Dear Friends,

The world “mystery,” has been pressing on my mind. The Holy Ghost has inspired this word into the pens of more than one man of God. The word has been used in connection to the “End Times,” and the coming of the Antichrist. Here is one example.

“2Th 2:7-9 KJV For the mystery of iniquity doth already work: only he who now letteth *will let*, until he be taken out of the way. (8) And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: (9) *Even him*, whose coming is after the working of Satan with all power and signs and lying wonders,”

Here the “Mystery” of lawlessness is the subject. We are told that behind the scenes an evil is working. It has been hindered from achieving its total goal. One day God will no longer hinder the rise of evil. He will restrain it until the Rapture of the church. That mystery continues to work in the background, lying, deceiving trying to trick the human race into all out rebellion against their Creator. It possesses evil men to do its bidding. A Hitler, a Stalin, a Mao Tse-tung, the Communist ruler of China cannot rise without other evil men who hide in the background opening and promoting their way to power. The most evil of the lot is, of course, Satan that arch deceiver. Make no mistake about it, the Devil buys and sells human souls. With all that is within him, he is doing all he can to enslave the world.

The following quote comes from a man who should know what he is talking about, "In history, nothing happens by accident. If it happened, you can bet someone planned it." ~ Franklin Delano Roosevelt

Someone is planning the total destruction of the United States of America. He is aware that it's always much easier to destroy a country from the inside. That someone is very active in the American political process. America must not surrender her freedoms. No one can take them away, if Americans will not surrender them! A stark choice is being offered the Americans this year. “Surrender your freedoms, and we will give you Socialism.” When the state owns it all, controls it all, when they monitor and plan your life from cradle to grave, you are no longer free! What the state gives they can just as easily take away. The Founding Fathers of the American Republic did not promise to take care of the citizens of the Republic from cradle to grave. They created a government to guarantee the American people the freedom to take care of themselves.

The “Founding Fathers” acknowledged the Creator. They understood that rights came from God. No one had a right to take them from the people. They also understood that the people had a right to self govern. The people did not have the right to forfeit their God given rights. If the people of this generation rebel against their creator and throw away freedom for Socialism, their rebellion will create a national suicide.

Moments in Bible Prophecy

Read the following words from the Declaration of Independence, it is the statement adopted by the Continental Congress meeting at Philadelphia, Pennsylvania on July 4, 1776. You will understand they were forming a government that would guarantee your right to take care of yourself. By hard work, and prudence one could rise. He was not frozen in a social caste, where his life was predetermined by birth into a social class. Our “Founders” topped the elite and royal class. They abolished the office of the King. They gave the government to the people. The government they established was to protect the rights of a free people to remain free.

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.”

“That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to affect their Safety and Happiness.”

There is a mystery taking place right under our noses. It threatens the entire world. It all reminds me of a great “Mystery.” Evil men are behind the curtain, with money and influence they are the puppet masters, buying politicians, buying elections. When you see vast amounts of mysterious money trying to buy an office, look behind the curtain to see the hands that are providing it and you will discover who owns your government. You can count on this fact, “puppet masters” are the most selfish of all men. What they propose to us is in no way in our best interest, It is in theirs. Run from anyone the elite is placing their hope in. If they don’t own him, they will be trying to buy him.

I am reminded of a scene from a childhood movie, The Wizard of Oz.

THE OLD MAN BEHIND THE CURTAIN -

It is the end of the Journey for our four travelers is almost over. They have been looking for the great OZ. They have formed a concept of him in their minds. He is almighty, powerful, too great to behold, his voice is booming.

As they approach the great OZ, there is a booming voice “ Do not arouse the wrath . . . of the Great and Powerful Oz! I said -- come back tomorrow!”

The smartest member of the traveling crew is the Cairn Terrier Toto. He runs up and pulls the curtain back and we see an old man busy making the allusions function. Then we hear the all powerful OZ say, “Oh - I - Pay no . . . attention to that man behind the curtain. Go - before I lose my temper! The Great and Powerful --- . . . -- Oz -- has spoken!”

The great OZ closed the curtain to protect the sham. Dorothy, pulled open the curtain.

DOROTHY: “ Who are you?”

OZ'S VOICE: “Well, I -- I -- I am the Great and Powerful -- Wizard of Oz.”

DOROTHY: “You are?”

OZ: “Uhhhh -- yes . . . “

DOROTHY: “I don't believe you!”

OZ: “No, I'm afraid it's true. There's no other wizard except me.”

The Scarecrow and Lion speak angrily -- SCARECROW: “You humbug!” LION: “Yeah!”

WIZARD: “Yes-s-s -- that . . . that's exactly so. I'm a humbug!”

DOROTHY: “Oh . . . you're a very bad man!”

WIZARD: “Oh, no, my dear -- I'm -- I'm a very good man. I'm just a very bad wizard.”

I am afraid that America and the world is being “humbled!” What does humbled mean? From Dictionary.Com - “noun 1. something intended to delude or deceive. 2. the quality of falseness or deception. 3. a person who is not what he or she claims or pretends to be; impostor.” Unlike the Wizard of Oz, our humbler is not a good man and is a very effective wizard who does not want you to see behind the curtain. If you see him, like Dorothy's wizard, he will lose his power over you.

While there is more than one evil man behind the curtain, there is always that one man where thoughts originate. Since it is a mystery, no one can say for sure who that man is. One candidate for that role is **György Schwartz, better known to the world as George Soros.**

Headline - **George Soros Donated Millions to Pro-Hillary Clinton Group in 2015**

“George Soros, whose reputation for big-money giving has loomed larger than his actual checkbook in most recent election cycles, **contributed \$6 million in December to Priorities USA Action, a “super PAC” supporting Hillary Clinton’s presidential bid.** The contribution, reported in the group’s Federal Election Commission disclosures on Sunday, brings Mr. Soros’s total super PAC giving for the 2016 cycle to more than \$8 million.” End of quote

That is just a small tip of the iceberg of what George Soros has done to affect the American politic. Without him we would not have had eight years of Barak Obama or a middle east gone to hell. The next headline and article will be an eye opener. Get ready for the curtain to be pulled back. I will not have enough space to give you all of the article so be encouraged to read the whole article.

Headline - **Soros: Republic Enemy #1** By Jim O'Neill -- September 15, 2009

<http://canadafreepress.com/article/soros-republic-enemy-1>

“The main obstacle to a stable and just world order is the United States.”—George Soros

“Is it possible to lay the global financial meltdown, the radicalizing of the Democratic Party, and America’s moral decline, at the feet of one man? It is indeed possible.”

“If George Soros isn’t the world’s preeminent “malignant messianic narcissist,” he’ll do until the real thing comes along. Move over, Hitler, Stalin, Mao, and Pol Pot. There’s a new kid. What we have in Soros, is a multi-billionaire atheist, with skewed moral values, and a sociopath’s lack of conscience. He considers himself to be a world class philosopher, despises capitalism, and just loves social engineering.”

“Soros is a real life version of Dr. Evil—with Obama in the role of Mini-Me. Which is not as humorous as it might at first sound. In fact, it’s bone-deep chilling.”

“György Schwartz, better known to the world as George Soros, was born August 12, 1930 in Hungary. Soros’ father, Tivadar, was a fervent practitioner of Esperanto—a language invented in 1887, and designed to be the first global language, free of any national identity.”

“The Schwartz’s, who were non-practicing Jews, changed the family name to Soros, in order to facilitate assimilation into the gentile population, as the Nazis spread into Hungary during the 1930s. Soros is an Esperanto word meaning “to soar.”

“In 1944 Hitler’s henchman Adolf Eichmann arrived in Hungary, to oversee the murder of that country’s Jews. The Soros children were all given fake identity papers, and were shipped out to various Christian families. George Soros ended up with a man whose job was confiscating property from the Jewish population. Soros went with him on his rounds. Soros has repeatedly called 1944 “the best year of his life.”

“In an article in the Wall Street Journal, Joshua Muravchik notes that, “70% of Mr. Soros’s fellow Jews in Hungary, nearly a half-million human beings, were annihilated in that year. They were dying and disappearing all around him, and their numbers no doubt included many whom he knew personally. Yet he gives no sign that this put any damper on his elation, either at the time or indeed in retrospect.”

During an interview with “Sixty Minute’s” Steve Kroft, Soros was asked about his “best year:”

KROFT: My understanding is that you went out with this protector of yours who swore that you were his adopted godson.

SOROS: Yes. Yes.

KROFT: Went out, in fact, and helped in the confiscation of property from the Jews.

SOROS: Yes. That’s right. Yes.

KROFT: I mean, that sounds like an experience that would send lots of people to the psychiatric couch for many, many years. Was it difficult?

SOROS: Not, not at all. Not at all.

KROFT: No feeling of guilt?

SOROS: No.

“Of course he didn’t feel guilty. Soros has the moral depth of a clam. Nonetheless, he has said, “my goal is to become the conscience of the world.” In his article, Muravchik describes how Soros has admitted to having “carried some rather potent messianic fantasies with me from childhood, which I felt I had to control, otherwise they might get me in trouble.” Can you imagine the results of this messianic sociopath being “the conscience of the world?””

Later in the article we find this statement that should worry all of the supporters of Hilary Clinton. “Back to America. Soros has been actively working to destroy America from the inside out for some years now. People have been warning us. Two years ago Bill O’Reilly said on “The O’Reilly Factor” that “Soros [is] an extremist who wants open borders, a one-world foreign policy, legalized drugs, euthanasia, and on and on. This is off-the-chart dangerous....”

“In 1997 Rachel Ehrenfeld wrote, ‘Soros uses his philanthropy to change—or more accurately deconstruct—the moral values and attitudes of the Western world, and particularly of the American people. His “open society” is not about freedom; it is about license. His vision rejects the notion of ordered liberty, in favor of an ideology of rights and entitlements.’”

“Perhaps the most important of these “whistle blowers” are David Horowitz and Richard Poe. Their book “The Shadow Party” outlines in detail how Soros hijacked the Democratic Party, and now owns it lock, stock, and barrel. Soros has been packing the Democratic Party with radicals, and ousting moderate Democrats for years. I don’t have time to do the subject justice in this article, but FrontPage’s Jamie Glazov has an excellent interview with Richard Poe, which will fill you in on many of the facts.”

“Although Soros doesn’t (yet) own the Republican Party, like he does the Democrats, make no mistake, his tentacles are spread throughout the Republican Party as well.”

“Richard Poe writes, ‘Soros’ private philanthropy, totaling nearly \$5 billion, continues undermining America’s traditional Western values. His giving has provided funding of abortion rights, atheism, drug legalization, sex education, euthanasia, feminism, gun control, globalization, mass immigration, gay marriage and other radical experiments in social engineering.’” End of Quote

Here is a very interesting headline. Before I share it with you, please understand that I am in no way officially endorsing a presidential candidate.

Headline - **Globalist George Soros Fears Nationalist Donald Trump**...Posted on December 28, 2015 by Sundance - <http://theconservativetreehouse.com/2015/12/28/globalist-george-soros-fears-nationalist-donald-trump/>

“Evidence of the political pendulum swinging back to favor nationalists can be found amid the panic of globalists like George Soros. The godfather, and primary financier, of current global liberalism has penned an op-ed in the Guardian trying to convince Americans to vote against our own best interests. Soros is the most famous totalitarian globalist in the last two decades. Darth Soros despises freedom, hates individual liberty, and absolutely abhors the U.S. Constitution.”

“Soros views candidates Donald Trump and Ted Cruz as members of a nationalist rebel alliance who must be stopped at all costs.”

“... . As 2016 gets underway, we must reaffirm our commitment to the principles of open society and resist the siren song of the likes of Donald Trump and Ted Cruz, however hard that may be. ~ George Soros” End of Quote

Headline - **WHO IS FUNDING AND LEADING BLACK LIVES MATTER?** BARBARA J. STOCK on 1 Sept, 2015 <http://barbwire.com/2015/09/01/who-is-funding-and-leading-black-lives-matter/>

Which brings us to Black Lives Matter. In case there are people who don't know, **Black Lives Matter is funded by George Soros. Soros supports Hillary and supported Obama as well. Soros also funded Moveon.org. In fact, George Soros and the Clintons have a long and cozy history.**

"In a 1995 interview with Charlie Rose on PBS, Soros admitted how he controls politics in the this country...or tries to. "I like to influence policy. I was not able to get to George Bush (GHWB). But now I think I have succeeded with my **influence...I do now have great access in the (Clinton) administration. There is no question about this. We actually work together as a team.**" Isn't that grand! We, the American people had three presidents for the price of one: Bill, Hillary and the billionaire socialist George Soros directing policy." End of Quote

Final headline - **Soros** - The New American February 2, 2016 <http://osnetdaily.com/2016/02/soros-and-cfr-exploit-refugee-crisis-for-new-world-order/>

"After having literally created the refugee crisis from start to finish — destroying multiple Middle Eastern nations and then demanding that Europe accept the millions of displaced victims — the internationalist establishment is now exploiting the chaos it unleashed to push more globalism and statism. Europe, Africa, and the Middle East are all in the cross-hairs of billionaire George Soros, the global government-promoting Council on Foreign Relations, and other key globalist forces. Among other efforts, the refugee-crisis instigators are using the horror they unleashed as a pretext to erode what remains of national sovereignty in those regions — all while further empowering supranational institutions such as the United Nations, the European Union, the African Union, and even a globalist-backed "Middle East Union" yet to be formally unveiled. A new "Marshall Plan" and even an EU paramilitary force with unprecedented powers are also on the agenda, all on the road toward what establishment voices regularly refer to as a "New World Order."

"The New York Times, an establishment mouthpiece that dutifully promoted the globalist wars that sparked the refugee crisis, and then the subsequent flooding of the West with the victims of those wars, ran an op-ed pointing out that Germany was "on the brink" due to the crisis. Top European political bosses have also been sounding the alarm. . . . Rothschild banking dynasty protégé and billionaire hedge-fund boss Soros, played an instrumental role in encouraging the myriad wars and the subsequent tsunami of refugees into Europe that was sparked by those wars. And now, like other establishment voices, Soros is also pointing out the obvious. The European Union, he said in a recent interview, is "on the verge of collapse" due to the sudden influx of well over a million Islamic refugees last year. Not coincidentally, Soros also has ideas about "solutions." **And not surprisingly, those alleged "solutions" involve more globalism for Europe, Africa, and the Middle East — along with less sovereignty, self-government, and liberty.**" End of Quote

Jesus in his Mount Olivet Discourse gave to his disciples the course of events that would lead up to his return to this earth. In that message we find this verse Mat 24:9-10 KJV "Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name's sake. (10) **And then shall many be offended, and shall betray one another, and shall hate one another.**" Betrayal comes not from your enemies but from your own kind. The Jew, **GyÅrgy Schwartz, better known to the world as George Soros** has and will betray the Jewish people. The Puppet master has been corrupting American politicians to betray and destroy the American nation in order to create a "New

World Order!” One presidential candidate has been accused of having a message of populism. As the word is being used now, “Populism” is to protect the nation state and the citizens of the state. In the American election we are dealing with the American state and the welfare of its citizens. The elite, the establishment force is looking out for their role in the “New World Order.” They are betraying the American nation and people. Like puppets on the string they are corrupting and weakening all that is America. They hate anyone that will restore it to the greatness as it was intended to have.

A definition from WiseGeek.com - “Populist movements generally divide society into "the people" and "the elite," with individuals who have limited power being considered the people and individuals who have clout being among the elite. The elites typically are wealthy and often use their wealth to influence the political system while accruing more wealth. Populists typically feel that the government protects the interests of the elite, not the needs of the common people, and they want that to change.”

<http://www.wisegeek.com/what-is-populism.htm>

Personally, I think America could use some huge doses of “POPULISM!” A healthy America means a safer world. Shadowy like men like Mr. Soros are seeking to undermine the nations of the earth in favor of Globalism. They are creating the chaos making it possible for the Antichrist to rise. America is in their bull’s eye.

The Mystery of Iniquity is at work, I have pulled back the curtain just a little. You have seen the wizard behind that curtain. He and men like him intend to place the Antichrist on the throne of the world. Our opening text 2Th 2:7-12 KJV “For the **mystery of iniquity** doth already work: . . . because they received not the love of the truth, that they might be saved. (11) And for this cause God shall send them strong delusion, that they should believe a lie: (12) That they all might be damned who believed not the truth, but had pleasure in unrighteousness.” The truth is found in God’s Word, Jesus is that truth. If we don’t love that truth, delusion will come. We will believe a lie, and it will damn this nation and world to the most horrible time the human race has ever experienced.

The Message of the Month - The Mystery of Iniquity or The Puppet Master.” 2Th 2:7-12 KJV “For the **mystery of iniquity** doth already work:” This message will deal with the subject of this newsletter and be vital to your understanding what is happening right before your eyes. It seems to me that many Americans are shuffling with a zombie’s gate toward Socialism and slavery. The strong delusion is already taking hold. We are not far from the rapture of the church and the falling tribulation. This message is yours by request.

Moments in Bible Prophecy - Last month I told you that the business where I have had my postoffice box has had more than one location. The business is going through a time of consolidation. The store where my P O Box is located is being closed and my box is going away. The new self address envelopes has the church address on them. Please use the church address. If you have sent something and it was returned to you, please change the address and resend it. Everything you send is needed and a very special blessing.

Thank you for all you are doing.

Your Friend in Christ,
