CLUB OUTLINE

CLUB INTRODUCTION

The Boys & Girls Club of Anaheim is a non-profit after school program-based organization impacting the youth of Anaheim through activities, mentorship, and educational opportunities.

Founded in 1989, the club established itself early on as a leader in youth development by providing quality programs and services to thousands of boys and girls in need of a safe and caring environment. The Club's Board of Directors is comprised of prominent members of the business community dedicated to youth development and beneficial outcomes.

In 25 years, the Boys & Girls Club of Anaheim has never turned a child away, instead it's recognized the dire need for services and accepted all children interested, expanding as necessary to accommodate the growing need.

COMMITMENT TO ANAHEIM

The City of Anaheim is made-up of diverse and multicultural communities that extend beyond the theme parks, sports teams, and convention center.

Among the community you are sure to find differing lifestyles ranging on a spectrum of high to very low income. The City of Anaheim counts with the highest number of children living below federal poverty line compared to both the county and nation. And, as the socioeconomic disparities continue to grow fewer support and resources are available to lower-income families.

In Orange County, the city of Anaheim ranks in the top five for juvenile probationers, within the city there are 1,800 gang members in 35 gangs. Thirty-three percent of 7th graders, 53% of 9th graders, and 67% of 11 graders reported trying or using alcohol and/or drugs. Research suggest that approaching at risk youth from a variety of angles and with a multitude of interventions yields the most positive results.

For this reason, the Boys & Girls Clubs of Anaheim remain committed to serving the community. Serving these children gives us the ability to impact their lives by ensuring they have positive role models, proper supervision, and educational reinforcement, while also building self-esteem to help develop sound moral values.

SUCCESS STORIES & TESTIMONIALS

"I interned for the Boys & Girls Club of Anaheim for a few months, I implemented and assisted in the programs they offer for the kids and I also researched new ideas for programs. What I saw in my time interning with them is a place of growth and commitment; commitment to the kids they serve by providing them a place to grow and feel safe. The club goes above and beyond for youth and their families by providing classes and donations to the families who need the help. In working with low income families I saw my calling. I now work for CalWorks

providing low income families with the adequate training and disbursement that they require. My time at the Boys & Girls Clubs of Anaheim was inspiring and it helped further along my career."

SERVING OUR COMMUNITY

Creating a Safe Environment

Our newest location at Manzanita Park near the 91 freeway and Harbor Blvd. was a problematic area known for heavy gang activity, high drug use and high crime. Seldom used by families, the community was afraid to utilize the park. Since our opening in May of 2016, we have seen families come back to enjoy the park – even coming in the evening and running a Zumba class.

Providing Assistance

With help from our partners at Second Harvest Food Bank and The Raise Foundation, we run monthly food distributions for the community serving 500+ families.

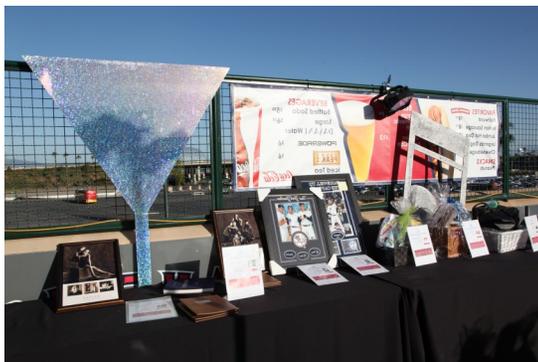

Expanding Possibilities

Through our partnership with St. Catherine's Academy, we were able to provide eight students an opportunity to attend some of the finest schools in the state. This partnership goes beyond grades K-8 and provides these young men the possibility of attending Servite High School under full scholarship.

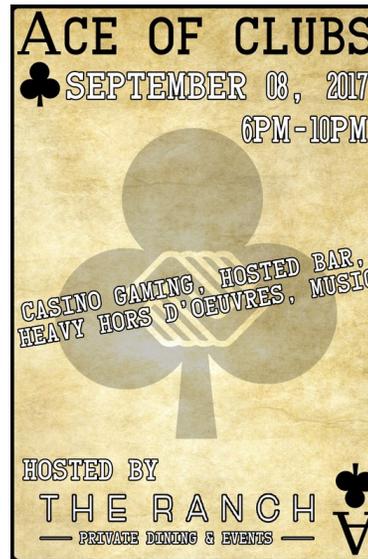

SPECIAL EVENTS: ANNUAL GALA

Our gala is Anaheim's largest fundraising event of the year, with over 350 guests in attendance, each contribution helps make a difference in the lives of our members. The event takes place at Angels Stadium in Anaheim, with food, fund, dancing, and more! Proceeds from this event help support operations at the Boys & Girls Clubs of Anaheim. In previous years, supporters have helped raised an average of \$160,000 at this wonderful event.

SPECIAL EVENTS: ACE OF CLUBS

Held at The Ranch Restaurant, Ace of Clubs is the Clubs annual fall fundraising event. Featuring beer and wine tastings, hors d'oeuvres, a silent auction, and casino gaming tables – guest have fun while giving back. Raising an average of \$50,000 at these events, funds go directly into helping our Motel Kids & Priority Neighborhoods outreach programs.
