7 on 7 Prayer Event

August 30th, 4 PM @ an NKY Campus of Your Choice

Suggested Flow: Feel free to follow this or customize for your team!

Gather together and plan.

1. Map out where your group will be circling.
2. Some campuses have multiple schools right next door etc. so you can break up into smaller groups to hit multiple locations if you prefer. Each group will then walk around a designated area of that campus 7 times (as per Joshua chapter six), praying as they walk. The area does not have to be the entire campus. It can be the hub of the campus or just athletic fields or even just around a field.

Walk and Pray (Encourage social distancing)

1. Begin walking the route and pray as you feel led.
2. If you have specific prayer requests from contacts at the school, awesome! If not, you can reach out to any coaches/athletes, etc. you know at that school and ask how you can pray for them today.
3. See below for suggested prayer points

Close w/Lord's Prayer, take group photo + text to Nate (859-608-3114)

Overtime

We'd love for this event to be a catalyst for an ongoing prayer team for our campuses. This would include the on-site prayer walk you just completed and a commitment to a day/time that you would pray for your school of choice weekly during the school year.
