't count in the effort to stop radical Islam from conquering the world. In World War II there were many Germans that did not go along with Hitler and the Nazis. They did not count when it came to stopping the Nazis. Every effort is made by the media and Mr. Obama to shield Islam from the deeds of the Islamic radical terrorists by referring to the moderates. Why is that? They are wanting us to surrender to the terror and look to Globalism to protect us.

Headline - **Globalist Obama: Terrorists, Racist Cops Are ‘Chronic Impulses’ to Be Defeated by Global Elites** - <http://www.breitbart.com/big-government/2016/07/15/obama-globalist-chronic-problem/>

“Globalist elite cooperation can defeat the “chronic violence” that is caused by real jihadism in France and supposed racism in police forces, President Barack Obama told a roomful of foreign ambassadors July 15. . . . After mentioning the Nice attack and hinting at the police engagements, Obama sketched out his demand for globalist fix for the “chronic violence” that he says is caused by competing racial, national and religious solidarities;”

“For Obama, everyone —jihadis and cops, Catholics and capitalists, atheists and Australians — must subordinate their political, religious and legal affiliations to the greater authority of a single globalist power. **That globalist agenda is the key to peace between and within nations, Obama insisted.”**

End of Quote

America is at a crossroads. It can choose to surrender and continue down the Globalist road that Mr. Obama and others before him have put us on or choose to remain a free, strong independent nation, one with borders, one that is capable of defending itself and the cultural heritage God through the Founding Fathers gave her. I believe God still has a plan for America and my prayer is that her eyes will be open, and that she will choose the right road. Whatever her choice, America is heading into the storm!

The Bible shows us where Globalism is leading us, 2Pe 3:7-12 KJV “But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men . . . The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance. But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up . . . Looking for and hasting unto the coming of the day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat?”

The “Day of Lord” is the Tribulation. During it God will judge the world for its rebellion. God made a promise to those who surrender their wills to Jesus Christ. Rev 3:10-11 KJV “Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth. Behold, I come quickly: hold that fast which thou hast, that no man take thy crown.” His promise is of a Rapture before the Tribulation begins. As the lies, lies and more lies spread across the world, there is only one source of truth that will not fail us. It is the Word of God.

The message of the Month - The title for this month’s message is **“Lie, lies and more lies!”** In this message I **will** give you more information concerning the Globalist tactic to deceive and enslave the nations of the world. I will send it to you upon request.

Moments in Bible Prophecy - Moments in Bible Prophecy is punching holes in the darkness with the light of God’s Word. Every radio outlet costs money. One of the most stressful things I do each month is raise the money to keep Moments in Bible Prophecy on the air. Summer time is the hardest time of the year. People who normally help are often distracted with summer actives, and we fall short. I am asking you to pray with me concerning the money it takes to keep these ministries going. Perhaps God will speak to you about donating. If you would like, you may donate online at our website. If you choose to write a check, make it payable to the Key West Church of God. Thank you for your prayers and support.

Your Friend in Christ,

Raymond L Shockley
