

CELEBRATING 100 YEARS of Promising Futures

PEOPLE | PLACES | THINGS

What started out as a donated farmhouse on Route 86 has evolved into more than 360 acres, multiple buildings in three counties, countless dreams and endless possibilities.

Our Meadville campus is home to four residential buildings, an administration building, a maintenance building, a chapel and a more than 17,000 square foot educational center. We own two group homes: one in Meadville and one in Saegertown. In Erie, we have two facilities: The Bethesda Trinity Center and the Bethesda Leadership Center. Both of these buildings are on West 18th Street in the heart of Little Italy. We also own a transitional living house in Erie. Last but not least, thanks to a donation from a loyal supporter; Bethesda owns a 16,000 square foot, state-of-the-art building in Elderton, PA.

We are proud of all our physical locations but they would be useless if we didn't use them to help children, youth and families create promising futures. Stay tuned for our next installment where we will tell you all about our unsurpassed programming.
