Over 50 years of working together

How we worked after March 2020

Association of Dundas Churches reaches out to Hamilton service agencies helping vulnerable populations impacted by the Covid 19 virus.

Every year the 9 faith communities of the Association of Dundas Churches (ADC) pay a small membership fee to cover the costs of its activities. However, due to the regulations necessarily imposed by the Covid 19 virus, this year those funds were not used. Although ADC is not a funding agency, it was agreed to donate these unused monies to a few of the Hamilton social service agencies experiencing additional costs incurred by the pandemic.

Donations totaling \$2,000.00, have been sent to these five agencies: Hamilton Food Share; Wesley Urban Ministries; Keeping Six Hamilton; Willows Place & Carol Anne's Place.
