

WHO DO WE SUPPORT?

The Tangentyere Intensive Family and Parenting Support Program can support all families with children aged 0 - 18 years, living in Alice Springs including on Town Camps.

REFERRALS

The majority of referrals to the Tangentyere IFPS program come from Territory Families.

However referrals can be completed by professionals, service providers, or families themselves by calling the Territory Families FACES Helpline and requesting support from Tangentyere IFPS program.

WHO ARE WE?

The Tangentyere IFPS team can provide intensive case management and tailored support to all families in Alice Springs.

We have significant experience, knowledge and expertise in supporting families during times when they require support including during times of high risk and crisis. The team is comprised of a Social Worker and a team of specialist Case Workers.

WHAT DO WE DO?

The Tangentyere IFPS Team provides ongoing, intensive support to vulnerable families and/or families in crisis.

We focus on:

Safety planning

Parenting skills and capacity

Child wellbeing and resilience

Building on family strengths

Supporting engagement in education

Addressing barriers to change

Advocacy

Interagency collaboration

Reunification

The Tangentyere IFPS team also have the capacity to provide 1:1 therapeutic counselling for the children and young people in the families we are working with.

OUR APPROACH

The Tangentyere IFPS Team works according to the needs of the individual family using an approach that is:

Child centred
Family focussed
Strengths based

We have a strong commitment to cultural safety in our practice.

In consultation with families, we develop a case plan outlining strengths, concerns and goals. This case plan is regularly reviewed to ensure it is responsive to families' changing needs and that our work remains focussed.
