CRXJEM Consulting is PA accredited CLE provider #9283

After attending you will:

- Be able to lay expert foundation for a computer forensic expert based on Daubert
- Know what credentials to look for when choosing a computer forensics expert
- Understand the role of an independent expert
- Understand the ethics of competency under Rule 1.3 for computer forensics experts
- Be able to follow proper chain of custody for electronic evidence
- Understand the terms and vocabulary of computer forensics

Be able to guide your clients through the complexities of computer forensics (Carpenter Technology)

SPEAKERS

Joseph A. O’Keefe Esq., LLM, JD. O’Keefe, Miller, & Thielen, PC. He earned his LLM in Trial Advocacy from Temple University, a JD from Villanova University School of Law, and B.A. from Neumann University. Mr. O’Keefe is an experienced litigator, and has tried several cases involving complex eDiscovery issues. His legal and technical knowledge of eDiscovery and the rules of evidence make him a subject matter expert.

Christopher Erb, President of CME Cyber Investigations has 20 years of law enforcement and investigations experience. He has specialized in cyber investigations for much of his career, both as a police officer and an investigator for the Berks County District Attorney’s Office. Mr. Erb has numerous certifications, including US Department of Homeland Security’s SCERS.

FEATURES
