

WHERE DOES YOUR PAYCHECK COME FROM?

As a DCS/ DHHS employee, your paycheck is funded by Federal **Incentive** Payments to each state. This Federal **Incentive** is based off of the following **performance** levels.

Social Security Act Title IV-D Section 458:

- (4)(A) The paternity establishment performance level.
- (B) The support order performance level.
- (C) The current payment performance level.
- (D) The arrearage payment performance level.
- (E) The cost–effectiveness performance level.

A Family Court dictates the amount of **TIME** children receive with each of their parents, and that decision imposes the amount of **Child Support** to be paid.

My child's time with me is **Decreased** in order to **Increase** Child Support AND to increase the money our state receives from the federal government.

The money **YOU** are paid with is a result of **keeping** an **innocent child** from a **loving parent**.
