

D.M.L. ZAPPE SRL

Fondata nel 1975 da Malavolta Carlo, vanta una lunga esperienza nella produzione di ricambi per macchine agricole, in particolare per la lavorazione del terreno, mantenendo l'elasticità tipica delle imprese artigiane.

Divenuta poi D.M.L. Zappe Srl dal novembre 2011, continua ad occuparsi di produzione e commercializzazione di zappe per zappatrici e motocoltivatori, coltelli per scavafossi e tosaerba, denti per erpice rotante, lame per decespugliatori, mazze stampate per trinciasarmenti, vomeri per scavabietole e altri ricambi per macchine agricole, realizzate in acciaio balestra e temprate in acqua.

Per ottimizzare la domanda del mercato, ha sempre provveduto alla realizzazione su richiesta di articoli su misura attraverso campione o disegno fornito dal cliente.

Il servizio curato e personalizzato é veloce e allo stesso tempo assicurato sia alla vendita che in fase di assistenza.

Si realizzano inoltre coltelli o zappette su misura, su campione o disegno quotato.

∞ ∞ ∞ ∞ ∞ ∞ ∞ ∞ ∞

Founded on 1975 by Malavolta Carlo, boasts long experience in farm equipment, spares part production especially for land working machine, based on typical production flexibility of small factory.

Become D.M.L. Zappe Srl form November 2011, keeps on the production and trading of blades for motor hoes and trenchers, blades for grass clipping, teeth for rotary harrows, blades for shrub-cutting machine, hammer for pruning-crusher machine or shredder, shares for beet-diggers and many other farm machine parts for land working.

Every articles are made in water hardened steel. In order to optimize the market's demand, D.M.L. Zappe Srl has always provided to satisfy the customer's need by making goods on specific user requests.

The attentive and personalized service is fast and at the same time ensures reliability.
