

## **Health and Safety Policies**

For the safety of our visitors, volunteers, and staff, please note the following:

- If you are ill or if you have been exposed to COVID-19, please postpone your visit.
- Please respect social distancing guidelines.
- Building hosts will all be wearing masks. Visitors are strongly encouraged to wear a mask as well.
- No more than 10 people will be allowed in the building at one time. If we reach the maximum number, you may be asked to wait outside or return at a later time.
- Food and beverages are not allowed.
- Victorian Home hours will be Tuesday-Friday 10am-4pm and Saturday and Sunday 1pm-4pm.
- Ice House and Schoolhouse hours will be Saturday and Sunday, 1pm-4pm.
- Our museums are full of artifacts and exhibits that cannot be sanitized without damaging them. For this reason, it is very important that these items cannot be touched. To help prevent these areas from being touched, our museums will look a little different this year. Many exhibits will be roped off so that you may still view them from a safe distance. Many of our hands-on areas have been temporarily closed or removed. The upstairs of the Victorian Home will be temporarily closed. Please understand that these measures are for your safety and the safety of our artifacts, so that our museums can continue to be enjoyed for generations to come.

Thank you for your patience and understanding as we work to provide a safe, fun, and educational experience for all!
