

Sprint Retrospective

“... is an opportunity for the Scrum Team to inspect itself and create a plan for improvements to be enacted during the next Sprint.”

(The Scrum Guide 2017)

- Occurs after the Sprint Review and prior to the next Sprint Planning
- Scrum Master ensures that
 - the event takes place
 - that attendants understand its purpose
 - that the meeting is positive and productive
- The Sprint Retrospective provides a formal opportunity to focus on inspection and adaption

“The purpose of the Sprint Retrospective is to:

- Inspect how the last Sprint went with regards to people, relationships, process and tools
- Identify and order the major items that went well and potential improvements
- Create a plan for implementing improvements to the way the Scrum Team does its work” *(The Scrum Guide 2017)*
