

Xpedite Coatings provides advanced coating technology to meet the needs of commercial, industrial, and residential clients in Texas.

We offer a wide range of products, from sprayed-on polyurea to performance epoxy film.

Our products are environmentally friendly, 100% solids that contain neither solvents nor VOCs.

We look at your needs as a system to provide the best solution.

We rely on advanced technologies, products, and experience that assure complete satisfaction.

Great care is taken in all aspects of our work, including our commitment to safety.

We are fully committed to providing outstanding service to our customers.
