PRESIDENT'S MESSAGE

I just wanted to give some updates that are happening at the club.

We built a Gazebo in the back yard that can be used for smoking and staying warm outside. The Gazebo will have walls which have been ordered and installed by the end of the month. The Gazebo will also have a heater inside to keep everyone warm that would like to smoke.

The website is completely redesigned with the ability to make online donations to our charity to help raise some money so that we will still be able to award scholarships next year. Please look it over and if anyone has any suggestions please let me know. I can do updates at any time to keep the website current.

www.do-goodhouse.org

A letter will go out to all the members and sponsors within the next couple of weeks to wish everyone well and see if anyone would like to make a donation to our charity. If nothing changes within the next couple of months, we will not be able to award any scholarships next year since we have not raised any money this year.

I hope everyone stays safe through this unprecedented time in our lives.

May God bless you and your family,

John Tahmoosh
