Dear Friends,

What do the words Trump, Russia, Deep State, Shadow Government, Unmasking and Leaking have to do with each other? Are they in some way connected to the fulfillment of Bible Prophecy? Our news media is filled with them; 24/7 the propaganda is being pumped out to undermine the Trump Administration. It also seems like someone is trying very hard to agitate a war between America and Russia. Why are they doing that? A war between these two powers is certain to end in a nuclear nightmare. Why would anyone want that?

After many years of Bible reading, everything reminds me of scenes from the Bible. The first scene I see is one from the book of Daniel, Dan 6:1-2 KJV "It pleased Darius to set over the kingdom an hundred and twenty princes, which should be over the whole kingdom; And over these three presidents; of whom Daniel *was* first: that the princes might give accounts unto them, and the king should have no damage."

A new government had come to Babylon. The opposition had overthrown the ruling party. King Darius was in the process of setting up his government, choosing Daniel to be president over all of the kingdom. He chose him to make sure that king and kingdom would suffer no damage. In America we have no king. The will of the people is sovereign. The people chose Donald J Trump to be president of the country, so they would suffer no damage.

Before Daniel could hardly assume the duties of his office, the "deep state" went to work on him. Dan 6:4-5 KJV "Then the presidents and princes sought to find occasion against Daniel concerning the kingdom; but they could find none occasion nor fault; forasmuch as he *was* faithful, neither was there any error or fault found in him. Then said these men, We shall not find any occasion against this Daniel, except we find *it* against him concerning the law of his God." They did opposition research on him, spying, looking into every detail of his life, hoping for something to use against him. They could find nothing. So they invented something.

They decided to use Daniel's faith against him. They tricked King Darius into decreeing a law that could not be changed. They knew that they had set a trap Daniel would step into costing Daniel his life and the country the best friend it had. The "Deep State Shadow Government" was close to overthrowing King Darius' government. A law decreed that no one could pray for a thirty day period to any other but King Darius. Knowing that the law had been signed, Daniel went to his own home, opened his window and prayed toward Jerusalem. However, they were spying on Daniel and caught him praying. Taking the information to the King, they demanded that Daniel be cast into the Den of Lions, a death sentence.

Sound familiar doesn't it? America has its own deep state, a shadow government. The American people like King Darius have chosen their president so they would suffer no damage. This deep state or shadow

government has been apparently spying on every detail of President Trump's life as well as the lives of all those that are a part of his administration. They have been looking for anything they could use to destroy him and make it impossible for him to govern America. These actions have placed America in a very dangerous place.

### Headline - **OBAMAGATE: EXPOSING THE OBAMA DEEP STATE**

Obama's third term has begun. Our Republic is in danger. March 7, 2017 Daniel Greenfield

<http://www.frontpagemag.com/fpm/266022/obamagate-exposing-obama-deep-state-daniel-greenfield>

"It was always going to come down to this. One is the elected President of the United States. The other is the Anti-President who commands a vast network that encompasses the organizers of OFA, the official infrastructure of the DNC and Obama Anonymous, a shadow government of loyalists embedded in key positions across the government."

"A few weeks after the election, I warned that Obama was planning to run the country from outside the White House. And that the "Obama Anonymous" network of staffers embedded in the government was the real threat. Since then, Obama's Kalorama mansion has become a shadow White House. And the Obama Anonymous network is doing everything it can to bring down an elected government."

"The other half of the picture is the Obama Deep State. This network of political appointees, bureaucrats and personnel scattered across numerous government agencies is known only as Obama Anonymous."

"Obama Anonymous conducted its coup in layers. The first layer partnered congressional Democrats with OA personnel to retain control of as much of the government as possible by the Obama Deep State. They did it by blocking Trump's nominees with endless hearings and protests. The second layer partnered congressional Democrats with the deeper layer of Obama operatives embedded in law enforcement and intelligence agencies who were continuing the Obama investigations of Trump."

"This second layer sought to use the investigation to force out Trump people who threatened their control over national security, law enforcement and intelligence. It is no coincidence that their targets, Flynn and Sessions, were in that arena. Or that their views on Islamic terror and immigration are outside the consensus making them easy targets for Obama Anonymous and its darker allies."

"In its last days, Obama Inc. made it easier to pass along unfiltered personal information to the other agencies where Obama loyalists were working on their investigation targeting Trump. The NSA pipeline now makes it possible for the shadow White House to still gain intelligence on its domestic enemies."

"And the target of the shadow White House is the President of the United States."

"There is now a President and an Anti-President. A government and a shadow government. The anti-President controls more of the government through his shadow government than the real President."

"The Obama network is an illegal shadow government. Even its "light side" as an opposition group is very legally dubious. Its "shadow side" is not only illegal, but a criminal attack on our democracy."

"Obama no longer legally holds power. His Deep State network is attempting to overturn the results of a presidential election using government employees whose allegiance is to a shadow White House. Tactics that were illegal when he was in office are no longer just unconstitutional, they are treasonous."

“Obama Inc. has become a state within a state. It is a criminal conspiracy of unprecedented scope. Above all else, it is the most direct attack yet on a country in which governments are elected by the people, not by powerful forces within the government.”

**“Obama’s shadow government is not just a war on President Trump. It is a war on that government of the people, by the people and for the people. If he succeeds, then at his touch, it will perish from the earth.”**

**“Obama’s third term has begun. Our Republic is in danger.”** End of Quote

President Obama is simply a tool of the Globalist who wants a one-world government to control. The European Union is the heart of their kingdom. The enemy of their scheme is a strong nation-state. Every strong leader and independent state is targeted except for the Globalist. During the rule of President Obama, everything was being done to weaken America and use America to weaken other nations. Nation after nation has seen their governments fall and thus replaced with chaos. That is what the Syrian civil war is about. Donald J Trump was elected in hopes that he would reverse the destruction of America. His inspiration has caused other national leaders to push back on the Globalist. In Globalist’s view, this simply cannot be tolerated. It is all out war. Donald Trump must be destroyed.

In case you doubt that is their goal take a look at this message - VIDEO: **Ex-Obama Staffer Who Urged Spying On Trump Predicted ‘Quick’ Impeachment Weeks Before Election** by AARON KLEIN4 Apr 2017

“TEL AVIV – Speaking at a conference two weeks before the 2016 presidential election, Evelyn Farkas, a former top Obama administration official, predicted that if Donald Trump won the presidency he would “be impeached pretty quickly or somebody else would have to take over government,” Breitbart News has found. *Farkas goes on to say*, “And I am not even joking.” End of quote

It is no joke, the Globalist are willing to set the world on fire, and then rule what is left over.

That brings me to a second mental image from the Bible. It is from a prophecy sent by God to a future ruler of Russia. In this prophecy the Russian ruler is told that hooks would be placed into his jaw, and he would be pulled into the land of Israel to be destroyed. It seems to me that we are seeing that prophecy take place right before our eyes. I will place the modern names into the text below and then talk about its implications.

Eze 38:3-6 KJV “. . . Thus saith the Lord GOD; Behold, I *am* against thee, O Gog (*Putin*), the chief prince (*Rosh*) of Meshech (*Moscow*) and Tubal: And I will turn thee back, and put hooks into thy jaws, and I will bring thee forth, and all thine army. . . . Persia (*Iran*), Ethiopia, and Libya with them; all of them with shield and helmet: Gomer (*Germany*), and all his bands; the house of Togarmah (*Turkey*) of the north quarters, and all his bands: *and* many people with thee.”

Eze 38:8 KJV “After many days thou shalt be visited: **in the latter years** thou shalt come into the land

*that is* brought back from the sword, *and is* gathered out of many people, against the mountains of Israel, which have been always waste: but it is brought forth out of the nations, and they shall dwell safely all of them.”

The time of the fulfillment of this prophecy is after Israel has been restored as a nation. It appears to happen just after a treaty is signed, giving the illusion of peace and safety. It would also seem to indicate that the Russian ruler, perhaps Mr. Putin, does not really want to take this adventure but is forced due to the hooks in his jaw dragging him to destruction. It makes one wonder as to what those hooks are? Do they have anything to do with the “Daniel treatment” that President Trump is experiencing?

The Globalist have their sights on Russia and Vladimir Putin. He has watched governments around undermined and their leaders targeted. He knows that his nation is being threatened by their nefarious plans. So he has beefed up his military. He has made an alliance that looks like the one in the Book of Ezekiel. He is being drawn deeper and deeper into the quagmire.

I don't really think that is where he would like go at the moment. I think he might like to dial it back. He would really like to talk to the President of America. The Globalist are doing everything they can to keep that from happening. That is what the whole “Russian Collusion” thing is about. It is a fiction designed to keep the two nations apart until there is so much bad blood war is inevitable.

By Post Editorial Board April 3, 2017

“Do you suspect that the noise over Trump campaign contacts with the Russians is just a political hit arranged by Obama insiders before they left? You got fresh evidence of that Monday, with news that then-national security adviser Susan Rice was behind the “unmasking” of Trumpites in transcripts of calls with Russian officials. Again, nothing on the public record so far shows that anyone on Team Trump said anything improper on those calls.” End of Quote

President Trump would have liked to have had better relations with Russia. He knows that diplomacy between two nuclear powers is a far wiser choice than war. No one wins a nuclear war. Everyone loses. Mr Putin understands this. The Obama “Deep State,” which includes the main stream media, is building a wall between the two countries and leaders.

#### **Headline - Putin spokesman: US-Russia relations 'maybe worse' now than Cold War**

BY MAX GREENWOOD - 03/31/17

<http://thehill.com/policy/international/326666-putin-spokesman-us-russia-relationship-maybe-worse-now-than-during-cold>

**“The relationship between the U.S. and Russia may be more antagonistic now than it was during the decades-long Cold War, Russian President Vladimir Putin's top spokesman said Friday.”**

“Asked by ABC's "Good Morning America" host George Stephanopoulos if the U.S. and Russia were in a "new Cold War," Dmitry Peskov said the current situation may be worse, blaming the U.S. for disintegrating cooperation between the two countries.”

"New Cold War? Well, maybe even worse. Maybe even worse, taking into account actions of the present presidential administration in Washington," Peskov told Stephanopoulos. Peskov cited a decision to expel 35 Russian diplomats from the U.S. in December, which was made under former President Obama

and not President Trump.” End of Quote

What is written in the Bible concerning the future will happen. This is going to happen - Rev 6:4 KJV “And there went out another horse *that was* red: and *power* was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword.” I believe the rider of that horse will be the leader of Russia, it is looking more and more like that leaders name could be Vladimir Putin. This man will take peace from the earth causing men to kill each other. His “Red Army” will possess a great sword. Vladimir Putin possesses the most lethal killing machine in the world and he has a hook in his jaw pulling him into a death trap for the world.

God is restraining the events of Revelation chapter six. Until Jesus breaks their respective seals, none of the horses can ride. We must pray that this march to war can be dialed back. When the red horse is finally let lose, the outcome is too terrible to think about. Yet, God has warned us, so that we can make choices that will lead to peace. Ronald Reagan once stood where Donald Trump now stands; being informed of the same information we are looking at, he declared, “Not on my watch!” He bought the world time. Could Donald Trump buy the world additional time?

Headline - **Kremlin says Trump and Putin could mend tense relations** By Marisa Schultz April 2, 2017 <http://nypost.com/2017/04/02/kremlin-says-trump-and-putin-could-mend-tense-relations/>

“WASHINGTON – US-Russia relations “may be worse” than the Cold War, but a meeting between President Trump and President Vladimir Putin could mend divisions, Kremlin spokesman said Sunday.”

**“I think if two presidents meet each other, if they exchange views, then there will be a chance for our volatile relations to get better,” Dmitry Peskov said on ABC’s “This Week. ”**

Putin previously suggested the meeting could take place in July when Trump travels to Germany for the G-20 summit or at a later summit for the Arctic Council in Finland. He said Thursday that Russia is “ready” for the meeting, but will wait for politics to settle down for President Trump.

“We are waiting for the situation to normalize and become more stable,” Putin said Thursday. “And we aren’t interfering in any way.” Kremlin spokesman Peskov said allegations of Russia trying to interfere in the 2016 U.S. election are “fake news” and “slander.” “It has no evidence at all,” Peskov said. End Quote

The thing that gives me hope for America is the following passage Rev 12:13-14 KJV “And when the dragon (*Satan*) saw that he was cast unto the earth, he persecuted the woman (*Israel*) which brought forth the man *child* (*Jesus*). And to the woman were given two wings of a great eagle (*America*), that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time (*3 ½ years*), from the face of the serpent (*Satan*).” The Eagle must be great and independent of the one-world government, Antichrist and Satan to be able to come to Israel’s aid. That requires a leader who will not only work to make America great again but will look favorably upon Israel.

As I watch the President of the United States of America, Donald J. Trump, receive Daniel’s treatment, my hope and prayer is that just as in the Book of Daniel the men of the “Deep State” or “Shadow Government” perished in the very lion’s den they had prepared for Daniel, the evil, dastardly bunch responsible for the attacks on Trump will also perish by their own devices. God sent an angel to stand by Daniel’s side, and I know He can do the same for Donald Trump.

The hook is definitely in Vladimir Putin's jaw. The media and Globalist are doing all they can to put both Donald Trump and Vladimir Putin into the jaws of war. Peter tells us what that war will look like. He also tells us why it has not happened as of yet. God does not want men to perish, rather it is His desire that all men come to repentance. May God unite both Mr. Trump and Vladimir Putin's hands so they can dial back this insane march of death.

2Pe 3:9-12 KJV "The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance. (10) **But the day of the Lord (Tribulation) will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up. . . . Looking for and hasting unto the coming of the day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat?"**

God bless America and transform her into the Great Eagle. May He watch over our government. May God grant a continuing peace to Jerusalem!
