The Voice of New Mexico's Rural Electric Cooperatives

Central Valley
Electric Cooperative

November 2018

**A Salute
to All Who
Served**

Thank You Members

Central Valley Electric Cooperative would like to THANK everyone who came out to one of our Member Appreciation Events in October. We appreciate you taking the time to come and learn about the programs and services offered by your electric co-op.

Thank you to Coats Plumbing and HVAC for bringing the Coleman Cooling Trailer to demonstrate heating and cooling options, and to KZ93 for coming out and doing a live radio remote while cooking hotdogs and providing door prizes. Thanks also to Artesia General Hospital, Grammy's House and the Artesia Chamber of Commerce.

October 5, was National Co-op Connections Card Day and we would like to **THANK** the following Co-op Connections

Business Partners for donating door prizes: Amy Grantham Mary Kay, Apple Blossom Flower Shop, Artesia Arts Council/Ocotillo Performing Arts Center, Busy Bee Travel Agency, Chez Camille Salon, Gracies Women Clothing Boutique, Honey Depot, Leah Boone Tastefully Simple, and Simply Bello. We would also like to thank the Roswell Chamber of Commerce, the Red Coats and Pecos Flavors Winery & Bistro for helping our event in Roswell be a success.

PAINTED ROCKS: CVE placed painted rocks throughout our service area and people who found one could bring it to one of our Member Appreciation Events in October for a prize. Here are a few of the prize winners.

Do Something Powerful ...

Exercise your **RIGHT TO VOTE** on **Tuesday,**

November 6. It's one of the most precious rights we have as Americans.

CVE is a polling place for residents of Eddy County to cast their vote from 7 am to 7 pm.

CID Information Update

A meeting was held October 3, with utilities, New Mexico Oil and Gas Association, New Mexico Public Regulation Commission (NMPRC) staff, and Regulation and Licensing Superintendent Mike Unthank, as well as Deputy Superintendent Pat McMurray with the Construction Industries Division (CID).

The CID still needs to determine which facilities will no longer be inspected by CID, and they believe they don't have jurisdiction to inspect on federal properties. CID is working to get agreements that would give them authority to inspect on federal properties from federal entities such as the Bureau of Land Management, Bureau of Reclamation and the U.S. Forest Service. However, getting a settled proposal for the inspection of oil and gas facilities is a higher priority.

The process for the current proposal for oil and gas inspections will have customer-owned facilities installed by a licensed New Mexico contractor and then have the facilities inspected by a third party inspector. A form will be required to be signed by both the contractor and the third party inspector.

The deadline to have processes in place was October 31.

Capital Credit Checks

Help us check this off your list and ours too. All capital credit checks issued in the year 2018 must be cashed by **December 31, 2018.** Any check not cashed by that date will be voided.

If you have any questions please give us a call at 575-746-3571.

THANKSGIVING OFFICE CLOSURE

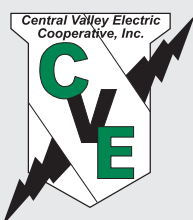

CVE will be **CLOSED, Thursday, November 22 & Friday, November 23,** to celebrate Thanksgiving with our families.
