WORDS FROM OUR CEO

Dear Club Families and Friends,

I want to take this opportunity to express our deep appreciation to all of you who volunteer your time and talent at our Boys & Girls Club. You are a large part of the success of the Club and our impact on the children, teens and families we serve. Thank you to those who have volunteered as mentors to support and encourage our members. You are helping youth succeed in school, make good decisions, and plan for their future. Thank you to those who have made contributions of any amount. You are helping to keep this high-quality program available for everyone – regardless of their ability to pay. Thank you to our Board of Directors. Your leadership and vision have helped us serve more youth with more impact. Thank you to service groups, churches and corporations that have donated shoes, clothes, school supplies, food, and holiday gifts to our families in need.

Together we are changing lives for the better and giving hope of an even better future.

Great futures really do start here – with YOU and Boys & Girls Club of Cypress.

Appreciatively,

Anne

Anne, Chief Executive Officer
and the entire Boys & Girls Club Team

Together we are changing lives for the better and giving hope of an even better future.

BGCC TEEN CENTER OPEN

The 2nd Annual BGCC Teen Center Open was held on Sunday, March 17th, 2019 at the beautiful Black Gold Golf Course in Yorba Linda. Event Chairs Charles Williams and Jon Peat were joined by 108 golfers on a warm and sunny St. Patrick's Day morning.

The day started with a delicious continental breakfast provided by Amanda Huizar and Karen Williams, while golfers registered. After warming up on the driving range, the golf carts rolled out onto the course at 8:00AM. Golfers enjoyed a host of snacks, beverages and games along the course. Vinny "the Pasta Man" Ciurluini demonstrated his world -champion long drive abilities and raised nearly $1,000 for the Teen Center. Several volunteer "leprechauns" toured the course throughout the tournament to ensure the golfers were having a great time.

After the tournament, the hungry golfers enjoyed a delicious pasta-buffet luncheon which included more than 100 raffle and auction items donated by local businesses and community members, and a game of Last Man Standing. Awards were presented to the Winning Golf Team "Beauty and the Beasts" (Amelia DeLazzer, David Ek, Pete Grant, Bob Sittman) and the Most Honest Team "Van Maanen and Crew" (Michael Morrison Sr., Sean Jenkins, Jim Nordeman, Tanner Van Maanen, and Mike Van Maanen).

Golfers and sponsors raised over $45,000 to help pay for the construction of the Boys & Girls Club of Cypress's Bandai Teen Center. Construction completed last week and new furnishings arrived in March. The new Bandai Teen Center will provide an additional 1,600 square feet to the Main Clubhouse, allowing more teens to join.

IT'S A S.T.E.A.M. SUMMER PROGRAM
JUNE 3 – AUGUST 2
9 WEEK PROGRAM

FULL STEAM AHEAD

This year's 9-week Summer Program is offered from June 3rd through August 2nd, Monday through Friday from 7:00am to 6:30pm with morning and afternoon snacks for all members. Each week has a different theme such as superheroes, space, mystery, nature, and more. Contributions from community members help the Club provide scholarship for families who qualify.

The Summer Program is appropriate for a wide range of ages and interests. The youngest members must have completed Kindergarten and be entering 1st grade. Tweens and Teens have their own program in our brand-new Bandai Teen Center with separate activities and field trips. Each week features theme-based group STEAM (Science, Technology, Engineering, Art, and Math) projects, sports activities, game tournaments, Club competitions, and much more. The Club's games room includes ping pong, foosball, pool tables, and a variety of electronic games.

Special interest classes and clubs are offered at no additional charge and include internet safety, health and nutrition, STEAM clubs, dance, leadership opportunities, cooking, and much more. Optional field trips are offered for an additional fee each week and include outings to exciting locations such as Big Air, Boomers, Thrill It, Glow Zone, and the ice skating.

VOLUNTEER SPOTLIGHT

Edward, an OA student, is known as the "Science Kid" at the Boys & Girls Club of Cypress and has provided an extensive interactive science program. This program teaches children about scientific principles through hands-on experiments, such as creating non-Newtonian fluids and Ferro fluids. His science group has conducted experiments with slime, rainbow milk, elephant paste, catapults and Cartesian divers - where the team learns about the concept of density. Our members have learned so much from Mr. Edward!

For more Information about getting involved or becoming a Boys & Girls Club of Cypress volunteer, please contact Mari Gomez our Community Connections Coordinator at mgomez@bgccypress.org or visit our website at BGCCypress.org/get-involved.

BANDAI TEEN CENTER

Boys & Girls Club of Cypress BANDAI Teen Center is open for 7th-12th grade youth. Teens now have their own 1600 square foot Clubhouse. The Clubhouse includes a separate entrance and exit, kitchen, learning center, patio, and social and recreational space. The Teen program staff provide activities and programs that include academic support, STEAM exploration, college and career readiness, fitness and life skills, character and leadership development, and service learning opportunities.

We would like to thank the Bandai Foundation, and Charles and Karen Williams for their very generous donations that are making this vision a reality. We also appreciate Bob Hoxsie and Hoxsie Construction for managing the entire project and doing so much of the work at cost. We are grateful to the generous support of our many donors and look forward to building the future of Cypress Teens.

Please help to support The CLUB for Teens and inspire great futures. Donate to the Bandai Teen Center by going online to BGCCypress.org or donating with the enclosed envelope.
