Should I be awarded a grant, I agree to fully expend the grant funds as outlined in the submitted proposal by June 1, 2020. I understand that any purchases not outlined in the proposal must be approved by Battelle Education prior to purchasing.

Should I be awarded a grant, I agree that everything purchased with the grant funds is to become property of the organization and must stay with the organization even if the individual who requested the grant departs.

Should I be awarded a grant, I agree to submit an online report on the expenditures on or before June 30, 2020. I understand that this report must include a statement of the finances of the project, a brief description of the implementation of the project, and at least one photograph.

Should I be awarded a grant, I give TVA, BVI, and Battelle Education permission to use all information in the submitted proposal as well as photographs, logos, published/printed information, and any other information related to this grant and how the funds were spent in press releases, on their website, and/or in publications both in print and online.

I understand that grants can only be made to an organization (school, district office, etc.) and will not be made to an individual. A W9 for your organization will be required.* Checks will be made out to and mailed to the DISTRICT OFFICE.* Please note this is new for the 2019/2020 grants. Checks will not be directly made out to nor mailed to schools unless special arrangements are necessary.
