### A Message From OPEF Board Chairman, Brandon McFadden

# WELCOME BACK!

I hope you all enjoyed a wonderful summer break and are excited as we embark on another fantastic school year at OPUSD!

The Oak Park Education Foundation (OPEF) remained active during the break, administering a successful Summer School program at OPHS and MCMS. We are very happy to be able to support our students who are looking for advancement, enrichment, and remediation during the summer vacation.

OPEF made a significant financial commitment to all schools last year, and I am thrilled to announce to you that our Board of Directors recently voted to approve the required funding to continue to support existing staff and programs for this year. However, we will only be able to sustain and aspire to do more if we achieve our fundraising goals together this year.

Many families have heard our appeal and understand the need for financial support. They have given generously as we return back to school. Thank you for your support! If you have not yet made your OPEF donation, we implore you to support your children's education at a level that is meaningful for your family. We will continue to work with district and school administration, as well as each school's individual PTA or PFA, in order to effectively invest your gift. Here is currently where your money is invested for 2019-2020 school year:

Elementary Schools' K-3 Instructional Aides  
Medea Creek Middle School's additional Counselor  
Oak Park High School's Assistant College Counselor  
Funding support for Odyssey of the Mind,  
Rocket Club, Choir, Debate, & Cheer  
2020 Summer School Program at OPHS & MCMS

Gratefully,

**Brandon McFadden**  
OPEF Board Chairman

### Fundraising Update: Where We Are to Goal + Donor Participation Contest!

\$138,900

\$500K GOAL

It is important for OPEF to increase the donation participation this year. Your donation of any amount allows OPEF to continue to support the important programs listed below and look to the future. Whether you give to OPEF the suggested \$1,000 per family, or any amount comfortable for your family, your gift will help change the landscape of our children's education in all K-12th school grades.

And do not forget, **through September 30, 2019, OPEF is conducting a donor participation contest amongst the seven (7) Oak Park schools.** In order for each school to get credit and place 1st-3rd in the participation contest, each parent that donates ANY AMOUNT to Oak Park Education Foundation will be given credit. After September 30th, all the parent donors for each school will be tallied up. The payout for each school site is below and will be paid out to each PTA/PFA.

1st Place - \$1,500  
2nd Place - \$1,000  
3rd Place - \$750

### OPUSD Splash'd Back to School with OPEF!

Oak Park Education Foundation kicked-off the 2019-2020 school year with a summer picnic at the Oak Canyon Community Park. Many OPUSD families were in attendance from all schools throughout the district, and they were treated to a grand welcome back to school from the OPHS marching band & cheerleaders. [Read more...](#)

### Wondercode Thanks OPEF for their Partnership!

"I hope you are having a wonderful summer. I would just like to thank you again for everything you did for WonderCode. I cannot thank you enough. [\[Here are\] some pictures](#) from the class and the Walt Disney Animation Studios tour, which again was thanks to Drew Hazelton for being our liaison. Thank you so much for everything!"

- Sabrina Stone
