2020 Bareroot Rose Availability

***Be sure to check in with us later in the season as we will be bringing in additional varieties and types of roses.***

*Photos and Information courtesy of David Austin Roses and Star Roses and Plants.*
Sweet Spirit™

*Rosa ‘Meithatie’*

**Grandiflora**

Sweet Spirit™ has an attractive fully double, traditional rose bloom with a strong sweet sugary fragrance. It grows well on its own roots and has proven to perform very well for a Grandiflora in hot, humid climates. A breakthrough combining fragrance and disease resistance on a Grandiflora plant.

**Color:** Bright berry red

**Flowers/Petal Count:** Double, medium, 35 petals

**Fragrance:** Strong, Sweet

**Height/Spread:** 3-4’ tall by 3’ wide, bushy
These elegant blends of pink flowers have a one-of-a-kind strong citrus fragrance and blooms in flushes throughout the season. 4-inch blooms are irresistible with their scents of peach, plum, and pear, along with hints of patchouli and fresh myrtle. Beverly™ is part of the Eleganza® collection, which includes varieties bred for their classic hybrid tea rose blooms and superior disease resistance, especially to blackspot and powdery mildew. Recipient of numerous awards from around the world, most of which were for its fragrance.

**Color:** Light pink  
**Flowers/Petal Count:** 45 petals  
**Fragrance:** Strong citrus  
**Height/Spread:** 3-4’ tall by 2-3’ wide
Black Baccara™
Hybrid Tea

The world renowned Meilland International bred this one-of-a-kind Hybrid Tea. The velvety texture of the petals and unique color will be an instant success in your garden. A wonderful addition to any cutting garden, this rose is sure to stand out. Will last up to two weeks in a vase.

Black Baccara™ is a Florist Rose. For more than half a century, Star® Roses and Plants has introduced some of the most successful roses in the florist trade. Although only a few of the thoroughbreds introduced over the years have what it takes to survive outside of the perfect conditions found in the grower’s greenhouse, the varieties that do make it into the garden trade provide some of the most refined blooms to be found.

Color: Burgundy

Flowers/Petal Count: Double, about 45+ petals

Fragrance: Light

Height/Spread: 3-6’ tall by 2-3’ wide
Blue Girl

Hybrid Tea

Praised for its signature bloom color, these large, silvery lavender-blue five inch flowers with a rose and lilac fragrance rebloom throughout the season. An excellent specimen for cooler weather. Recipient of the Rome Gold Medal.

**Color:** Silvery lilac-lavender

**Flowers/Petal Count:** 30-40 petals

**Fragrance:** Rose and lilac

**Height/Spread:** 4’ tall by 3’ wide
Selected for the centennial of Star® Roses in 1997, the strongly fragrant golden yellow blooms remind one of Peace but with stronger colors and a higher petal count. Tall, bushy plants have dark green, glossy foliage.

**Centennial Star®**

*Rosa ‘Meinerau’*

Hybrid Tea

**Color:** Multicolored  
**Flowers/Petal Count:** Double, about 70 petals  
**Fragrance:** Strong  
**Height/Spread:** 3-4’ / 2-3’
Double Delight™

*Rosa ‘Andeli’*

Hybrid Tea

**Color:** Multicolored

**Flowers/Petal Count:** Large, 30-35 petals

**Fragrance:** Strong spice

**Height/Spread:** 3-5’/3-5’
Earth Angel™ Parfuma®

Rosa ‘KORgeowim’

Hybrid Tea

An award winning rose to steal your heart away! Bred for its soft romantic blooms, incredible fragrance and robust health. Peony-like blooms make wonderful cut flowers with a fragrance to steal your breath away. A robust plant that is incredibly disease resistant and cold hardy.

**Color:** Soft Pink  
**Hardiness/Zone:** 5-9  
**Flowers/Petal Count:**  
**Fragrance:** Strong, sweet apple/lemon/rose  
**Height/Spread:** 3-4 tall and wide
Eternal Flame™

*Rosa ‘Meifacul’*

Hybrid Tea

This Hybrid Tea has classically shaped, high-centered blooms of soft, flickering yellow. The long stems and strong citrus fragrance combine to make Eternal Flame a great rose for the cutting garden. The plant offers above average winter hardiness and disease resistance.

**Color:** Yellow

**Flowers/Petal Count:** Large, 35 petals

**Fragrance:** Strong citrus

**Height/Spread:** 4-5’/2-3’
Luxuriously fragrant rose features an abundance of bright coral-red blossoms with a honey-sweet fragrance. Voted into the Rose Hall of Fame by the World Federation of Rose Societies in 1981

**Color:** Coral

**Flowers/Petal Count:** Large, 25-30 petals

**Fragrance:** Strong honey-sweet

**Height/Spread:** Bushy, 3-5’ tall by 2’ wide
Heirloom

*Rosa ‘Jacblend’*

Hybrid Tea

A strong fragrance combined with deep, lilac-lavender edged with magenta flowers make any encounter with this rose unforgettable. Does not like the cold and performs best in milder climates.

**Color:** Purple  
**Flowers/Petal Count:** Large, 30-35 petals  
**Fragrance:** Strong  
**Height/Spread:** 4’/4’
Just Joey
Hybrid Tea

Just Joey has a fruity fragrance that carries in the breeze from the large, ruffled apricot blooms. Interesting mahogany tinted foliage make it a wonderful show rose.

**Color:** Apricot  
**Flowers/Petal Count:** Large, 25-30 petals  
**Fragrance:** Strong fruity  
**Height/Spread:** Rounded 3-4’ tall and wide
Love’s Promise™

*Rosa ‘Meisoyris’*

Hybrid Tea

Perfectly shaped deep currant red flowers stand tall above deep green foliage. Perfect for cutting, the strong raspberry fragrance will last for days. Excellent disease resistance.

**Color:** Red

**Flowers/Petal Count:** Large, 35 petals

**Fragrance:** Strong raspberry

**Height/Spread:** 2-5’/2’
Miss All-American Beauty
Hybrid Tea

Hardy and beautiful, this is a great rose for the beginning gardener. The deep pink roses on this strong bushy plant are almost indestructible. It also has an old rose fragrance that one expects from a rose.

**Color:** Deep Pink

**Flowers/Petal Count:** Large, 50-55 petals

**Fragrance:** Strong old rose

**Height/Spread:** Bushy, 3-4’ tall and wide
Moonlight Romantica®

*Rosa ‘Meikaquinz’*

Hybrid Tea

Moonlight Romantica® displays large light yellow full double flowers that are fragrant. It has an excellent disease tolerance for the type and is very vigorous on its own roots.

**Color:** Light yellow sometimes suffused with white

**Flowers/Petal Count:** Large, 50 petals on average

**Fragrance:** Strong

**Height/Spread:** Upright, bushy, up to 6’ high
Oklahoma

Hybrid Tea

From the same parents that produced Papa Meilland® and Mister Lincoln comes this wonderful, deep red Hybrid Tea. The full flower is closer to Mister Lincoln while the dark color is more like its other sibling. All three share the same wonderful fragrance and perform well in the vase.

**Color:** Deep red

**Flowers/Petal Count:** Large, 40-45 petals

**Fragrance:** Strong, rose

**Height/Spread:** Bushy, 4-8’ tall by 3-4’ wide
Peace
Hybrid Tea

The world's most famous and beloved rose, in brilliant yellow and pink was first introduced to the U.S. by Star® Roses and Plants over 60 years ago. Developed by Meilland International on the eve of World War II, a clipping of the rose made its way from France to the Conard-Pyle Co. for safekeeping during the war. Coincidentally, the AARS named Peace its only winner for 1946 on the same day Japan surrendered, effectively ending the war. More popular today than when it was first introduced. Voted into the Rose Hall of Fame by the World Federation of Rose Societies in 1976 and later as the Rose of the 20th Century.

Color: Multicolored

Flowers/Petal Count: Very Large, 40-45 petals

Fragrance: Mild, fruity

Height/Spread: 4-7’/2-3’
Pinkerbelle™

*Rosa ‘Meivanae’*

Hybrid Tea

Pinkerbelle™ is a very unique breakthrough hybrid tea, combining a spicy verbena fragrance and superior disease resistance. This rose grows well on its own roots and has proven to perform very well in black spot climates.

**Color:** Pink  
**Flowers/Petal Count:** Cuplike, 30-34 petals  
**Fragrance:** Strong, spicy, verbena scent  
**Height/Spread:** bushy, 5 ½’ tall
Queen Mary 2™
Rosa ‘Meiwimova’
Hybrid Tea

The high centered buds have the distinctive strong fragrance of sweet rose and banana. With excellent disease resistance and winter hardiness, Queen Mary 2™ will make a wonderful addition to almost any landscape. Appropriately named after the largest, longest and tallest passenger ship ever conceived, The Queen Mary 2™ is a luxurious cruise ship built by the prestigious Cunard Line and launched in the spring of 2004.

**Color:** White

**Flowers/Petal Count:** Large, 25 petals

**Fragrance:** Strong rose and banana

**Height/Spread:** 3-5’/2-3’
Tahitian Sunset™

Hybrid Tea

A variety with a wonderful mix of large five inch apricot and pink blooms intensifies in the summer sun. Late spring brings on the first heaviest bloom of large, dramatically colored flowers and continues in waves all through September. Superior resistance to blackspot. Introduced in 2006, Tahitian Sunset™ was a recipient of top honors from the All-America Rose Selection judges along with many other awards since, such as the Gold Medal at Rose Hills.

**Color:** Medium pink

**Flowers/Petal Count:** 40 petals

**Comments:** Repeat flowering

**Fragrance:** Strong licorice (anise)

**Height/Spread:** 5’ tall by 3-4’ wide
Bolero™
Floribunda

This compact Romantica® has an extraordinarily strong fragrance of traditional rose mixed with tropical fruit. Beautiful disease resistant foliage. A wonderful rose for cutting.

**Flowers/Petal Count:** Large, 100+ petals

**Fragrance:** Old rose and spice

**Height:** Bushy, 3-4’ tall by 2-3’ wide
Burgundy Iceberg

Floribunda

Performs exactly like its famous parent, Iceberg, in every way (except color)—same terrific flower production, bushy habit, lovely buds, showy clusters, glossy green foliage and nearly thornless stems. But ‘Brother Burgundy’ has the painted colors of deep purple-red burgundy & cream that are absolutely nothing like the bland whiteness of ‘Mom’. Seems to always be in bloom. Perfect for the landscape—either in mass, standing alone or atop a beautiful tree rose.

**Height/Habit:** Medium-tall/Rounded, bushy

**Bloom/Size:** Medium, double, in clusters

**Petal Count:** 20-25

**Parentage:** Sport of Brilliant Pink Iceberg

**Fragrance:** Mild honey

**Comments:** Darkest color in cooler temperatures. Super flowerful.
Scentimental™
Floribunda

The first striped rose to win AARS honors. No two flowers are alike, but all share the same distinctive deep red/burgundy on white to cream features that make this rose so unique. Spicy fragrance and dark glossy foliage.

**Color:** Multicolored reds and whites

**Flowers/Petal Count:** Large, 25-30

**Fragrance:** Strong, spicy

**Height:** Rounded, 3-4’ tall and wide
The Ancient Mariner™
Ausoutcry

English Rose/Shrub Rose

An impressive variety, bearing masses of very large blooms almost continually from June until the first frosts. Beautiful at all stages, the pink buds gradually open to many petalled, incurved cups with a strong, warm myrrh fragrance. The open blooms are a lovely rich glowing pink at the center, paling towards the edges. Over time, a cluster of golden stamens is revealed at the heart of each bloom. Ideal for the middle or back of the border; it works equally well planted on its own, creating a dramatic display. A very healthy and vigorous rose, it will quickly for a larger than average shrub. The name was inspired by Samuel Taylor Coleridge’s epic poem, The Rime of the Ancient Mariner. Highly recommended by David Austin Roses.

**Height/Spread:** 4’ tall and wide

**Exposure:** Full Sun

**Hardy Temp/Zone:** 5-9

**Uses/Comments:** Repeat flowering, Does well with only 4-5 hours of good sunlight

**Flower Color:** Pink

**Fragrance:** Strong fragrance

**Petal Count:** 160 petals
Carding Mill®

Auswest

English Rose/Shrub Rose

Large blooms in shades of pink, apricot and yellow are deeply cupped, overall, giving the impression of rich apricot. At the bud stage, when the petals are just starting to unfurl, the inside of the petals are a very rich, deep apricot as opposed to the paler, soft yellow undersides. When fully open the center of the flower is well filled with petals, their closeness giving the impression of a rich, apricot - pink. Around the center, the loose ring of petals curl in slightly and so show their pale apricot yellow undersides. It will quickly make a lovely, bushy, rounded shrub with quite straight stems, the many flowers nodding just slightly. There is a strong and beautiful myrrh fragrance. ‘Carding Mill’ is an excellent, vigorous, medium-sized shrub. Carding Mill is an extremely beautiful valley in the Long Mynd just to the west of the David Austin nursery in Shropshire. Enjoys warmer climates. Bred by David Austin.

**Height/Spread:** 4’ by 3.5’

**Exposure:** Full Sun

**Hardy Temp/Zone:** 5-10

**Uses/Comments:** Repeat flowering, ideal for container gardening

**Flower Color:** Apricot

**Fragrance:** Strong myrrh

**Petal Count:** 80 petals
Darcey Bussell

*Ausdecorum*

_English Rose/Shrub Rose_

Beautiful, deep crimson rosettes with a delightful fruity fragrance. An exceptional variety which flowers freely and repeats well. Very healthy. Compact, bushy growth. Good red roses are never easy to breed, so we are particularly pleased to introduce ‘Darcey Bussell’, as we believe it is one of the best and most healthy red roses we have bred to date. Its beautiful flowers are produced freely and with excellent continuity. When young, their outer petals form a perfect ring around an inner cup; gradually opening out to form a perfect rosette. The color is a deep rich crimson that takes on a tinge of mauve just before the petals drop. It has a pleasing, fruity fragrance with hints of green. Darcey Bussell is the highly acclaimed ballerina. She was appointed principal at the Royal Ballet at the age of 20 and has danced in the title role of many ballets around the world. She has been honored with many awards, including the OBE in 1995. Winner of the Chauncey Beadle Award for Best Shrub at the 213 Biltmore International Rose Trials in North Carolina, USA. Highly recommended by David Austin Roses.

**Height/Spread:** 6’ tall  
**Exposure:** Full Sun  
**Hardy Temp/Zone:** 5-10  
**Uses/Comments:** Repeat flowering, shapely habit  
**Flower Color:** Deep crimson  
**Fragrance:** Light-medium, delightful fruity fragrance  
**Petal Count:** 70 petals
Desdemona

Auskindling

English Rose/Shrub Rose

Exquisitely beautiful with an exceptionally long flowering season. Pretty peachy pink buds open to reveal beautiful, pure white blooms, with an attractive hint of pink at the earliest stage of flowering. The blooms are chalice-shaped; the incurved petals creating an arresting interplay of light and shadow. Over time, the blooms open a little wider, just enough to catch a glimpse of the pretty stamens within. They flower over an exceptionally long season, maintain their shape during wet weather. A lovely Old Rose and almond blossom fragrance with hints of cucumber and lemon zest. ‘Desdemona’ forms a very healthy and most attractive neat, rounded, bushy shrub. It is perfect for growing in a pure rose border or for combining with other shrubs and perennials in a mixed border. Highly recommend by David Austin Roses.

Height/Spread: 4’ tall by 3’ wide
Exposure: Full Sun
Hardy Temp/Zone: 5-10
Uses/Comments: Repeat flowering
Flower Color: White
Fragrance: Strong fragrance
Petal Count: 52 petals
Falstaff

Ausverse

English Rose/Shrub Rose

‘Falstaff’ bears large, shallowly cupped blooms of rich, dark crimson, which eventually turn a wonderful shade of rich purple. They are of exquisite form and quality, packed with numerous petals which interfold at the center. This helps to create a lovely, glowing effect within an enclosed saucer of outer petals. There is a powerful Old Rose fragrance. It forms a substantial bushy shrub with strong, rather upright growth; the flowers nodding nicely on the stem. The foliage is quite large and rather modern in character. It also makes an impressive short climber. Named for the well-loved Shakespearean character, who was the faithful companion of Prince Hal (the future Henry V).

Height/Spread: 4’ tall by 3.5’ wide
Exposure: Full Sun
Hardy Temp/Zone: 5-8
Uses/Comments: Repeat flowering
Flower Color: Dark crimson
Fragrance: Medium fragrance
Petal Count: 110 petals
Golden Celebration®

Ausgold

English Rose/Shrub Rose

An award-winning rose with magnificent, cupped, golden yellow blooms. This is one of the largest-flowered of all our English Roses, excelling in all climates. The rich golden yellow flowers are in the form of giant, full-petalled cups. These are initially tea-scented but often develop a wonderful combination of Sauternes wine and strawberry. The flowers are held beautifully poised, slightly nodding on long arching branches. The ample foliage is large, glossy and light green, resisting disease well. ‘Golden Celebration’ is a very reliable variety, which is easy to grow. It has excellent shapely growth, forming a nicely rounded, slightly arching shrub. In warmer climates it can also be trained as a short climber. Named for its glorious color. Its name makes it the perfect rose for commemorating Golden Weddings, 50th Anniversaries or any other celebration or important event. An award-winning variety: in every way an excellent garden plant. Bred by David Austin.

Height/Spread: 4.5’ tall and wide
Exposure: Full Sun
Hardy Temp/Zone: 5-9
Uses/Comments: Repeat flowering
Flower Color: Rich yellow
Fragrance: Very strong
Petal Count: 75 petals
The Lady Gardener™

Ausbrass

English Rose/Shrub Rose

This is a particularly interesting rose in that it is the first in the English Old Rose group which has apricot flowers. These are large, about 4” across, and of a beautiful shade of rich pure apricot that pales towards the outside of the bloom. They are of a rosette shape and very full petalled with a large button eye that gradually opens up; the petals loosely arranged in a quartered formation. There is a particularly lovely and strong tea fragrance which has hints of cedar wood and vanilla. Altogether an excellent garden shrub that will repeat flower quickly, stand up well to rain and stay very healthy. Its height very much depends on how it is pruned. Named to raise awareness for Plant Heritage and their important work to protect Britain’s garden plant diversity. The National Collection of English Roses in the David Austin Rose Gardens are maintained in Albrighton, Shropshire. Very healthy. Bred and highly recommended by David Austin.

Height/Spread: 4’ tall and 3 wide  
Exposure: Full Sun  
Hardy Temp/Zone: 5-10  
Uses/Comments: Repeat flowering  
Flower Color: Apricot  
Fragrance: Strong and delicious tea fragrance  
Petal Count: 65 petals
Lady of Shalott™

_Ausnyson_

**English Rose/Shrub Rose**

One of the hardiest and most reliable of the David Austin roses. Good for disease resistance and poor soil and will bloom with unusual continuity throughout the season. The young buds are a rich orange-red that open to form chalice-shaped striking apricot-yellow blooms filled with loosely arranged petals. Each petal has a salmon pink upper side, which contrasts beautifully with the attractive golden yellow reverse. The flowers have a pleasant, warm Tea fragrance, with hints of spiced apple and cloves. The flowers create a spectacular show of color and are beautifully displayed against the mid-green leaves, which have attractive, slightly bronzed tones when young. Position this rose toward the middle or back of the border. It would also make a great choice for landscaping large areas. Named for the Tennyson Society. The name is taken from one of Alfred, Lord Tennyson’s poems to commemorate the 200th anniversary of his birth. The poem tells the story of The Lady of Shalott, who lived in a castle close to King Arthur’s Camelot and was held in a spell. Recipient of the RHS Award of Garden Merit. Highly recommended and bred by David Austin.

**Height/Spread:** 4’ tall and 3.5’ wide  
**Exposure:** Full Sun  
**Hardy Temp/Zone:** 5-10  
**Uses/Comments:** Repeat flowering, Healthy with vigorous, bushy growth.  
**Flower Color:** Orange yellow  
**Fragrance:** Pleasant, warm Tea fragrance, with hints of spiced apple and cloves  
**Petal Count:** 60 petals
Munstead Wood

Ausbernard

English Rose/Shrub Rose

A healthy variety with sumptuous, deep velvety crimson blooms. Light crimson buds gradually open to reveal very deep velvety crimson blooms, with lighter colored outer petals. The flowers are large cups at first, becoming shallowly cupped with time. As the flowers age, we get glimpses of the stigma and stamens amongst the petals. There is a strong Old Rose scent which our fragrance expert, Robert Calkin, assesses as “warm and fruity with blackberry, blueberry and damson notes”. The bushy, spreading growth forms a broad shrub with good disease resistance. The young leaves are red-bronze, later turning mid-green, forming a nice contrast. A relatively short shrub, it is ideal for planting towards the front of a border. Munstead Wood was the name of the horticulturalist and garden designer Gertrude Jekyll’s home in Surrey, England. It was designed by the architect, Sir Edwin Lutyens, whose professional partnership with Jekyll was one of the most influential of the Arts and Crafts movement. Gertrude Jekyll wrote her many gardening books at Munstead Wood and it was her home for most of her life. Munstead Wood has won several awards, including being voted ‘Flower of the Year 2009’ by readers of the French magazine, Rustica; being presented with the gold medal for fragrance at the 2011 Japan Rose Society trials and, also in 2011, winning Portland’s Best Rose Contest for Best Shrub Class in the USA. Recipient of the RHS Award of Garden Merit. Highly recommended and bred by David Austin.

Height/Spread: 3’ tall by 3.5’ wide
Exposure: Full Sun
Hardy Temp/Zone: 5-10
Uses/Comments: Repeat flowering
Flower Color: Deep crimson
Fragrance: Strong Old Rose fragrance
Petal Count: 74 petals
The Poet’s Wife

*Auswhisper*

**English Rose/Shrub Rose**

Beautiful, unfading yellow cupped flowers with a rich, fruity fragrance. Low, naturally rounded growth. Exceptional fragrance and ideal for pots and containers. ‘The Poet’s Wife’ is a superb rose with flowers of an unfading, strong yellow. Their formation is most pleasing, having a neat outer ring of petals enclosing an informal group of petals within. There is a rich fragrance with strong lemon tints at first, becoming sweeter and stronger with age. It forms a naturally arching shrub, with rather shiny Leander-type foliage. It is perfect for incorporating into a traditional rose border or for blending with other plants in a mixed border. Bred and highly recommended by David Austin.

**Height/Spread:** 3.5’ tall and 4’ wide

**Exposure:** Full Sun

**Hardy Temp/Zone:** 5-10

**Uses/Comments:** Repeat flowering, Does well with only 4-5 hours of good sunlight ☀

**Flower Color:** Strong yellow

**Fragrance:** Very strong, fruity fragrance

**Petal Count:** 77 petals
Princess Alexandra of Kent

_Ausmerchant_

English Rose/Shrub Rose

Magnificent and unusually large flowers, deeply cupped of warm, glowing pink. There is an award-winning fragrance of delicious fresh tea with aspects of lemon and blackcurrants. The ring of soft pink outer petals enclosing the warm pink inner petals, creating a most pleasing effect. In spite of their size, the flowers are never clumsy and are held nicely poised above the foliage. Very healthy. It forms a well-rounded shrub. Due to the large size of the blooms, there is a lot to be said for planting in groups of three and pruning to form a single, shapely shrub - this keeps both flowers and growth nicely balanced. Position this rose towards the front of the border. We were honored to name this rose for Princess Alexandra, who is a cousin to Queen Elizabeth II. She is a keen gardener and great lover of roses. Recipient of the Glasgow 29 Fragrance Award and California’s Desert Rose Society Show’s Most Fragrant Award. Bred and highly recommended by David Austin.

**Height/Spread:** 2.5’ tall and 3.5’ wide  
**Exposure:** Full Sun  
**Hardy Temp/Zone:** 5-10  
**Uses/Comments:** Repeat flowering, Does well with only 4-5 hours of good sunlight 🌞  
**Flower Color:** Warm pink  
**Fragrance:** Strong, delicious fresh tea with aspects of lemon and blackcurrants  
**Petal Count:** 130 petals
Winchester Cathedral™

Auscat

English Rose/Shrub Rose

Delicious Old Rose fragrance with hints of honey and almond blossom, which becomes much stronger in warmer weather. Very free-flowering. A lovely sport of the beautiful ‘Mary Rose’. It shares all of the virtues of its parent, and is similar in every way, except that the flowers are white, occasionally with the slightest touch of buff pink at the center. The overall effect is excellent, producing a mass of flowers and continuing to bloom at regular intervals throughout the summer. The individual blooms are in the form of medium-sized, loose-petalled rosettes of typical Old Rose character. ‘Winchester Cathedral’ is a first class garden shrub with well-shaped, twiggy, bushy growth and nice foliage. It looks particularly beautiful in a mixed border mingling with other plants and perennials. It is particularly winter hardy. Named after one of the finest cathedrals in Britain. Bred by David Austin.

Height/Spread: 4’ tall and wide
Exposure: Full Sun
Hardy Temp/Zone: 4-10
Uses/Comments: Repeat flowering
Flower Color: White
Fragrance: Strong, delicious Old Rose fragrance, hints of honey and almond blossom
Petal Count: 60 petals
Blanc Double de Coubert

Shrub

The white of this rose has a purity of color that is without equal. It produces semi-double, very fragrant flowers from spring to fall, which are sometimes followed by orange hips.

**Color:** White

**Flowers/Petal Count:** 10-20 petals

**Fragrance:** Strong

**Height/Spread:** 4-7’ tall and wide
Purple Pavement

Shrub

Purple Pavement has large, semi-double blooms and a heavy spring flush with occasional repeat in the season. In the fall, the plant is covered by brightly colored hips, contrasting nicely with the red, fall foliage.

**Color:** Purple

**Flowers/Petal Count:** 9–16

**Fragrance:** Strong

**Height/Spread:** 3–6’ tall and wide
The Double Knock Out® Rose

Shrub Rose

From the same cross that produced the original Knock Out® Rose, The Double Knock Out® Rose represents the next generation in the family of The Knock Out® Roses. The full double flowers look just like a classic rose. It is as resistant to black spot as the famous original, has the same bloom cycle and is slightly more winter hardy.

Knock Out® Roses have been providing gardens with stunning, season-long interest for twenty years! They have the most flower power of any shrub on the market. More than other roses. More than hydrangeas. More than anything else. No other flowering shrub blooms as long or as often! With so many great colors to choose from, you’ll want to add these easy-to-grow roses to your garden for blooms year after year.

The Knock Out® Family of Roses bloom every 5-6 weeks, from spring to frost, creating a stunning show of beautiful flowers!

The Knock Out® Family of Roses are the most disease resistant roses on the market making them easy to grow. All of the Knock Out® Roses are self-cleaning so there is no need to deadhead.

Height/Spread: Bushy, 3-4’ tall and wide

Exposure: Full Sun

Hardy Temp/Zone: 5-11

Uses/Comments: Abundant and continuous flowering

Flower Color: Cherry Red
There is something a little special about white roses – they are all purity and light – and yet really good white roses are rare among English Roses and Hybrid Tea Roses alike. This is because white roses are very difficult to breed. ‘Claire Austin’ bears pleasingly cupped buds of a pale lemon shade which gradually open to form large, creamy white flowers of typical English Musk delicacy; their petals perfectly arranged in concentric circles, with a few more loosely arranged in the center. They have a strong fragrance based on myrrh with dashes of meadowsweet, vanilla and heliotrope. Strong and particularly healthy. Undoubtedly one of our finest white roses to date. This vigorous, upright rose makes a very good climber in both beauty and performance. If grown against a warm wall, as we do here in the Lion Garden, it can easily reach a couple of extra feet in height. Claire Austin is David Austin’s daughter. She has a nursery which specializes in hardy plants, including the UK’s finest collection of irises, peonies and day lilies. Good for disease resistance. Repeat flowering. Highly recommended by David Austin Roses and bred by David Austin.

**Height/Spread:** 12’

**Exposure:** Full Sun

**Hardy Temp/Zone:** Zones 5-11

**Uses/Comments:** Repeat flowering

**Flower Color:** Creamy White

**Fragrance:** Strong myrrh, meadowsweet, and vanilla

**Petal Count:** 120 petals
Climbing Iceberg

Climbing Rose

A climbing sport of the well-known Floribunda - there are few Floribundas that have successfully produced climbing sports. However, ‘Climbing Iceberg’ lives up to the high expectations we would have of its parent, sharing the bush’s extremely reliable characteristics whilst also taking on a new elegance with its longer growth. Very floriferous throughout the season, the small, lightly double flowers open wide and are held in large clusters. They are usually pure white but are sometimes tinged with pink later in the season. There is a light, sweet fragrance. The glossy, light green, rather narrow leaves are held on smooth, slender stems. A quick growing variety; the growth is both vigorous and bushy. The stems are not too stiff, so it can easily be trained over an arch or pergola. It looks particularly attractive tumbling over a fence or trellis. An excellent climbing rose. Very continuous flowering. Recipient of the RHS Award of Garden Merit.

Height/Spread: 15’
Exposure: Full Sun
Hardy Temp/Zone: 6-11
Uses/Comments: Repeat Flowering
Flower Color: White
Fragrance: Light, sweet fragrance
Petal Count: 20-25 petals
Don Juan

Climbing Rose

Dark velvety, very fragrant flowers have seduced gardeners and rosarians alike for more than half a century. There is a bit of mystery about the Italian hybridizer of this very popular rose as he is almost impossible to find references for and his name is usually misspelled in most rose catalogs—Malandrone. Allow to grow up a trellis or any other vertical surface that you'd like to fill with color.

**Height/Spread:** 12-14’

**Exposure:** Full Sun

**Flower Color:** Red

**Fragrance:** Strong, rose

**Petal Count:** Large, 30-35 petals
Joseph’s Coat

Climbing Rose

A continuous kaleidoscope of colors changing yellow to scarlet back to orange and carmine has made this rose a classic in mild climates. Green apple colored foliage. Allow to grow up a trellis or any other vertical surface that you’d like to fill with color.

**Height/Spread:** 10-12’

**Exposure:** Full Sun

**Hardy Temp/Zone:** 5-10

**Flower Color:** Multicolored

**Petal Count:** Medium, 23-28 petals
New Dawn
Climbing

A hardy, classic old favorite with an abundant show of pink flowers peaking in the spring and repeating all summer. Grow up a trellis or on any other vertical surface for beautiful cascades of color. Flowers are highlighted above medium green foliage. Allow to grow up a trellis or any other vertical surface that you'd like to fill with color.

**Color:** Pink

**Flowers/Petal Count:** Large, 35-40 petals

**Fragrance:** Sweet Rose

**Hardiness Zone:** 5-9

**Height:** 18-20’
Teasing Georgia™

Ausbaker

English Rose/Climbing Rose

Very reliable, extremely healthy and easy to grow. Repeat flowers well. A very refined yellow rose of great beauty and value – a superb example of the Leander Group at its best. The rosette-shaped flowers are particularly attractive. The center petals are in the form of rich, deep yellow cups, while the outer petals fall back and fade to palest yellow providing a most pleasing two-tone effect. There is a lovely medium to strong tea rose fragrance. It is extremely healthy and repeat flowers well. ‘Teasing Georgia’ is a first class climber. It covers a large area and looks particularly beautiful growing against a wall, producing as good a display of blooms in the autumn as it does in the summer. Named for Mr. Ulrich Meyer, after his wife Georgia – both are German media personalities. Recipient of the RHS Award of Garden Merit. Highly recommended and bred by David Austin.

Height/Spread: 12’ tall

Exposure: Full Sun

Hardy Temp/Zone: 5-10

Uses/Comments: Repeat flowering, good disease resistance

Flower Color: Deep yellow

Fragrance: Strong tea fragrance

Petal Count: 110 petals
Rainbow Sunblaze®

*Rosa ‘Meigenpi’*

Miniature

Rainbow Sunblaze® covers itself with small buds that have a bright yellow cast with red undertones, transforming into stunning orange red when open. This vigorous and bushy plant is perfect for containers, walkways and mixed borders. Sunblaze® Miniature Roses are a superb selection of miniature rose varieties. Hardy and easy to grow, these compact roses bloom from spring until fall.
