

Mrs J. Nuttall

Dear Mr Bancroft

I cannot thank you enough for all you have done for us, nothing has been too much trouble. It is an excellent job and your workers are the best, nothing has been too much trouble for them. They have explained everything entailed in our installation and have made sure we are happy all the way through the progression of the work.

I have had work done before in my house, but never been more satisfied as I am now. I would not hesitate to recommend your company to others.

Yours

Mr & Mrs Nuttall.
