

Keeping Your Communities in Top Condition

Streamlining Management of Your Communities

Resolve inconvenient and potentially costly maintenance issues fast and effectively with AppFolio's maintenance management features. Whether you are resolving a request to fix a pothole in the road or are reviewing a homeowner's architectural review to repaint their door, you can ensure your association is always in its best condition.

Key Features:

- Access all maintenance requests, architectural reviews, vendor information, and accounting **directly from your mobile device.**
- With **two-way communication** for Architectural Reviews, you can communicate with the homeowner to ensure they provide you with all the necessary information in order to make a decision.
- **Mobile violations** are easy and convenient to make sure your communities are in good shape.
- Homeowners can **submit architectural and maintenance requests directly from their online portal.**
