Hybrid Teas:

Hybrid: With large, well-formed blooms and upright, sturdy canes, they are most popular as cut flowers.

Abbaye de Cluny™ (‘Meibrinpay’) – Apricot tones with a moderate, spicy citrus fragrance.
Black Baccara™ (‘Meidebenne’) – Unique burgundy color, will last up to two week in a vase.
Blue Girl (Korgi) – Large silvery lavender blooms with a rose and lilac fragrance.
Centennial Star® (‘Meinerau’) – Strongly fragrant golden yellow blooms edged with pink.
Dee-Lish® (‘Meiclusif’) – An old fashioned flower and a very strong fragrance of verbena and citrus.
Earlham™ Perfuma® (‘KORgeowim’) – Soft pink peony-like blooms with a strong sweet apple/lemon/rose fragrance.
Eternal Flame™ (‘Meifacul’) – Classically shaped, soft, flickering yellow blooms. Strong citrus.
Fragrant Cloud (‘Tanellis’) – An abundance of bright coral-red blossoms with a honey-sweet fragrance.
Heirloom (‘Jacblend’) – A strong fragrance combined with deep, lilac-lavender edged with magenta flowers.
Honor – Pure white flowers with hints of classic Tea rose fragrance.
Just Joey – Fruity fragrance and large, ruffled apricot blooms.
Love’s Promise™ – Deep currant red flowers with strong raspberry fragrance.
Miss All-American Beauty – Deep pink blooms with a strong old rose fragrance.
Mister Lincoln – A deep red, long stemmed rose with a wonderful damask fragrance. Tall, vigorous and ever-blooming.
Moonlight Romantica® (Meikaquinz’) – Light yellow sometimes suffused with white. Strong fragrance.
Peace – Multicolored soft pink in the edges fading to yellow in the center. Mild fruity fragrance.
Pinkerbelle™ ('Meivanae') – Unique pink hybrid tea, spicy verbena fragrance and superior disease resistance.

Secret’s Out™ ('Witharoma') – This one’s got aroma! A pure white Hybrid Tea with a strong, spicy fragrance.

Travita® (Meilavio’) – A vibrant red with true quartered, old-fashioned blooms and disease-resistant foliage that defies the rules. Slight fragrance.

Floribundas:

Floribundas: Clusters of medium sized flowers often more compact and shorter in habit than a Hybrid Tea, medium length stems. Typically blooms from spring until the first frost.

Bolero™ ('Meidelweis') – Large white blooms with extraordinarily strong fragrance of traditional rose mixed with tropical fruit.

Burgundy Iceberg – Purple-red burgundy/cream reverse. Mild honey.

Hot Cocoa™ ('WEKpaltlez') – The colorful hues vary with different climates. Maybe it's chocolate, maybe it's smoky or brick or russet. Moderately fruity fragrance.

Scentimental™ ('WEKplapep') – Distinctive deep red/burgundy on white to cream. Spicy fragrance.

Sunsprite – Deep lasting yellow color with super sweet fragrance.

Climbers:

Climbers: Especially versatile roses whose long canes can be trained along fences, trellises, or walls, and are variable in flower size, form and mature habit.

America™ – Very fragrant, coral flowers through the season.

Tangerine Skies Arborose® – Classic shaped buds open into tangerine flowers. Very floriferous with a strong scent.

Blaze – Pure red roses open all at once and continue blooming through the fall. Light fragrance.

Climbing Iceberg – Bears sprays of medium-sized, white flowers with a light, sweet fragrance.

Colette™ (Meiroupis) – Heavenly pink, damask-scented blooms.

Don Juan – Dark velvety red with very fragrant flowers smelling of strong rose.

Fruity Petals™ (Radpetals) – New! Disease resistant climber with very unique coral color with a yellow eye. Slight fragrance.

Joseph’s Coat – A continuous kaleidoscope of colors changing yellow to scarlet back to orange and carmine. Light fragrance.

New Dawn – Abundant show of pink flowers repeating all summer. Sweet rose fragrance.
Pretty in Pink Eden Climber® (Margaret Mae) – Deep pink with good floral vintage rose scent.
Zéphirine Drouhin – Thornless canes produce an abundance of fragrant cerise-pink flowers.

**Shrub:**
**Shrubs:** Free blooming plants with differing flower sizes and forms. With their disease resistance, continuous blooms and wonderful range of colors, these easy-to-grow roses will provide a beautiful and carefree garden.

**Purple Pavement** – Rugosa rose. Large, purple semi-double blooms and a heavy spring flush with a strong fragrance.
**The Double Knock Out® Rose (Radtko)** – The full double cherry red flowers look just like a classic rose.

**Sunblaze® Miniatures:**
**Sunblaze® Miniatures** – Hardy and easy to grow, these compact, petite roses bloom from spring until fall. They perform well when used as a border and are spectacular in containers.

**Bridal Sunblaze®** (Meilmera) – Soft white, fully double blooms that are extremely long lasting and durable in all conditions. Slight fragrance.
**Cherry Sunblaze®** (Meibekarb) – A true bright red with a slight fragrance.
**Debut Sunblaze®** (Meibarke) – Early, abundant and continuous flowering all season long. Its rich scarlet buds open to cream and red flowers.
**Rainbow Sunblaze®** (Meigenpi) – Small buds that have a bright yellow cast with red undertones, transforming into stunning orange red when open.
