1. The Texas Department of Housing and Community Affairs (the "Department" or TDHCA) has posted to its website the 2018 Income and rent limit tool. This tool was developed for use by TDHCA staff, primarily in the Compliance Division, to determine whether income and rent limits prescribed by law were being met, and the tool is being shared with the public solely as a courtesy. This tool is NOT to be considered as either a definitive or exclusive statement or application of law or as legal advice. Neither the tool itself nor any output from or conclusions drawn from the tool may be relied upon as conclusively correct information or used as a defense to any contrary determination, finding, conclusion, or assertion by any relevant or cognizant oversight or enforcement entity (including TDHCA) of an applicable rent or income limit. Again, these are simply the income and rent limits that the Department expects to use when monitoring. It is anticipated that from time to time as the Department identifies aspects of the tool that it needs to amend, correct, or improve, it will do so, but the Department cannot and does not commit to providing notifications or changes to the tool as posted on its website or as used by TDHCA staff.

2. The "Place" field is used to determine whether the property is eligible to use the National Non-Metropolitan Median Income limits. Not all Places or Cities in Texas are shown. If you are located outside of the boundaries of a designated Place then select "Not Listed" even if your mailing address reflects the place name.

3. The 'Carryover / Determination Notice / Subaward Agreement Date' field is used to determine whether the property's gross rent floor is based upon a different set of income limits than those used to qualify tenants. For a competitive or 9% HTC property the execution date of the property's Carryover Agreement should be used. For an Exchange Program (i.e. Section 1602) property, the execution date of the property's Subaward Agreement should be used. For a 4% tax credit property, the date of the Determination Notice should be used.

4. The 2018 Housing Tax Credit limits are effective 4/1/2018. The NSP income limits are effective 6/1/2018. The Community Planning Division (CPD) of HUD released the 2018 HOME Program income limits effective 6/1/2018 and rent limits that are effective for all new leases and lease renewals after 6/1/2018. The National Housing Trust Fund income and rent limits are effective 6/1/2018.

5. For Housing Tax Credit project(s) that place in service or execute a Carryover Agreement within 45 days after HUD releases the MTSP Income limits where the newly released limits reflect a decrease, IRS Revenue Ruling 94-57 allows the owner to rely on either limit.
