Dear Clients:

Due to my recent health condition, I am no longer able to continue to work. Main Street Tax Services is merging with the Davis Group, CPA who will be taking over beginning November 1, 2019. The office will continue to be located at 410 N. Broadway, Pitman and Barbara will be staying on to make the transition easier for everyone.

I spent a great deal of time searching for the right person to continue servicing your accounting and tax needs. I feel that Mr. Davis and his staff will be a great fit as well as being able to provide you with exceptional service.

I have enclosed a letter of introduction from Mr. Davis as well as an authorization for you to sign allowing the transfer of your file to the Davis Group, CPA. I would ask that you sign the enclosed authorization and return to me in the envelope provided. If the authorization is not returned within 90 days we will presume your authorization for transfer.

I truly appreciate the loyalty you have shown me over the years. It has been my pleasure to serve you.

Sincerely

Andrew Roesler

Dear Clients of Main Street Tax Services:

After what I am sure was an exhaustive search, Andy has decided to merge the firm of Main Street Tax Services with Davis CPA Group, PC. I am familiar with the long history of this firm; the quality services provided and the attentiveness to your needs as our clients. Our goal, as we do now, will be to provide you with those same services you require and deserve.

As you may or may not be aware, Andy will be retiring from the day to day practice of accounting and taxes. He has, however, agreed to be available to my firm, and to you, to aid in the merger of our two practices. Andy will be available for phone consultations with you, and us, should the need arise.

The face and voice with whom you are all so familiar, Barb, will continue on with us and will be the same steady force you have come to know in the Pitman office. YES, the office will remain office and fully staffed year round; same phone number, same hours of operation.

Davis CPA Group, PC is a Certified Public Accounting firm located in Laurel Springs, approximately 9 miles from the Main Street office in Pitman. Our seasoned staff; Ron Davis, Debbie Hillman, Mickey Klimek and our office manager, Judy Goldberg, are looking forward to meeting all of you and to serving your needs.

Mickey Morrell Klimek will be staffing the office for us daily. Mickey is a local girl who grew up and has lived in the Pitman area her entire life.

This staff has years of experience in all phases of accounting and taxes. Please visit our website to learn more about us at www.daviscpagroup.com.

Lastly, and most importantly, we are looking forward to carrying on the tradition of quality service and attentiveness to your needs. We are excited to meet and get to know you in the coming months.

Very truly yours,
DAVIS CPA GROUP, PC
