

A photograph of two white, glossy mannequins in a window display. The mannequin on the left is in profile, facing right, with its right arm extended forward. The mannequin on the right is facing forward, slightly to the left. The background is a bright, overexposed window with horizontal blinds. The lighting creates strong highlights and shadows on the smooth surfaces of the mannequins.

Manichini iper-stilizzati uomo e donna che brillano per il fascino enigmatico di forme e posizioni, che ricordano le silhouettes aliene della cinematografia degli anni '70. Una collezione elegante e ricercata che indossa ogni abito con grazia eterea e misteriosa.

Four highly stylized female and male mannequins shining with the enigmatic appeal of their forms and positions that are reminiscent of the alien silhouettes from the 70s movies. This elegant and sophisticated collection adds mystery and ethereal grace to any clothing style.
