- 1.20 **“Lance Properties”** shall mean those leases producing or that may produce Hydrocarbons within Campbell, Johnson, and Sheridan Counties in the State of Wyoming in which Lance holds mineral and/or leasehold interests pursuant to Instruments held by Lance as of the Past Claim Date for which Royalties were paid or may be paid in the future except for leases held by non-Settlement Class Members pursuant to Instruments. - 1.30 **“Past Claim Date”** shall mean August 1, 2013.

- 1.34 **“Preliminary Approval Order”** shall mean the order in a form similar to Exhibit D entered by the Court after the Preliminary Approval Hearing provisionally certifying a class for settlement purposes, approving the form of the Settlement Class Notice, and directing that notices be provided to the Potential Settlement Class Members as soon as practicable.
- 1.35 **“Prior Period Adjustments”** shall mean an increase or decrease of a Settlement Class Member’s Royalties due to (i) updated volume or pricing information from an unaffiliated third-party or (ii) a retroactive revision to a participating area in a federal unit due to a decision from the Bureau of Land Management (“BLM”).

In the event that the actual transportation fee paid by Lance to MIGC is less than 35 cents, then for those volumes of Lance’s gas receiving the lesser rate, the 21 cents credit shall be reduced for such volumes by the same monetary amount per MMBtu by which the rate paid by Lance on MIGC is less than 35 cents. It is understood the Recognized Allowable Permitted Deductions are the only deductions ever permitted from Settlement Class Members’ Royalties for Pre-Demarcation Point Costs except as set forth in this Agreement.
- 1.37.1 On the fifth year anniversary of this Agreement, determined as August 1, 2018, and every three years thereafter, the twelve (12) cents per wellhead MMBtu Recognized Allowable Permitted Deductions in Paragraph 1.37 shall be adjusted by the percentage change in the Consumer Price Index (CPI-U). The formula for the first adjustment shall be based on the CPI-U, using the percentage change in the CPI-U between August 1, 2013, and August 1, 2018. The subsequent adjustments shall be for every three years thereafter using the CPI-U index for the first month and last month in the thirty six month period. The percentage adjustment shall be multiplied by the 12 cents amount, with the resulting sum added (or subtracted in the event of deflation) to such amount to determine the adjusted amount of the 12 cents component of the Recognized Allowable Permitted Deductions. The “CPI-U” for purposes of determining the adjustment of the 12 cents shall be determined by the Consumer Price Index published by the U.S. Department of Labor, Bureau of Labor Statistics, CPI-U, for the U.S. City Average for All Items, 1982-

84=100. In the event that the CPI-U Index is no longer published, the Parties shall use as a substitute for such Index an inflation figure published by the State of Wyoming Division of Economic Analysis for the State of Wyoming. Exhibit E provides an example of the CPI-U adjustment.

- 1.37.2 Recognized Allowable Permitted Deductions may be reported by Lance on Royalty Payees' check stub or other attachment to the form of payment as part of the transportation charge reported by Lance. The Parties and Settlement Class Members agree that such reporting complies with and does not change the requirements of royalty reporting in the Settlement Agreement, effective December 11, 2009, and the *Order Certifying Settlement Class and Approving Class-Wide Settlement Agreement*, dated March 8, 2010, in the matter entitled *The Sandra K. Lange Trust et al. v. Lance Oil & Gas Company, Inc.*, Civil Action No. 29635, Sixth Judicial District Court, State of Wyoming.
- 1.38 “**Recognized Escrow**” shall mean the escrow account opened by Lance pursuant to the *Act*, separate and apart from the escrow created for the Settlement Amount, to be used by Lance prospectively to account for any royalties purposes required by the *Act*.
- 1.39 “**Representations**” shall mean those representations set forth in Paragraph 2.8 of this Agreement.
- 1.40 “**Reserved Claims**” shall mean:
- 1.40.1 Claims relating to price, volume or decimal interest arising out of clerical errors, as well as any counterclaims or defenses Lance may have related to such claims, if asserted. It is understood and agreed that such reserved claims or counterclaims apply only to individual claims unique to certain Royalty Payees and not to Settlement Class Members as a whole since any such common claims or counterclaims are included in Settled Claims.
- 1.40.2 Claims arising out of any Prior Period Adjustments required pursuant to Paragraph 2.5.3, as well as any counterclaims or defenses Lance may have related to such claims, if asserted.
- 1.40.3 Claims for unpaid Royalties on Hydrocarbons produced after January 2007 for which no entry is shown for the relevant Settlement Class Member(s) for the subject production month and year in the electronic data provided to Class Counsel identified in Exhibit F, as well as any counterclaims or defenses Lance may have related to such claims, if asserted. It is understood and agreed that such reserved claims or counterclaims apply only to individual claims unique to certain Royalty Payees and not to Settlement Class Members as a whole since any such common claims or counterclaims are included in Settled Claims.

- 1.40.4 Claims made in that certain litigation entitled *Kenneth B. Geer v. Lance Oil & Gas Company, Inc.* filed in the Sixth Judicial District as Civil Action No. 32940 as of the Effective Date.
- 1.41 “**Royalties**” shall mean the obligation to make payments to Settlement Class Members for royalty, overriding royalty, and/or other mineral interests covered by this Agreement associated with the production of Hydrocarbons from the Lance Wells and/or other wells drilled and which may now or in the future produce Hydrocarbons from the Lance Properties.
- 1.42 “**Royalty Administration**” shall mean the procedures and requirement set forth in Paragraph 2.5 for Royalty Payment Methodology.
- 1.43 “**Royalty Payment Methodology**” shall mean the methodology provided for at Paragraph 2.4 below for the payment of Royalties by Lance or its successor on Hydrocarbons produced from the Lance Wells and other wells drilled and which may produce from the Lance Properties on and after the Past Claim Date. The Royalty Payment Methodology shall not be applied to those Settlement Class Members being paid according to the Alternate Payment Methodologies as identified and further explained in paragraphs 1.16 and 2.4.5.
- 1.44 “**Royalty Payees**” shall mean those persons or entities listed on Exhibit A.
- 1.45 “**Settled Claims**” shall mean and include the following:
- 1.45.1 For claims against Lance and/or the Lance Additional Released Parties, “Settled Claims” shall mean any and all claims, demands, rights, liabilities, and causes of action of every nature and description whatsoever, including interest, attorney fees, and penalties, whether known or unknown, asserted or unasserted, and whether in contract, or tort, or based on statute, or any other legal or equitable ground or theory including but not limited to the *Act*, or duties arising under implied covenants, if any, or any other duties arising under the law, that are held by Class Representatives and/or Settlement Class Members that constitute or in any way relate to or arise from or arise out of the Hydrocarbon Royalty Claims, excepting only Reserved Claims.
- 1.45.2 For claims asserted or which could have been asserted by Lance, “Settled Claims” shall mean and include any and all claims, demands, rights, liabilities, and causes of action of every nature and description whatsoever, including interest, attorney fees, and penalties, whether known or unknown, asserted or unasserted, and whether in contract, or tort, or based on statute, or any other legal or equitable ground or theory including but not limited to the *Act*, or duties arising under implied covenants, if any, or any other duties arising under the law, that are held by Lance that constitute or in any way relate to or arise from or arise out of Over Payment Claims that Lance has or could assert, including those for recoupment or as counterclaims, against Class Representatives and/or Settlement Class Members, excepting only Reserved Claims.

- 1.51 “**Settlement Order and Judgment**” shall mean the order and judgment to be entered after the Settlement Hearing and pursuant to Wyo.R.Civ.P. 23(d), in substantially the form of Exhibit G, providing that (i) the Settlement Class Members are bound by the settlement approved by the Court, (ii) the Settlement Class should be finally certified, (iii) the terms of the settlement as set forth in this Agreement should be approved, (iv) the composition of the Settlement Class is approved, (v) Class Counsel’s application for Attorney’s Fees and Litigation Costs to be paid from the Lance Settlement Amount is approved, and (vi) such other matters deemed appropriate by the Court should be approved. Plaintiffs and Lance agree that the Settlement Order and Judgment entered pursuant to this Agreement shall be a final judgment pursuant to Rule 54(b), Wyoming Rules of Civil Procedure, and further agree that the form of order will provide for entry of final judgment so as to dispose of the Settled Claims and approved expenses in accordance with Rule 54(b).
- 1.52 “**Statutory Interest**” shall mean interest provided for under Wyoming law, including interest pursuant to Wyo. Stat. § 30-5-303(a) for any alleged late payment, underpayment, or nonpayment of Disputed Deductions Claims and Late Payment Claims.
- 1.53 “**Statutory Interest Claims**” shall mean any claims for Statutory Interest.
- 1.54 “**Uncashed Settlement Class Members**” shall mean those Settlement Class Members, if any, whose Distribution Checks are not endorsed and presented to payor banks within 270 days after the Distribution Date.

## **2. SETTLEMENT**

Plaintiffs, Settlement Class Members, and Lance mutually agree to the settlement, release and dismissal of all Settled Claims with prejudice, whether or not pled or alleged, including all of the Lance Overpayment Claims against Settlement Class Members, under the terms and conditions set forth in this Agreement and the Exhibits to this Agreement.

### **2.1 Preliminary Approval Hearing; Determination of Portion of Total Settlement Amount Due to Settlement Class Members**

- 2.1.1 The Parties agree that (i) no persons other than Settlement Class Members may rely upon the Representations and (ii) the formation of a Settlement Class for the Settled Claims is not and shall not be construed or used as an admission in the Class Suit or any subsequent litigation or proceeding regarding any fact or any substantive or procedural issue nor constitute an agreement as to the certification of a class with respect to the Reserved Claims.
- 2.1.2 Lance has provided Class Counsel the last known address, tax identification numbers, and internal owner numbers for Potential Settlement Class Members as reflected in Lance's corporate records. Lance agrees to endeavor to provide additional information regarding Potential Settlement Class Members as reasonable and necessary to ensure the best notice practicable. Lance also agrees to cooperate reasonably with Class Counsel to provide additional information as may be reasonable and necessary to make distribution to Settlement Class Members in the best manner practicable.
- 2.1.3 Plaintiffs shall move the Court for a Preliminary Approval Hearing requesting that such hearing be held as soon as practically possible. Presently, the Preliminary Approval Hearing is scheduled for June 5, 2013, before the Honorable Michael N. Deegan. The Class Representatives and Class Counsel shall make the determination of the amounts to be paid to each Settlement Class Member, subject to the approval of the Court. The Class Representatives and Class Counsel have determined the allocation of the Lance Settlement Amount as set forth in Paragraph 1.21. It is acknowledged and agreed that Lance has not had and will have no role in or responsibility for such allocation. Lance takes no position (neither agrees nor disagrees) and shall take no position with regard to any allocation proposed by Class Representatives or approved by the Court.

### **2.2 Permissible Attorneys' Fees; Payment of Litigation Costs and Payment of Administration Costs**

- 2.2.1 Attorneys' Fees and Litigation Costs shall be paid out of the Lance Settlement Amount, subject to approval by the Court as embodied in the Settlement Order and Judgment.
- 2.2.2 Plaintiffs and Class Counsel are responsible for communicating, coordinating, distributing and administering any matters pertaining to this settlement and the

Lance Settlement Amount among or with the Potential Settlement Class Members and the Settlement Class Members.

### **2.3 Lance's Obligation to Pay Lance Settlement Amount**

- 2.3.1 On or before June 15, 2013, Lance shall pay the Lance Settlement Amount into escrow with the First Interstate Bank, through the Casper, Wyoming Branch ("Escrow Agent"). Lance shall pay all applicable Escrow Agent fees as it is the intent of the Parties no part of the Lance Settlement Amount shall be used to pay fees of the Escrow Agent. After the Lance Settlement Amount is paid into the escrow account, Lance shall have no further obligation or responsibility with regard to the Settlement Amount.
- 2.3.2 Upon the occurrence of the Approval Event, Lance agrees that the Escrow Agent may release to Class Counsel the Lance Settlement Amount less any sums attributable to Opt-Out Claimants, including interest, if any, due to such Opt-Out Claimants as provided Paragraph 1.19, so that Class Counsel may accomplish the distribution of funds and interest as required by this Agreement and the Settlement Order and Judgment. Any sums attributable to Opt-Out Claimants shall be returned to Lance upon the occurrence of the Approval Event.
- 2.3.3 Class Counsel shall make available to Lance any tracking records for Settlement Class Notices. Lance may copy, at its own expense, all such tracking records for its own records. Lance may, at its own expense, obtain from Class Counsel a copy of the monthly statements for the banking accounting distributing the Distribution Checks and, if available, copies of Distribution Checks.
- 2.3.4 Within 270 days after the Distribution Date, Class Counsel shall pay amounts attributable to uncashed checks for Uncashed Settlement Class Members to the Escrow Agent for escrow as provided under Wyo. Stat. §30-5-302. Amounts paid to the Escrow Agent for Uncashed Settlement Class Members shall thereafter be transferred to the Recognized Escrow established by Lance pursuant to Paragraph 1.38 above and held in the name and ownership of the individual Settlement Class Member and paid when and if required by the *Act* or the terms of the escrow agreement.

### **2.4 Royalty Payment Methodology and Lance's Obligation for Payment of Royalties**

- 2.4.1 Lance, Settlement Class Members, and the Class Representatives, hereby agree to be bound prospectively by the Royalty Payment Methodology. Lance, the Lance Settlement Class Members and Class Representatives agree that the Royalty Payment Methodology shall: (1) constitute an agreement that otherwise expressly provides for the calculation and payment of Royalties by specific language in an executed written agreement under Section 305(a) of the *Act*; (2) amend any different or contrary provisions under the Instruments concerning calculation and payment of Royalties; and (3) constitute the whole of the

obligation imposed upon Lance prospectively for the calculation and payment of Royalties. No other obligations, now or in the future, express or implied, shall be imposed upon Lance with respect to the calculation and payment of Royalties other than those set forth expressly in this Agreement. It is the intent of the parties that the Royalty Payment Methodology shall fully satisfy Lance's legal obligations for the calculation and payment of Royalties under the applicable Instruments, statutes, and law.

- 2.4.2 The provisions hereof shall be appurtenant to and run with the land and the respective interests of Lance, Class Representatives, and the Settlement Class Members in the Hydrocarbons produced or to be produced from the Lance Wells and from wells drilled and which may produce Hydrocarbons from the Lance Properties.
- 2.4.3 Settlement Class Members who are paid Royalties, on and after the Past Claim Date shall be paid Royalties based upon Realized Proceeds less Recognized Allowable Permitted Deductions.
  - 2.4.3.1 Realized Proceeds shall be the volume weighted average sales price per MMBtu actually received by Lance or its affiliates from any first sale(s) of Hydrocarbons to non-affiliated parties less the volume weighted average cost per MMBtu (including fuel and other charges except as provided in paragraph 2.4.3.2) as charged by contract and incurred by Lance or its affiliates downstream of the Demarcation Point(s) to the first point of sale to non-affiliated parties.
  - 2.4.3.2 The costs netted from the volume weighted average sales price in the Realized Proceeds calculation of Paragraph 2.4.3.1 shall not include costs associated with the following: Pre-Demarcation Point Costs except as otherwise provided for in this Agreement, unused reservation fees, stranded gas fees, or like charges for services that are committed or reserved but not used. Lance may only deduct contractual charges imposed by third parties not affiliated with Lance downstream of the Demarcation Point(s), and any contractual arrangements that are made to credit, discount, reduce or otherwise offset such costs or charges shall be shared proportionately with Settlement Class Members.
  - 2.4.3.3 From Realized Proceeds, Lance may then deduct the Recognized Allowable Permitted Deductions to compute the Royalty obligation by applying the net amount so calculated to the Royalty share of wellhead MMBtu production volume.
  - 2.4.3.4 As part of the Royalty Payment Methodology Lance may also deduct taxes from the royalty share, but this Agreement shall not address how taxes are to be calculated or deducted as those issues

are pending in *Kenneth B. Geer v. Lance Oil & Gas Company, Inc.* filed in the Sixth Judicial District as Civil Action No. 32940.

- 2.4.4 Nothing in this Paragraph 2.4 is intended to affect, and nothing herein shall be deemed to affect, payments for, or rights or obligations concerning payments for Royalties due pursuant to contracts not classified as Instruments under this Agreement.
- 2.4.5 The Royalty Payment Methodology shall not include Lance Wells or Lance Properties for Settlement Class Members for whom Lance recognizes or is paying Royalties according Alternate Payment Methodologies. It is the intent that such Settlement Class Members being paid by Alternate Payment Methodologies will not be affected or bound by the Royalty Payment Methodology, and shall continue to be paid by Alternate Payment Methodologies as to those Settlement Class Members' non-Instrument contracts as defined in this Agreement.
- 2.4.6 Except as specifically provided in Paragraph 2.5, Royalties under the Royalty Payment Methodology shall be paid commencing not later than six (6) months after the first day of the month following the date of first sale and thereafter not later than sixty (60) days after the end of the calendar month within which subsequent production is sold.

## **2.5 Transition, Accounting and Administration Concerning Royalty Payment Methodology**

- 2.5.1 Lance and Plaintiffs acknowledge that Lance may need to make system changes to accommodate the Royalty Payment Methodology. For the production period from the Effective Date of this Agreement through the end of the last production month commencing not more than one hundred and twenty (120) days following the Approval Event, Lance may pay according to its present methodology without liability to the Settlement Class members for using that methodology. For production months thereafter, Lance shall pay Royalties in conformance with the Royalty Payment Methodology.
- 2.5.2 Upon Lance's conversion to the Royalty Payment Methodology pursuant to 2.5.1, all subsequent Prior Period Adjustments paid shall conform to the Royalty Payment Methodology. For said Prior Period Adjustments, Lance shall have 90 days beginning upon receipt of the updated volume or pricing information or the BLM decision to either (i) escrow proceeds from the affected wells into the Recognized Escrow or (ii) pay the Prior Period Adjustments to Royalties so affected without obligation to pay any interest.
- 2.5.3 For any Prior Period Adjustments that Lance has received the updated volume or pricing information or the BLM decision prior to the Past Claim Date but has not paid said Prior Period Adjustments before the Past Claims Date, Lance shall have 90 days beginning on the Past Claims Date to either: 1) escrow proceeds

from the affected wells into the Recognized Escrow; or 2) pay the Prior Period Adjustments to Royalties so affected without obligation to pay any interest.

2.5.4 For Prior Period Adjustments not paid or escrowed in conformity with the time frames set forth in paragraphs 2.5.2 and 2.5.3 above, Lance shall pay interest as follows:

- i. For the period up to and including ninety (90) days for which Lance is not in conformity with the time frames set forth in paragraphs 2.5.2 and 2.5.3 above, Lance shall pay interest on the Royalties paid at the rate of Seven Percent (7%) per annum based upon the United States Rule.
- ii. For the period from the ninety-first (91) day through and including the three hundred sixty-fifth (365) day for which Lance is not in conformity with the time frames set forth in paragraphs 2.5.2 and 2.5.3 above, Lance shall pay interest on the Royalties paid at the rate of Nine Percent (9%) per annum based upon the United States Rule.
- iii. For the period from the three hundred sixty-fifth (365) day for which Lance is not in conformity with the time frames set forth in paragraphs 2.5.2 and 2.5.3 above, Lance shall pay interest on the Royalties at the rate of Eighteen Percent (18%) per annum based upon the United States Rule.

2.5.4.1 Interest under Paragraph 2.5.4, subparagraphs (i), (ii), or (iii) shall not begin to run until the end of the 90-day period in Paragraph 2.5.3.

2.5.4.2 Regardless of the provisions for the payment of interest in paragraph 2.5.4, Lance shall never pay more than the rate of interest provided in the *Act*.

2.5.5 The Parties agree Lance may only adjust the Recognized Permitted Allowable Deductions according to the provisions of Paragraph 1.37.1 and Exhibit E to this Agreement.

2.5.6 The Parties also recognize that agreements concerning sales and movement of Hydrocarbons may change in the future. These changes may affect appropriate Demarcation Points subject to this Agreement. The Parties agree that a new Demarcation Point or Points may be designated by Lance provided they are consistent with the intent of the Demarcation Points set forth in Paragraph 1.7 and it complies with the following:

2.5.6.1 Lance need not request prior consent to apply or use a new Demarcation Point but within one-hundred eighty (180) days of the use of the new Demarcation Point shall provide to Settlement Class Members affected by

the proposed change (“Affected Settlement Class Members”) notice of any changes in a Demarcation Point.

2.5.6.2 Affected Settlement Class Members shall have ninety (90) days in which to respond or otherwise object to the changes. If no objections are submitted by the Affected Settlement Class Members, then the changes shall be effective as of the date instituted and for periods requested by Lance, and Lance shall be deemed to have complied with the Royalties Payment Methodology. If objections are submitted and Lance and the objectors are unable to reach an agreed resolution, then the objectors shall submit the matter to the Court for determination upon such schedule as the Court deems appropriate.

## **2.6 Recordation of Settlement Order and Judgment:**

After the Approval Event, either of the Parties may, at its option and expense, file a copy of the Settlement Order and Judgment, together with this Agreement and any or all Exhibits, and may also file at its sole election and expense a short form of notice of the Settlement Order and Judgment with the appropriate County Clerk and Recorder, accompanied by the legal descriptions of the lands or leases under which the Lance Wells produce, and which includes a reference to the Settlement Order and Judgment in the Court’s docket in order to assure notice of this Agreement to successors and assigns of the Parties and the Settlement Class Members.

## **2.7 Entry of Settlement Order and Judgment**

- 2.7.1 Plaintiffs and Class Counsel acknowledge that they will take all steps necessary, individually and jointly, to obtain entry of the Preliminary Approval Order substantially in the form of Exhibit D.
- 2.7.2 The Parties further agree that, in connection with the Settlement Hearing, they shall stipulate to and cooperate to obtain the entry of the Settlement Order and Judgment substantially in the form of Exhibit G. The Settlement Hearing is presently set for August 1, 2013 before the Honorable Michael N. Deegan.
- 2.7.3 Upon approval of the Settlement by the Court and within ten (10) days after release of the Lance Payable Settlement Sum from escrow, Plaintiffs shall file a satisfaction of judgment substantially in the form of Exhibit C.

## **2.8 Representations**

As to the following information provided to Plaintiffs, Lance represents to the best of its knowledge as follows:

- 2.8.1 The electronic data provided to Class Counsel and Class Representatives as described in Exhibit F hereto (hereinafter “Data”) identifies those instances known to Lance in which Lance’s accounting records indicate it paid Royalties to Potential Settlement Class Members through the accounting month of December 2012 attributable to production of Hydrocarbons from the Lance Wells;

- 2.8.2 Lance is not aware of any payment of Royalties by Lance to Potential Settlement Class Members through the payment month of December 2012 attributable to production of Hydrocarbons from the Lance Wells that are not identified in the Data;
- 2.8.3 The Data reflects the volumes of Hydrocarbons produced from the Lance Wells consistent with each of the Settlement Class Member's decimal interest paid by Lance in the Lance Wells as recorded by Lance's production and revenue accounting systems;
- 2.8.4 The Data identifies those persons who received Royalties from Lance through the payment month of December 2012 attributable to production of Hydrocarbons from the Lance Wells as reflected in Lance's royalty and accounting records; and
- 2.8.5 The Data was produced to Plaintiffs by Lance in good faith and from Lance's accounting records.

## **2.9 Covenant to Cease Deductions or Adjustments**

Upon the occurrence of the Approval Event, as to Settlement Class Members and for Hydrocarbons produced from Lance Wells and from other wells drilled and which may produce from the Lance Properties after the Past Claim Date, Lance agrees to cease taking deductions or making adjustments contrary to the provisions of the Royalty Payment Methodology.

## **2.10 Requests for Exclusion by Potential Settlement Class Members**

Any Potential Settlement Class Member (other than Plaintiffs) may request not to participate as a Settlement Class Member by submitting a timely request for exclusion in accordance with the Preliminary Approval Order and the Settlement Class Notice; provided, however, a Potential Settlement Class Member shall not be entitled to Opt-Out as to only a part or portion of the claims belonging to such Potential Settlement Class Member.

- 2.10.1 Any Potential Settlement Class Member who submits a timely request for exclusion, and who does not revoke that request in accordance with procedures established by the Court is an Opt-Out Claimant. An Opt-Out Claimant is deemed to have waived any and all claims to any part of the Lance Settlement Amount and to other consideration under this Agreement.
- 2.10.2 A Potential Settlement Class Member who submits a timely request for exclusion, but who thereafter revokes in accordance with the procedures established by the Court, will be deemed to be a Settlement Class Member and not an Opt-Out Claimant.
- 2.10.3 Plaintiffs agree to (i) participate as Settlement Class Members; (ii) not request exclusion; (iii) not object to the Court's approval of this Agreement and the settlement set forth therein; and (iv) affirmatively present their support for final

judicial approval of this Agreement and the settlement set forth in the Agreement.

- 2.10.4 Neither Plaintiffs, Class Counsel, Lance, nor Lance's counsel shall in any way encourage or counsel any Potential Settlement Class Member to opt out of the class, object to the settlement, appeal from an order approving the class or the settlement, or seek to reduce the size of the class.
- 2.10.5 Plaintiffs and Lance waive any right to appeal or collaterally attack the Settlement Order and Judgment if it is entered substantially in the form of Exhibit G and conforms to the terms of this Agreement.
- 2.10.6 Within five (5) days after Class Counsel receive a request for exclusion from a Potential Settlement Class Member, they shall deliver to Lance's counsel a copy of the request.
- 2.10.7 All Opt-Out Claimants shall have any applicable statute of limitation tolled for a period of six months following the Approval Event.

## **2.11 Entry of Judgment**

Class Representatives, Settlement Class Members, and Lance intend and agree that the Settlement Order and Judgment shall provide that the Settled Claims shall be released, extinguished, and forever discharged as provided in the Agreement.

## **2.12 Release of Settled Claims**

Upon the occurrence of the Approval Event and upon the release for distribution of the Lance Settlement Amount, Class Representatives and Settlement Class Members, and their respective heirs, devisees, successors, assigns, trustees, executors, and administrators agree as follows:

- 2.12.1 Class Representatives, individually and on behalf of each member of the Settlement Class, and Settlement Class Members, and each of them, hereby release, acquit, hold harmless, and forever discharge Lance for and from any and all Settled Claims arising from payment of Royalties on production of Hydrocarbons prior to the Past Claim Date. Without limiting the foregoing in any way, the release and discharge provided by this Paragraph extends to and includes all such Settled Claims that were asserted or could have been asserted in the Class Suit and extends to and includes any costs, expenses, attorney fees, penalties, or any other losses associated therewith.
- 2.12.2 Lance, individually and on behalf of its affiliates, hereby releases, acquits, holds harmless, and forever discharges Class Representatives, individually and on behalf of each member of the Settlement Class, and Settlement Class Members, and each of them, for and from any and all Settled Claims arising from payment of Royalties on production of Hydrocarbons prior to the Past Claim Date. Without limiting the foregoing in any way, the release and discharge provided

by this Paragraph extends to and includes all such Settled Claims that were asserted or could have been asserted in the Class Suit and extends to and includes any costs, expenses, attorney fees, penalties, or any other losses associated therewith.

### **2.13 Court's Settlement Orders**

Plaintiffs and Lance further agree, and the Court's orders shall provide, that:

- 2.13.1 As of the Approval Event, any Potential Settlement Class Member who has not timely and properly opted out of the Class shall be deemed, by that fact, to have released Lance from Settled Claims and to have agreed to the Royalty Payment Methodology, whether or not the Potential Settlement Class Member endorses and presents a Distribution Check.
- 2.13.2 The foregoing release of the Settlement Class Claims made by Plaintiffs and Settlement Class Members is effective to release any interests or claims of Class Counsel against Lance with respect to the Settlement Class Claims and the Settled Claims.
- 2.13.3 As of the Approval Event, Settlement Class Members shall be deemed, by that fact, to have agreed and accepted the provisions of the Agreement, including but not limited to Paragraphs 2.4 and 2.12.
- 2.13.4 The releases and agreements set forth herein shall constitute a full and complete defense to any action, claim or proceeding brought by any Settlement Class Member with respect to the Settled Claims, and shall also constitute a full and complete defense to any action, claim, or proceeding brought by the Settlement Class Members' respective heirs, successors, and assigns for such claims, except for any action for Reserved Claims or to enforce the terms of this Agreement.
- 2.13.5 The releases and agreements set forth herein shall constitute a full and complete defense to any action, claim or proceeding brought by Lance with respect to the Settled Claims, and shall also constitute a full and complete defense to any action, claim, or proceeding brought by Lance's respective successors and assigns for such claims, except for any action for Reserved Claims or to enforce the terms of this Agreement.

### **3. EFFECT OF DISAPPROVAL**

Plaintiffs, Settlement Class Members, and Lance further agree as follows:

#### **3.1 District Court Disapproval**

If for any reason the Settlement Order and Judgment is not approved or entered by the Court in accordance with this Agreement and in a form substantially similar to Exhibit G:

- 3.1.1 This Agreement shall terminate except Lance shall be obligated to pay Administration Costs;
- 3.1.2 Any order(s) or judgment(s) entered pursuant to this Agreement shall be vacated, including any order for severance of the Reserved Claims;
- 3.1.3 The Class Suit against Lance shall proceed as if this Agreement and its terms had never been executed;
- 3.1.4 This Settlement Agreement, its terms and all negotiations relating thereto may not be used in this Class Suit, any other proceedings or otherwise for any purpose except to the extent necessary to enforce this Agreement; and
- 3.1.5 The Escrow Agent shall return to Lance the Lance Settlement Amount, together with accrued interest, net of any incurred escrow expenses.

#### **3.2 Appeal Following District Court Approval**

In the event an appeal is taken from the Court's entry of the Settlement Order and Judgment, and no stay of the Settlement Order and Judgment has been entered (and no such stay exists by operation of law), Lance and the Class Representatives may, notwithstanding the pendency of the appeal, agree to waive any unsatisfied condition for release of the Lance Settlement Amount and otherwise agree to consummate this Agreement.

#### **3.3 Disapproval on Appeal**

If, for any reason, any appeal from the Court's entry of the Settlement Order and Judgment results in something less than full approval of the settlement on terms substantially equivalent to those set out herein, either Lance or the Class Representatives may withdraw from and terminate the settlement but such right must be exercised within twenty (20) days after the appellate decision becomes final. In the event either Lance or the Class Representatives elect to withdraw from and terminate the settlement:

- 3.3.1 This Agreement shall terminate except Lance shall be obligated to pay Administration Costs;
- 3.3.2 Any order or judgment entered pursuant to this Agreement shall be vacated, including any order for severance of the Reserved Claims;

- 3.3.3 The Class Suit against Lance shall proceed as if this Agreement and its terms had never been executed;
- 3.3.4 This Agreement, its terms, and all negotiations relating thereto shall be inadmissible and not subject to use, for any purpose, in this Class Suit, any other proceeding, or otherwise for any purpose except to the extent necessary to enforce this Agreement; and
- 3.3.5 The Escrow Agent shall return the Lance Settlement Amount, together with accrued interest, to Lance net of any incurred escrow expenses.

- 4.7 The waiver by any Party to this Agreement of the breach of any provision shall not constitute a waiver of any subsequent breach of the same or any other provision.
- 4.8 The Parties have entered into this Agreement after investigation of the facts, examination of the respective claims (whether asserted or unasserted), controversies, disputes and defenses, and due consultation with counsel and experts. The Parties acknowledge that they may discover facts different from or in addition to those which they now know or believe to be true. **ORDER ON CLASS REPRESENTATIVES’ MOTION FOR PRELIMINARY APPROVAL, HEARING  
AND PROVISIONAL CERTIFICATION OF THE LANCE SETTLEMENT CLASS**

---

Plaintiffs and Class Representatives’ *Stipulated Motion for Preliminary Approval of Class Settlement Agreement and Notice to Potential Class Members* (“Motion”) came before the Court on \_\_\_\_\_. The Plaintiffs and Class Representatives appeared through Cody L. Balzer, J. Nicholas Murdock and Timothy Pearse, and the Defendant appeared through Mark R. Ruppert. The Court reviewed the materials filed in the matter as part of the Motion, including the Settlement Agreement between the Plaintiffs/Class Representatives and Anadarko E&P Onshore, LLC, successor to Lance Oil & Gas Company, Inc. (“Anadarko”).

THE COURT HEREBY FINDS AND IT IS HEREBY ORDERED:

1. Plaintiffs filed a suit against Anadarko alleging individual claims and class action claims seeking, among other things, declaratory, injunctive and compensatory relief. Plaintiffs sought and obtained certification of a class, including Plaintiffs, under Wyo.R.Civ.P. 23(b)(2) for declaratory and injunctive relief, and a class under Wyo.R.Civ.P. 23(b)(3) for money damages. Plaintiffs were named Class Representatives (hereafter “Class Representatives”) and Plaintiffs’ counsel was named as Class Counsel (hereafter “Class Counsel”).
2. Anadarko and the Plaintiffs participated in mediation in April of 2013 with the Honorable Michael J. Sullivan acting as mediator. Following that mediation, and as a result of subsequent negotiations in April and May 2013, Class Representatives and Anadarko agreed to settle this action on the terms now memorialized in the Settlement Agreement, executed by and between the parties on \_\_\_\_\_, 2013 (the “Settlement Agreement”). The Settlement Agreement is attached as Exhibit 1 to the Motion and is incorporated fully herein. All capitalized terms used in this Order and not defined herein shall have the meanings set forth in the Settlement Agreement. In the event of any conflict between the descriptions in these paragraphs and the more detailed terms of the Settlement Agreement, the Settlement Agreement shall control.
3. This suit involves claims brought under the *Wyoming Royalty Payment Act*, Wyo. Stat. §§ 30-5-301, et seq. including Late Payment Claims, Disputed Deduction Claims, Statutory Interest Claims, and Attorneys’ Fees Claims, as those terms are defined in the Settlement Agreement.
4. The Court has jurisdiction and venue over this suit and the Settlement Class. Under Wyo.R.Civ.P. 23(e), this Court’s approval of any settlement is required.

5. The Settled Claims as defined in the Settlement Agreement all arise from the same nucleus of operative facts and form part of the same case or controversy as alleged against Anadarko in Plaintiffs' Second Amended Complaint so that all of the Settled Claims approved for settlement by this Order were or could have been asserted as class claims in this Action.
6. There are in excess of 3,000 Settlement Class Members and they are so numerous that joinder is impractical.
7. There are questions of law and fact common to the Settlement Class Members and Plaintiffs.
8. The questions of law and fact common to the Settlement Class Members predominate over any questions affecting only individual members, and a settlement of Settlement Class Members' Settled Claims by a class action under Wyo.R.Civ.P. 23 is superior to other available methods for the fair and effective settlement and adjudication of the controversy.
9. Plaintiffs' Settled Claims are typical of the Settlement Class Members' Settled Claims.
10. Class Representatives are appropriate representatives of the Settlement Class and have and will fairly and adequately represent the interests of the Settlement Class Members.
11. Settlement Class Members have no special interest in individually controlling the prosecution of separate actions.
12. Class Counsel is experienced and fully qualified to participate in the settlement as contemplated by the Settlement Agreement.
13. No significant difficulties are likely to be encountered in the management of the Settlement Class as defined in Paragraph 14 and the Settled Claims for settlement purposes.

14. Subject to the provisions of Paragraph 17 of this Order and in accordance with the provisions of Wyo.R.Civ.P. 23, the Court certifies as potential members of the Anadarko Settlement Class the Royalty Payees as set forth in the list of Class Members attached as Exhibit A to the Settlement Agreement (“Settlement Class”). The Settlement Class is and shall be inclusive of those *Addison* Suit and *Barlow* Suit named plaintiffs as identified in the Motion as these owners should have the opportunity to participate in this settlement.
15. The Court approves Class Representatives as representatives of this Settlement Class and further approves Class Counsel to represent the Settlement Class.
16. The Court finds that the proposed settlement as provided in the Settlement Agreement is fair and reasonable under the circumstances. This finding and determination is subject to the Court’s further review of objections, if any, filed with regard to the class settlement according to the terms of the Settlement Agreement.
17. The certification of the Settlement Class is only for the purpose of settlement and not for any other purpose in this litigation. This certification is subject to the Court’s further review of objections, if any, filed with regard to the class settlement according to the terms of the Settlement Agreement. If settlement of the class claims is not finalized, the certification of the Settlement Class provided herein shall be void and have no further effect but the Court’s previous certification of the litigation class shall remain in full force and effect.
18. The Court finds that reasonable and adequate notice of the settlement will be given to Potential Class Members by providing via *United States Postal Service Priority Mail* the Notice attached as Exhibit 2 to the Motion and is incorporated fully herein (“Notice”). Each Potential Class Member will

be sent the individual information with regard to the “least amount that is likely to be received” by that Potential Class Member if the Approval Event occurs.

19. A hearing to consider objections, if any, to the Settlement Class and to finally determine if the Settlement Agreement is fair, reasonable and equitable shall be heard at the County Courthouse on August 1, 2013, located at Gillette, Wyoming, commencing at 9:00 a.m. (“Final Settlement Hearing”).
20. Any potential member of the Settlement Class who desires to be excluded from the Settlement Class shall deliver that member’s election to be excluded to Class Counsel on or before July 15, 2013 (“Deadline for Exclusion”). Any Potential Class Member may revoke that member’s election to be excluded from the settlement class by delivering such written revocation to Class Counsel in writing on or before July 22, 2013. Class Counsel shall file with the Court a report (“Class Counsel’s Report”) on or before July 25, 2013, to provide to the Court a compilation of (a) all potential class members who have opted out of the settlement class (“Opt Out Claimants”), (b) all Opt Out Claimants who have properly revoked their election to opt-out and (c) those Potential Class Members who shall constitute the Settlement Class if finally approved by the Court at the Final Settlement Hearing.
21. Any objections to the Settlement Agreement or the Settlement Class shall be delivered to Class Counsel before July 17, 2013. Within five (5) days of Class Counsel’s receipt of such objections, a copy of any objection will be sent to counsel for Anadarko. If an objector wishes to appear and orally present that objector’s objection and basis therefore at the Final Settlement Hearing, the objector must provide notice of such intent on or before July 25, 2013. Class Counsel shall file with the Court as part of

Class Counsel's Report a compilation of the objections and Class Counsel's responses to the objections, if any.

DATED this \_\_\_\_ day of \_\_\_\_\_, 2013.

Exhibit E

Adjusting the \$0.12 rate under Paragraph 1.37.1 of the Agreement using the CPI-U involves changing the base payment by the percent change in the level of the CPI-U between the reference period of August 1, 2013 and first five year anniversary of August 1, 2018. The subsequent adjustments shall be for every three years thereafter using the CPI-U index for the first month and last month in the thirty six month period and applying the percentage change in the CPI-U to the most recent rate in effect (“base rate”). The adjustment is calculated by first determining the index point change between the beginning and ending months of the period and then the percent change. Then the percent change is applied to the \$0.12 rate and the product is rounded up or down to the nearest one-tenth of one cent for the adjustment to the \$0.12 rate. The adjustment is then added to (or subtracted from, as applicable) the \$0.12 rate for the new rate to be used before another three year readjustment of the new base rate is due. The following example illustrates the computation of percent change and hypothetical adjustment of the \$0.12 rate to a \$0.142 rate assuming a hypothetical August 1, 2018, CPI-U:

CPI for August 2018	275.0
Less CPI for August 2013	233.0
Equals index point change	42.0
Divided by previous period CPI	233.0
Equals	0.18
Result multiplied by 100	0.18 x 100
Equals percent change	18.0%
Multiply percent change by \$0.12	18.0% x \$0.12
Equals applicable adjustment to 12 cent rate	\$0.0216
Rounded adjustment plus the base 12 cent rate	\$0.022 + \$0.12
Equals the rate used for August 2018 through August 2021 and the new base rate to be adjusted in August 2021.	\$0.142

**ORDER ON FINAL HEARING, FINAL CERTIFICATION OF ANADARKO  
SETTLEMENT CLASS, AND APPROVAL OF ANADARKO CLASS SETTLEMENT**

---

Pursuant to the provisions of the Court's *Order on Class Representatives' Motion for Preliminary Approval, Hearing and Provisional Certification of the Anadarko Settlement Class* ("Preliminary Order"), as well as the provisions of the *Notice of Pendency of Class Action Proposed Settlement with Defendant Anadarko E&P Onshore, LLC, successor to Lance Oil & Gas Company, Inc.* ("Class Notice") provided to Settlement Class members as provided in the Preliminary Order, a final hearing on the reasonableness and fairness of the proposed settlement in this class action was held on

August 1, 2013, at the County Courthouse in Gillette, Wyoming, before the Honorable Michael N. Deegan. At the hearing, Cody L. Balzer, J. Nicholas Murdock and Timothy Pearse appeared and represented the Class Representatives and Settlement Class as Class Counsel, and Mark R. Ruppert, appeared and represented the Defendant Anadarko E&P Onshore, LLC, successor to Lance Oil & Gas Company, Inc. (“Anadarko”).

Pursuant to Wyo.R.Civ.P. 23 and 54, the COURT FINDS AND ORDERS AS FOLLOWS:

1. Plaintiffs filed a suit against Anadarko alleging individual claims and class action claims seeking, among other things, declaratory, injunctive and compensatory relief. Plaintiffs sought certification of a class, including Plaintiffs, under Wyo.R.Civ.P. 23(b)(2) for declaratory and injunctive relief, and a class under Wyo.R.Civ.P. 23(b)(3) for money damages. The Court certified the class, ordering that the Plaintiffs would serve as Class Representatives and Plaintiffs’ counsel would serve as Class Counsel.

2. As a result of negotiations, the parties agreed to settle this action on the terms now memorialized in the Settlement Agreement, executed by and between the parties (the “Settlement Agreement”). The Settlement Agreement is attached as Exhibit 1 to the *Stipulated Motion for Preliminary Approval of Class Settlement Agreement and Notice to Potential Class Members* (“Motion”), and incorporated fully herein. All capitalized terms used in this Order and not defined herein shall have the meanings set forth in the Settlement Agreement. In the event of any conflict between the descriptions in these paragraphs and the more detailed terms of the Settlement Agreement, the Settlement Agreement shall control.

3. This suit involves claims brought under the *Wyoming Royalty Payment Act*, Wyo. Stat. §§ 30-5-301, et seq. including Late Payment Claims, Disputed Deduction Claims, Statutory Interest Claims and Attorneys' Fees Claims, as those terms are defined in the Settlement Agreement.

4. The Court has jurisdiction and venue over this suit and the Settlement Class. Under Wyo.R.Civ.P. 23(e), approval of this Court is required for any settlement and dismissal of this action.

#### **Certification of the Settlement Class**

5. The Settled Claims as defined in the Settlement Agreement all arise from the same nucleus of operative facts and form part of the same case or controversy as alleged against Anadarko in Plaintiffs' Second Amended Complaint so that all of the claims approved for settlement by this Order were or could have been asserted as class claims in this Action.

6. The Settlement Class Members are so numerous that joinder is impractical.

7. There are questions of law and fact common to the Settlement Class Members and Plaintiffs.

8. The questions of law and fact common to the Settlement Class Members predominate over any questions affecting only individual members, and a settlement of Settlement Class Members' Settled Claims by a class action under Wyo.R.Civ.P. 23 is superior to other available methods for the fair and effective settlement and adjudication of the controversy.

9. Plaintiffs' claims are typical of the Settlement Class Members' claims.

10. Plaintiffs are appropriate representatives of the Settlement Class and have and will fairly and adequately represent the interests of the Settlement Class Members.

11. Settlement Class Members have no special interest in individually controlling the prosecution of separate actions.

12. Class Counsel is experienced and fully qualified.

13. No significant difficulties are likely to be encountered in the management of the action as a class action for settlement purposes.

14. The Court hereby certifies as members of the Settlement Class the list of Royalty Payees set forth in Exhibit 1-A to this Order. This list includes all Royalty Payees who have not opted out of the class by filing a timely notice of their request to be excluded from the Settlement Class. Set forth in Exhibit 1-B are those Royalty Payees who have opted out of the class by notifying the Court of their election to be excluded from the Settlement Class and have not timely revoked their election.

**Notice of Pendency of the Class Action Proposed Settlement And Hearing**

15. Pursuant to the Preliminary Order, and Wyo.R.Civ.P. 23(e), Class Counsel provided notice to the parties listed on Exhibits 1-A and 1-B of the compromise and settlement reached in this action via the Class Notice. A copy of the Class Notice is attached as Exhibit 2 to the Motion and is incorporated fully herein (“Notice”).

16. According to the *Report on Status of Class Notice Pursuant to Wyo.R.Civ.P. 23(c)(2)* filed with this Court by Class Counsel (“Class Counsel’s Report”), the Notice was sent via *United States Postal Service Priority Mail* to all parties listed on Exhibits 1-A and 1-B. *Class Counsel’s Report* confirms (1) \_\_\_\_\_ objections were filed to

the Class Settlement and (2) the Royalty Payees on Exhibit 1-A remained as Settlement Class Members.

17. Reasonable and adequate notice of the certification of the Settlement Class and the settlement of the Settlement Class Members' Settled Claims was given through mailing of the Notice as approved in the Court's Preliminary Order.

**Approval of the Settlement Agreement**

18. The settlement was made in good faith.

19. The Settlement Agreement constitutes a fair, adequate and reasonable settlement of all Settled Claims.

20. This Court finds after considering all the circumstances that the Settlement Agreement is fair, equitable and reasonable and should be approved.

**NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREEED THAT:**

a. The Settlement Class Members listed in Exhibit 1-A are certified as a class under Wyo.R.Civ.P. 23 for purposes of settlement only of Settled Claims, and shall proceed with settlement as provided in this Order and the Settlement Agreement;

b. As of the Approval Event, any Settlement Class Member who has not timely and properly opted out of the Settlement Class shall be deemed, by that fact, to have released Anadarko and Anadarko Additional Parties from all Settled Claims as provided in the Settlement Agreement whether or not the Settlement Class Member endorses and presents a Distribution Check;

c. Following the Approval Event, each Settlement Class Member as defined shall become fully bound by all of the releases of Settled Claims and fully

bound by other obligations and conditions as set forth herein and in the Settlement Agreement, including but not limited to the Royalty Payment Methodology;

d. Except as necessary to enforce this Order and the Agreement, Plaintiffs, Settlement Class Members and their heirs, assigns, and successors are forever barred from bringing claims against Anadarko or Anadarko Additional Parties for Settled Claims as set forth in the Settlement Agreement.

e. Anadarko has escrowed with the First Interstate Bank, Casper Branch (“Escrow Agent”) the sum of Six Million One Hundred and Fifty Thousand Dollars (\$6,150,000.00) Dollars (“Escrow Amount”) in accordance with the Settlement Agreement.

f. The date of distribution of the Escrow Amount shall be \_\_\_\_\_, 2013.

g. The Escrow Amount shall have accrued interest in the amount of \$\_\_\_\_\_ through the date of distribution. All such interest should be payable to Settlement Class Members. Class Counsel will receive no portion of the interest.

h. The aggregate amount to be paid from the Escrow Amount to Plaintiffs and Settlement Class Members, including interest, is and shall be \$\_\_\_\_\_ (“Settlement Amount”), which amount shall be paid to Class Members by Class Counsel in the amounts as set forth in Exhibit 2 to this Order.

i. The reasonable fees and costs of Class Counsel are and shall be \$\_\_\_\_\_ (“Permissible Class Counsel Fees”), which amount shall be paid to Class Counsel. Included in Permissible Class Counsel Fees are Administration Costs and Litigation Costs.

j. Upon entry of this Order, and satisfaction of the Approval Event, as that term is defined in the Settlement Agreement, Anadarko and Class Counsel shall instruct the Escrow Agent to release from the Escrow Account all funds to be paid according to the Settlement Agreement. This amount will be released per the Settlement Agreement to pay the amounts to be distributed to Settlement Class Members, the Permissible Class Counsel Fees, and to refund to Anadarko that portion of the Escrowed Amount attributable to those sums that would have been paid to Potential Class Members listed in Exhibit 1-B to this Order who have requested to be excluded from the Settlement Class.

k. No funds will remain in the Escrow Amount after release of the funds and the refund to Anadarko except for those returned under the timing and requirements of the Settlement Agreement.

l. The Court shall retain jurisdiction to the extent provided in the Settlement Agreement.

m. Upon entry of this Order, and satisfaction of the Approval Event, as that term is defined in the Settlement Agreement, the Reserved Claims as that term is defined in the Agreement will be deemed severed from the Settled Claims and will be dismissed without prejudice.

n. Upon entry of this Order, and satisfaction of the Approval Event, as that term is defined in the Settlement Agreement, Class Counsel and Defendant shall file a stipulated satisfaction and order of dismissal with prejudice of all Settled Claims as defined in the Settlement Agreement. The order of dismissal with prejudice of the Settled Claims shall be entered by the Court and shall be considered a final appealable

order under Wyo.R.Civ.P. 54. To the extent such may be necessary in light of the Reserved Claims, this Order is hereby certified as final and appealable under Wyo.R.Civ.P. 54(b).

o. This Order affects the interests in real property identified on the list attached to the Settlement Agreement as Exhibit B held by Settlement Class Members listed in Exhibit 1-A to this Order.

DONE IN OPEN COURT this 1st day of August, 2013.

**NOTICE OF PENDENCY OF CLASS ACTION PROPOSED SETTLEMENT WITH  
DEFENDANT LANCE OIL & GAS COMPANY, INC.**

---

**TO: THE POTENTIAL MEMBERS OF THE “LANCE SETTLEMENT CLASS”**

**IMPORTANT NOTICE: This is an Official Notice of a Class Action Proposed Settlement Sent to you Under Court Order. Your Legal Rights May be Affected by This Notice.**

**PLEASE READ THIS NOTICE CAREFULLY.**

This Notice of Settlement Does Not Require You to Do Anything. Please Feel Free to Talk to Your Own Attorney and Tax Advisor Concerning This Notice. **IF YOU TAKE NO ACTION WHATSOEVER AND THE LANCE SETTLEMENT IS APPROVED, YOU WILL RECEIVE A CHECK FOR THE APPROXIMATE AMOUNT OF FUNDS AS SET FORTH IN THE ATTACHMENT 1 TO THIS NOTICE AFTER FINAL COURT APPROVAL.** The Class Representatives and Lance Have Reached a Settlement That Has Been Preliminarily Approved By the Court. **YOU NOW HAVE AN OPPORTUNITY TO DETERMINE WHETHER TO PARTICIPATE IN THIS SETTLEMENT OR NOT.**

**THE CLASS ACTION PROPOSED SETTLEMENT IS DESCRIBED BELOW:**

## **1. WHY YOU SHOULD READ THIS NOTICE:**

In February 2013, a *Notice of Class Action Certification* was sent to potential class members, providing general information about the lawsuit and further informing you that the Honorable Michael N. Deegan, presiding judge, certified a litigation class for purposes of a trial on the merits. The notice also stated the Plaintiffs were appointed class representatives (“Class Representatives”). Since that time, the original defendant merged into Anadarko E&P Onshore, LLC and the case will proceed against Anadarko E&P Onshore, LLC, the successor to Lance Oil & Gas Company, Inc. (“Lance”). The caption for the case was changed to reflect that merger.

This notice is sent to inform you about the proposed settlement of the class action previously certified by the Honorable Michael N. Deegan. The Class Representatives brought this lawsuit (the “Lance Lawsuit”) against Lance on behalf of royalty payees (including overriding royalty payees) who have or will receive royalty payments from Lance for coalbed methane produced in the Powder River Basin within Campbell, Johnson and Sheridan Counties in the State of Wyoming. The Court has preliminarily approved the settlement. As explained below, you may be entitled to benefits under this settlement if you do not opt-out of the settlement and the Court finally approves the settlement.

You may be a member of the class of royalty payees defined below who are entitled to be part of a proposed settlement of the Lance Lawsuit. In this notice, the settlement is referred to as the “Lance Settlement” and the class of Lance royalty payees covered by the Settlement is referred to as “Lance Settlement Class.” The Court has appointed the Class Representatives as class representatives for the Lance Settlement Class in addition to the litigation class.

This Notice describes who is eligible to participate in the proposed Lance Settlement, the nature of the Lance Lawsuit, the benefits of the proposed Lance Settlement and some factors to consider in making your decision concerning the Lance Settlement. This notice also explains that the Honorable Michael N. Deegan will hold a final fairness hearing to decide whether to approve the Lance Settlement at the District Courthouse in Gillette, Wyoming on August 1, 2013, at 9:00 a.m. This notice describes your legal rights in connection with the Lance Settlement, the hearing and the Lance Lawsuit. The notice also explains your choices with regard to the Lance Settlement. Basically, you may:

- (1) Remain in the Lance Settlement Class, receive the benefits of the Lance Settlement and release certain claims as explained in this Notice (See Section 6 of this Notice if you wish to do this);
- (2) Exclude yourself from the Lance Settlement Class and not release any claims but also not be entitled to the benefits of the Lance Settlement (See Section 7 of this Notice if you wish to do this); or
- (3) Remain in the Lance Settlement Class but object to the Lance Settlement (See Section 8 of this Notice if you wish to do this).

## **2. WHAT IS A CLASS ACTION?**

A class action is a type of lawsuit in which named Plaintiffs bring a suit on behalf of all of the members of a similarly situated group to recover damages and other relief for the entire group, without the necessity of each member filing an individual lawsuit, incurring expenses or appearing as an individual plaintiff. Courts use class actions when the claims raise common issues of law or fact, making it fair to bind all class members to the orders and judgments in the case, without the necessity of multiple lawsuits. If, as part of the class action, a settlement is reached, then the settlement on a class basis is presented to the Court and potential members of the class are given notice of the settlement.

## **3. THE LANCE LAWSUIT**

Class Representatives on behalf of themselves and all other similarly situated royalty payees filed the Lance Lawsuit against Lance in June of 2011. The Lance Lawsuit seeks monetary, declaratory and injunctive relief against Lance for a class of non-excluded individuals and non-governmental entities who Class Representatives allege have not received full or timely payments from Lance for methane gas production from coal seams in wells located within

Campbell, Johnson and Sheridan Counties in the Powder River Basin of Wyoming (“Hydrocarbons”). The Lance Settlement Class excludes (a) governmental entities; (b) Indian tribes; (c) individuals or entities that are indicated to be working interest owners by the business records of Lance; and (d) Lance or any of its predecessors, affiliates or subsidiaries and any employees or officers thereto.

The Lance Lawsuit continues to be before the Honorable Michael N. Deegan, District Judge of the Sixth Judicial District, State of Wyoming. In the Lance Lawsuit, the Class Representatives allege Lance failed to fully or timely pay royalties to members of the Lance Settlement Class in accordance with the requirements of the *Wyoming Royalty Payment Act* (Wyo. Stat. § 30-5-301, *et. seq.*). More specifically, Class Representatives allege in the Lance Lawsuit that Defendant Lance is liable to the Lance Settlement Class for unpaid or underpaid royalty and statutory interest both in terms of payments made beyond the deadlines of the *Wyoming Royalty Payment Act* (“Late Payment Claims”) and for deductions that Class Representatives’ allege were taken contrary to Wyoming law and the *Wyoming Royalty Payment Act* (“Deduction Claims”). Class Representatives also assert claims for attorneys’ fees and costs as permitted by Wyo. Stat. § 30-5-303(b).

Lance generally denies all of Class Representatives’ claims and any wrongdoing or liability to the Lance Settlement Class, in any amount, in connection with the claims asserted in the Lance Lawsuit. Lance also asserts various affirmative defenses and counterclaims alleging that Lance has the right to equitably recoup amounts it was entitled to deduct but did not deduct from royalties of the Lance Settlement Class (“Lance Counterclaims”). More specifically, Lance maintains that it properly paid royalty payees as required under Wyoming law including the *Wyoming Royalty Payment Act*; and, thus, Class Representatives and the Lance Settlement Class are not entitled to any recovery for Late Payment Claims or Deduction Claims. Lance also asserts that Class Representatives are not entitled to attorneys’ fees and that Lance should be able to recover its own attorneys’ fees. The parties engaged in limited discovery and various motions were filed. In order to attempt resolution of the claims without additional costly litigation, Class Representatives and Lance entered into extensive negotiations including a two-day mediation session in which Governor Michael J. Sullivan presided as mediator. Through those and continued efforts after the mediation, Class Representatives and Lance were able to reach an agreement on the settlement of the Lance Lawsuit.

Class Counsel believes that the issues the Court would decide are complex and there is an uncertainty as to the outcome of the Lance Lawsuit should it proceed to trial. As indicated above, Lance denies all of the Plaintiff’s claims, believes the claims have no merit, and continues to deny any wrongdoing or liability to the Lance Settlement Class, in any amount, in connection with either the Late Payment Claims or the Deduction Claims. Lance contends it would prevail at trial, including any necessary appeal to the Wyoming Supreme Court or beyond. Lance further claims that it believes it would be entitled to equitably recoup from royalty payees amounts it did not deduct but claims it could have.

Class Counsel and the Class Representatives examined both the benefits of the presently proposed Lance Settlement and the risks of proceeding if the Lance Settlement were rejected. In general, Class Counsel concludes the proposed Lance Settlement provides substantial benefits to the Lance Settlement Class; resolves the issues without prolonged litigation and expense; avoids the delay and expense of likely appeals; eliminates inherent risks and uncertainties of litigation; provides members of the Lance Settlement Class who do not opt out of the Lance Settlement Class with individual benefits; and is in the best interest of the Lance Settlement Class.

Therefore, Class Counsel advised Class Representatives to enter into the Lance Settlement, which, if approved by the Court, will fully and finally resolve the Settled Claims (described in more detail in Section 4 below) of the Lance Settlement Class. Class Counsel also advised Class Representatives they should agree to the future royalty payment methodology described in more detail in Section 4 below. The Class Representatives and Class Counsel have concluded that the proposed Settlement is fair, reasonable and adequate.

A more complete description of the Lance Lawsuit and its status and rulings made in the case are available in the file kept by the Court. In addition, the entirety of the Lance Settlement Agreement is available and can be reviewed by requesting a copy in the manner provided below or by reviewing the document at [www.wyomingclassactions.com](http://www.wyomingclassactions.com).

#### **4. THE SETTLEMENT**

As a potential member of the Lance Settlement Class, you may be entitled to receive certain benefits in

accordance with the proposed Lance Settlement. The Lance Settlement was memorialized in an agreement executed by the Class Representatives and a Lance representative on May 31, 2013 (“Lance Settlement Agreement”). This Notice will attempt to summarize the Lance Settlement. However, you should examine the Lance Settlement Agreement in addition to the summary contained within this Notice. To receive a paper copy of the Lance Settlement Agreement, please make a written request to Class Counsel at the address provided in this notice or you may review Lance Settlement Agreement directly at [www.wyomingclassactions.com](http://www.wyomingclassactions.com).

The Lance Settlement Agreement settles Late Payment Claims, Deduction Claims and Lance Counterclaims. Except for claims that are reserved (“Reserved Claims”), the Lance Settlement also settles all claims arising out of the calculation and payment of royalties by Lance for production prior to August 1, 2013. “Settled Claims” are more specifically defined in the Lance Settlement Agreement. The Lance Settlement Agreement also requires Lance to pay future royalties according to a methodology that is described later in this Notice (“Royalty Payment Methodology”). The Reserved Claims are defined in the Settlement Agreement, but a brief explanation is provided later in this Notice.

Lance has agreed to pay a total of \$6,150,000.00 to settle the Lance Lawsuit. If the Court approves the Lance Settlement, the following explanation describes the distribution of those funds. Initially, each member of the Lance Settlement Class will receive a minimum payment of twenty-five Dollars (\$25.00) (hereafter the “Future Royalty Methodology Payment”) as consideration for acceptance of the prospective relief that the Royalty Payment Methodology will provide. The payment of that consideration represents approximately \$85,525.00 of the total \$6,150,000.00 to be paid by Lance.

\$2,226,146.21 is allocated for settlement of Late Payment Claims; \$1,883,676.48 is allocated for settlement of Deduction Claims; \$1,845,000.00 for Attorneys’ Fees; and \$109,652.31 for Litigation Costs, Administrative Costs and Class Representative Fees. The Administrative Expenses include the costs of preparing and mailing this notice, the distribution checks and Form 1099s and other tax forms as further discussed in the Lance Settlement Agreement. Litigation Expenses include those amounts expended in prosecuting this lawsuit. Class Representative Fees are to compensate the Class Representatives for their expenses and time they spent in prosecuting the Lance Lawsuit. The Class Representatives Fees total \$40,000.00 (\$20,000.000 for each of the two Class Representatives). The remainder of the monies allocated to the Late Payment Claims and Deduction Claims are to be distributed on a pro-rata basis based upon the actual calculations from payment data provided to Class Representatives by Lance and as described below.

Thus, the minimum to be distributed regardless of the calculated amount for Late Payment Claims and Deduction Claims is \$25.00. The Attorneys’ Fees, Litigation Costs, Administrative Costs, Class Representative Fees and Future Royalty Methodology Payment proportionately reduce the allocated amount for Late Payment Claims and Deduction Claims. The least likely amount that you will receive is reported to you on Attachment 1 to this Notice. The amounts on Attachment 1 to this Notice are the amounts to be paid out of the total allocated to Late Payment Claims and Deduction Claims after deduction of attorneys’ fees, litigation costs, administrative costs and class representative fees. The amount in Attachment 1 does not include your proportionate share of the simple interest that will be earned in the escrow account at the First Interstate Bank – Casper Branch during the pendency of the class action settlement as provided in the Lance Settlement Agreement.

The amount paid for the Late Payment Claims and Deduction Claims reflects the overall compromise of many disputed claims made by the Class Representatives and Lance. Except in the circumstances explained as part of the Reserved Claims, the compromise reached in the Lance Settlement Agreement extinguishes the amounts claimed in Lance Counterclaims. It further represents a compromise of the opposing positions taken with regard to Lance’s affirmative defenses, the parties’ respective positions concerning the appropriate statute of limitations and its application to the facts of the Lance Lawsuit, the parties’ respective positions over differences in the application and interpretation of lease language and the *Wyoming Royalty Payment Act*, and an analysis of the other litigation risks associated with the alleged payment violations and the Lance Counterclaims. This analysis also included consideration of Lance’s representations, supported by electronic data and other evidence including its agreement on the Royalty Payment Methodology. For Late Payment Claims, the amounts being paid as part of the Lance Settlement are comprised of late payments for production months after February of 2007 and for production months prior to February of 2007. The different periods reflect the date when Lance changed computer accounting software systems in February of 2007 and the different data sets used to compute the alleged damages. For production months from February of 2007 through today, the royalty and interest was computed by use of the United States Rule whereby any payments made were first applied to outstanding interest and anything remaining was applied to

principal. Before attorneys' fees, litigation costs, administrative costs and class representative fees, the total settlement amount identified above for Late Payment Claims after February 2007 was calculated by applying an interest rate of nine percent (9%) per annum from February of 2007 through June of 2010 (one year before the filing of the lawsuit) and thereafter twelve percent (12%) per annum from July of 2010 through May 31, 2013. Before attorneys' fees, litigation costs, administrative costs and class representative fees, the total settlement amount identified above for Late Payment Claims before February 2007 but paid after February of 2007 was calculated by simple interest and by applying an interest rate of nine percent (9%) per annum from February of 2007 through June of 2010 (one year before the filing of the lawsuit) and thereafter twelve percent (12%) per annum from July of 2010 through May 31, 2013. Before attorneys' fees, litigation costs, administrative costs and class representative fees, the total settlement amount identified above for Deduction Claims was calculated by computing the total amounts alleged to be inappropriately deducted from the royalty of Lance Settlement Class members after certain credits for amounts Lance claimed it was entitled to deduct. A calculated principal amount was derived from those calculations. Under the Lance Settlement and before attorneys' fees, litigation costs, administrative costs and class representative fees, each member of the Lance Settlement Class is being paid the calculated principal amount representing alleged deduction damages, together with simple interest calculated at twelve percent (12%) per annum for all time periods. The Deduction Claims were calculated for time periods July 2003 through May 31, 2013.

Except in the limited circumstances explained below in discussing Reserved Claims, the Lance Settlement extinguishes the Lance Counterclaims. The Lance Counterclaims sought to recover from the Lance Settlement Class amounts Lance believes it could have deducted from past royalties but did not. It also sought to deduct those costs from future royalties. The costs and deductions sought in the Lance Counterclaims were far-reaching. Those costs included the costs of (i) gathering gas generally associated with lease or field activities; (ii) the compression costs from the field to the point of sale; (iii) the treating of the gas to remove carbon dioxide and other constituents; (iv) processing gas; (v) transporting gas on lines the costs of which Class Representatives asserted Lance had earlier recognized as not being deductible; and (v) costs associated with market pipelines not necessarily related to actual costs of transporting the gas on market pipelines. Lance asserts all the costs it alleges it could deduct would be governed by lease or assignment language of individual Settlement Class Members. While the Class Representatives dispute Lance's assertion in that regard, the Court has not expressly ruled on that issue. Nor has the Court taken up any examination of the language of individual leases or assignments.

An example of damages under the Lance Counterclaims illustrates the far-reaching nature of those counterclaims. Lance at times would sell the gas it produced in various markets distant from Wyoming to maximize the price received. In order to do that and ensure space on a FERC-regulated pipeline to that market, Lance was required to pay a reservation fee. By paying the reservation fee, Lance was able to ensure Hydrocarbons could be transported on certain pipelines to the desired markets. In those instances when Lance was unable to use all of the capacity Lance reserved, it still was required to pay the full fee for the reserved space. Lance historically did not charge Royalty Owners for the amount attributable to unused reserved fee. The Lance Counterclaims asserted those unused reservation fees were and are deductible from royalty as a transportation expense. By Lance's preliminary calculations, Lance asserted the Settlement Class owed to Lance approximately \$4,480,000.00 that could be recouped from any amounts sought by Settlement Class Members. Interest computations, if allowed, may have doubled that amount. Lance further asserted it could charge Settlement Class Members approximately \$100,000 per month for unused reservation fees. As part of the Lance Settlement, Lance must forego deducting from royalty unused reservation fees for the past. Likewise, Lance must forego any future deductions from royalty for unused reservation fees under the Royalty Payment Methodology.

With the exception of certain properties in which individual Settlement Class Members are paid royalties on Hydrocarbons, the Royalty Payment Methodology requires Lance to pay royalties on what is termed the "Realized Proceeds" less what is termed the "Recognized Allowable Permitted Deductions." The Lance Settlement Agreement provides detailed explanations of those defined terms. This Notice will attempt to briefly explain Realized Proceeds and Recognized Allowable Permitted Deductions separately. To understand both terms, it is important to understand how the term "Demarcation Point" is used in the Lance Settlement Agreement as discussed later in this Notice. The Lance Settlement Agreement provides for other future demarcation points that will be discussed later in this Notice.

Realized Proceeds are primarily concerned with what Lance receives from the sale of the Hydrocarbons after those Hydrocarbons are transported past the demarcation point and what Lance may deduct from Settlement Class Members for the downstream costs from the demarcation point to the point the Hydrocarbons are sold to a third-party. In its simplest statement, the proceeds Lance receives are reduced by contractual third-party costs Lance

incurs after the demarcation point to the point of that sale. After the demarcation point, Lance may not deduct any charges it pays to an affiliate of Lance. Other charges more fully described in the Lance Settlement Agreement cannot be deducted. For example, though Lance may pay costs such as unused reservation fees for transportation of the Hydrocarbons after the demarcation point, Lance may not deduct those charges from the sale proceeds for the purpose of calculating royalties under the Royalty Payment Methodology. If Lance receives credits, discounts, offsets or similar benefits under a third-party contract, it must share those proportionately with Settlement Class Members. The proceeds Lance so receives as permissibly reduced under the Royalty Payment Methodology are then converted into a volume weighted average sales price per MMBtu. That volume weighted average sales price per MMBtu represents the Realized Proceeds.

Before the Hydrocarbons reach the demarcation point, there are numerous costs incurred by Lance. Those include costs of (i) gathering gas generally associated with lease or field activities; (ii) the compression costs from the field to the demarcation point; (iii) the treating of the gas to remove carbon dioxide and other constituents; (iv) processing gas; (v) transporting Hydrocarbons on transportation systems before the demarcation point; and (vi) lease fuel. The Recognized Allowable Permitted Deductions are those deductions Lance may permissibly charge Settlement Class Members for all of these activities before the Demarcation Point. The Royalty Payment Methodology limits the deductions Lance may take to (i) twelve cents (12 cents) per wellhead MMBtu and (ii) the FERC regulated tariff for transportation on the MIGC system less a credit of up to 21 cents per MMBtu for volumes delivered into MIGC. The twelve cent deduction is subject to an inflation adjustment as described in the Settlement Agreement. But the twelve cent rate cannot be adjusted until five years pass. Thereafter, it can be adjusted every three years.

The Royalty Payment Methodology contemplates other services or equipment may be built in the future before the demarcation point and those new and additional services or equipment may result in Lance incurring greater costs. Despite any new or additional costs Lance may incur before the demarcation point, Lance may only deduct the Recognized Allowable Permitted Deductions. For example, the Recognized Allowable Permitted Deductions are meant to compensate Lance for all the costs it incurs for (1) Fort Union Gas Gathering fees and fuel, (2) Little Thunder Treating facility fees and fuel, (3) Bison Treating fees and fuel, (4) Thunder Creek fees and fuel, and (5) Bear Paw/Cantera gathering fees and fuel. Settlement Class Members must pay their share of taxes, such as severance and ad valorem taxes. The Lance Settlement Agreement, as part of the Reserved Claims, leaves the determination of the Settlement Class Members' share of actual taxes to the determinations made in *Kenneth B. Geer v. Lance Oil & Gas Company, Inc.* filed and currently pending as a class action in the Sixth Judicial District as Civil Action No. 32940.

The Royalty Payment Methodology applies to all Hydrocarbons hereafter produced in wells for which Lance pays royalties as of August 1, 2013. In addition, if Settlement Class Members have a royalty interest in a lease located in Campbell, Johnson or Sheridan Counties and Lance drills a well in the future that produces Hydrocarbons, Lance must also follow the Royalty Payment Methodology for Hydrocarbons produced from those future wells if Lance holds a mineral and/or leasehold interest in such lease as of August 1, 2013.

Presently, all Demarcation Points are located on entries into FERC regulated pipelines. Demarcation Points are further defined in the Lance Settlement as the point at which Hydrocarbons first enter a FERC-regulated pipeline, or in some cases, a non-FERC regulated High Pressure Pipeline not owned by Lance affiliates downstream of the terminating point of Fort Union Gas Gathering, MIGC or Thunder Creek pipelines. Because FERC regulated pipelines have tariffs established by FERC, the Royalty Payment Methodology contemplates the costs associated with transportation on those pipelines after the Demarcation Points are fair and reasonable. The Court has held it will not examine the reasonableness of a FERC regulated tariff. Thus, the Court has not examined whether any one tariff meets the reasonableness expectation found in the Royalty Payment Methodology. The Royalty Payment Methodology envisions situations in which new demarcation points may arise. There may be new connections to a FERC regulated pipeline. The Royalty Payment Methodology also contemplates a tariff set by FERC for another pipeline to which Lance connects in the future will be fair and reasonable. Again, the Court has not examined whether that is an appropriate expectation and probably would not do so if asked. The Royalty Payment Methodology also permits establishment of a new demarcation point through a future entry into pipelines not regulated by FERC. Although Class Representatives sought to use language from the *Wyoming Royalty Payment Act* to limit deductions on such non-FERC regulated pipelines to those that were for the "reasonable and actual direct costs" of "transporting" gas after entry into the pipeline, Lance would not agree to such language stating it was too ambiguous for the Settlement Agreement. Consequently, whether a new demarcation point using a non-FERC regulated pipeline has an expectation of reasonableness that the Royalties Payment Methodology associates

with a FERC dictated tariff will depend upon the individual facts associated with the new demarcation point. The Lance Settlement Agreement provides that Lance can only adopt new demarcation points that are consistent with the intent of the demarcation points and further must provide notice to affected Settlement Class Members of its adoption of the new demarcation point. Affected Settlement Class Members have an opportunity to object and ask the Court to make a determination if they do not believe Lance's adoption meets the intent of a demarcation point. The Court retains jurisdiction to do so.

The benefit of the Royalty Payment Methodology to an individual Settlement Class Member for a specific lease will depend upon several factors. In the Lance Lawsuit, Lance asserts the royalty provisions of individual leases or assignments under certain conditions will determine what deductions Lance is permitted to take from royalties. At this point in the Lance Lawsuit, the Court has not determined whether, absent the settlement, it would examine individual royalty language or if the Court examined individual language, what any given royalty language would permit Lance to make certain deductions. Whether the royalty provisions of a given lease or assignments would afford more benefit than the Royalty Payment Methodology is a matter about which you may wish to confer with your own attorney. However, Settlement Class Members are not permitted to opt out as to only some leases or properties. If you elect to opt out of the Lance Settlement Class, that election will apply to all your interests in leases or properties for which Lance does or will pay royalties on Hydrocarbons that would have been part of the Lance Settlement.

The Royalty Payment Methodology will not be applied to some leases in which some Settlement Class Members have interests. The Royalty Payment Methodology does not apply to wells or properties for those Settlement Class Members for whom Lance has recognized, paid or is paying according to a Settlement Diversity formula (based on a market index with no deductions) or has recognized, paid or is paying as a cost-free owner with no deductions for downstream market pipeline costs. Lance will continue to pay those Settlement Class Members for production on those leases as it has in the past without deduction for costs either before or after the demarcation point. The Lance Settlement Agreement more fully describes the leases and Settlement Class Members who will be treated in this manner.

The Lance Settlement Agreement addresses how Lance must pay certain prior period adjustments. Prior period adjustments are defined as an increase or decrease of a Settlement Class Member's Royalties due to (i) updated volume or pricing information from an unaffiliated third-party or (ii) a retroactive revision to a participating area in a federal unit due to a decision from the Bureau of Land Management ("BLM"). Lance must make the prior period adjustment within ninety days of receiving the relevant information or the BLM decision. Lance may also escrow the funds. If Lance does not timely make the prior period adjustment or escrow the relevant funds, Lance must pay interest on the unpaid sums as provided in the Lance Settlement Agreement. Those provisions generally require Lance to pay seven percent (7%) from the 91<sup>st</sup> day after receiving the relevant information or BLM decision through the 180<sup>th</sup> day; nine percent (9%) interest, from the 181<sup>st</sup> through the 455<sup>th</sup> day; and 18% or as otherwise provided in the *Wyoming Royalty Payment Act* thereafter.

Certain claims have been reserved. For those claims, Settlement Class Members can assert those claims or get the benefit of resolution of those claims from other suits. Those are more fully set forth in the Lance Settlement Agreement. However, generally, those are individual claims that could arise out of clerical errors in price, volume or decimal interest; prior period adjustments not made by Lance as required in the settlement Agreement; and unpaid royalties for Hydrocarbons produced after January 2007 for which there was no entry for royalty for the given month and year in the data provided to Class Counsel as set forth in the Lance Settlement Agreement. Also reserved are claims made in the *Kenneth B. Geer v. Lance Oil & Gas Company, Inc.* case as of May 31, 2013. If a Settlement Class Member asserts a reserved claim, Lance also retains affirmative defenses and counterclaims related to the claim asserted. The reserved claims as well as Lance's reserved counterclaims are ones that can be individually made not as to the entire class.

Settled Claims are released under the Lance Settlement Agreement. For the Settlement Class Members, the Settled Claims are defined as "any and all claims, demands, rights, liabilities, and causes of action of every nature and description whatsoever, including interest, attorney fees, and penalties, whether known or unknown, asserted or unasserted, and whether in contract, or tort, or based on statute, or any other legal or equitable ground or theory including but not limited to the *Act*, or duties arising under implied covenants, if any, or any other duties arising under the law, that are held by Class Representatives and/or Settlement Class Members that constitute or in any way relate to or arise from or arise out of the Hydrocarbon Royalty Claims, excepting only Reserved Claims." For Lance, the Settled Claims are defined as "any and all claims, demands, rights, liabilities, and causes of action of

every nature and description whatsoever, including interest, attorney fees, and penalties, whether known or unknown, asserted or unasserted, and whether in contract, or tort, or based on statute, or any other legal or equitable ground or theory including but not limited to the *Act*, or duties arising under implied covenants, if any, or any other duties arising under the law, that are held by Lance that constitute or in any way relate to or arise from or arise out of Over Payment Claims that Lance has or could assert, including those for recoupment or as counterclaims, against Class Representatives and/or Settlement Class Members, excepting only Reserved Claims.”

Upon final Court approval, Settlement Class Members who choose not to timely exclude themselves from the Lance Settlement Class (i.e. do not “opt out” of Lance Settlement Class) will receive the benefits of the Lance Settlement and will be bound by the resulting Order in the Lance Lawsuit. If a member of the Lance Settlement Class does not opt out, that member will receive payment of a portion of the Settlement Amount and may not bring claims for the Settled Claims against Lance that are covered by this Settlement. Additionally, a member who does not opt out agrees that Lance’s payment of royalties in the future according to that the Royalty Payment Methodology set forth in the Lance Settlement Agreement shall fully satisfy Lance’s legal obligations for the calculation and payment of Royalties under the applicable Instruments, statutes, and law to each member who does not opt out. If you sell or transfer your interest, the new owner or transferee will also be bound to accept the payment methodology pursuant to the Lance Settlement Agreement. If you desire more information or details on the terms of the Lance Settlement summarized in this notice, you are encouraged to read the Lance Settlement Agreement.

## **5. THE COURT HAS CONDITIONALLY APPROVED THIS SETTLEMENT**

**The Court has reviewed the Lance Settlement and has provisionally concluded that the proposed Settlement appears to be fair, reasonable and adequate.** The Court has ordered that for purposes of this proposed Settlement, this case may proceed as a class action and that the Lance Settlement Class shall be conditionally certified. This does not mean that Class Representatives would be successful if the case went to trial. Except as otherwise discussed herein, the Court has made no final determination as to the merits of the Lance Lawsuit, and this notice and the proposed Settlement do not imply that Lance is liable to Class Representatives or to any member of the Lance Settlement Class for any of the Settled Claims or allegations set forth in the Second Amended Complaint. Furthermore, if this proposed Settlement is not finally approved or is withdrawn at any time, the parties have agreed the conditional class certification shall be void and of no effect. In that event, the Lance Lawsuit would proceed as though no settlement class had been certified previously. Rather, this case would proceed to trial under the litigation class already approved by the Court.

## **6. REMAINING A MEMBER OF THE SETTLEMENT CLASS**

If you choose to remain a Lance Settlement Class member, **you do not need to take any action whatsoever**. The Class representatives and the Class Counsel for the Lance Settlement Class will represent your interest as a member of the Lance Settlement Class. You will not be charged for their services or any costs other than as described in this Notice. However, you will be bound by the judgment and final disposition of the case and will receive a Distribution Check for your share of the Settlement Fund approximately 55 days after the settlement is final and unappealable as defined in the Lance Settlement Agreement. If you are a Lance Settlement Class member, you will be barred from bringing any further legal action against Lance or its affiliates as described in this Notice and the Lance Settlement Agreement.

Should you remain in the Settlement Class you will:

- 1) Receive your allocated share of the additional settlement funds and interest paid by Lance. The minimum amount likely to be paid to you from these funds is set forth in Attachment 1;
- 2) Release all Settled Claims.
- 3) Consent to the payment of your royalties pursuant to the Lance Settlement Agreement and the Royalty Payment Methodology.

Certain claims are expressly excluded and are not released, and, consequently are not covered by the Lance Settlement. Those are more fully described above and in the Lance Settlement Agreement.

## 7. REQUESTING TO BE EXCLUDED FROM THE SETTLEMENT CLASS

You may elect to be excluded from the Lance Settlement Class. If you elect to be excluded from the Lance Settlement Class, you will not be bound by any judgment, disposition or settlement of the class action, nor will you receive any of the benefits of this Class action, including the payments of any monies set forth on Attachment 1. Likewise, Lance will not be obligated to pay you in the future under the terms of the Lance Settlement Agreement. You will retain, and will be free to pursue, any claims you may have on your own behalf against Lance. Lance will be free to assert any claims, defenses or counterclaims it may have against you. You should consult with your own attorney, at your sole cost, to receive that attorney's advice about your rights as well as any claims, defenses and counterclaims available to Lance. To be excluded from the Class, you must file with the Court and provide a written election to be excluded from the Lance Settlement Class to Balzer Law Firm, PC at the address set forth in Section 10 of this notice. The election should contain the full name, current address, telephone number, owner number and signature of the person requesting exclusion and a copy of Attachment 1. The written election must be received by Class Counsel on or before July 15, 2013.

Any potential Lance Settlement Class member may revoke that member's election to be excluded from the Lance Settlement Class by delivering to Balzer Law Firm, PC by July 22, 2013, a written signed statement that you request to revoke your election to be excluded from the Lance Settlement Class. By revoking the election to be excluded, the potential Lance Settlement Class member becomes a Lance Settlement Class member with all the rights of a Lance Settlement Class member at the time of the revocation. Therefore, if the revocation occurs after the date for filing objections, the right to object is then unavailable to the potential Lance Settlement Class member.

Class Counsel shall provide a compilation of all potential class members who request to be excluded from the Lance Settlement Class to the Court.

## 8. RIGHT TO OBJECT TO THE LANCE SETTLEMENT

If you do not opt out from the Lance Settlement Class, you may object to the settlement. All objections shall be filed in writing with the Court and the Balzer Law Firm, PC. In order to be effective, any objection must be filed on or before July 17, 2013, with this Court at the address of the District Court Clerk as it appears below. However, in order to be heard at the hearing, you must file a Notice of Intent to Appear at the Final Fairness Hearing with this Court by July 25, 2013, in addition to your written objection. You may appear personally or by separate legal counsel. The objection must also be mailed to each of the following and postmarked on or before July 17, 2013:

## 9. FINAL FAIRNESS HEARING

A final fairness hearing will be held on **August 1, 2013**, at 9:00 a.m. at the District Courtroom, Gillette, Wyoming. The purpose of the hearing will be to determine finally whether the proposed Settlement is fair, reasonable, adequate, should be finally approved, and a final judgment entered. The reasonableness of the attorneys' fees and costs to be paid from the Lance Settlement Fund to Class Counsel will also be determined at this hearing. The hearing may be continued or adjourned without further notice to the Lance Settlement Class.

If the settlement is approved, Class Representatives and each member of the Lance Settlement Class who has not properly and timely elected to be excluded from the Lance Settlement Class will be bound by the Settlement. Additionally, the respective heirs, executors, administrators, representatives, agents, successors, and assigns of the Lance Settlement Class members will be deemed bound by the Settlement as to that member's interests. Likewise, the Lance Settlement will bind Lance's successors and assigns.

Cody:

I am traveling plus preparing an expert designation for federal court, so this may be a little haphazard. I will dismiss Lance with prejudice with respect to those named plaintiffs who stay in your settlement (I expect they will all stay in). I will dismiss Lance without prejudice with respect to those named plaintiffs who opt out of your settlement. I think this gives Lance the certainty they need, while reserving to the named plaintiffs their option to opt out without having a dismissal with prejudice in Addison/Barlow.

If contacted by any of the named plaintiffs that are included in your settlement, I will counsel them to stay in your settlement class.

Discuss this with the Lance attorneys, or I can.

Steve

Steve—

If need be, I can call you later today or tomorrow, but I spoke with Lance's attorneys and shared with them the text of the letter you got to me. They are willing to include the Addison/Barlow named plaintiffs in the settlement if the cases are dismissed with prejudice instead of without prejudice. I had told them that it seemed to me to be inconsequential in that if the Barlow/Addison plaintiffs were in the settlement, their claims would be released as a part of that which would effectively be with prejudice. Apparently they worry that that scenario leaves something undone and they don't want to get sued again. In other words, they want some finality.

So, give this some thought and let me know. If this is not going to be acceptable, then just tell me that and I will let Lance know. If this cannot be agreed upon, then we will not be able to include the Addison/Barlow plaintiffs and I can share that with Mr. Klunenberg if need be.

For me, I would like to include them by getting them some \$\$, but only if you and Lance are both satisfied.

So let me know at your earliest convenience.

Cody
