

Previous fieldwork

[Finds work is listed under reports in the bibliography]

Date	Project	Eras or archaeology involved
2016	Watching brief St Lawrence's Church, West Wycombe, Bucks (about to start)	Iron Age-post Medieval
2015	Mount Pleasant, St Leonards Bucks: Archaeological evaluation of site including Grim's Ditch	Grim's Ditch (Iron Age), cottage foundations (19thC)
2015	Grand Union Business Park: Desk-based survey and field geotechnical survey	Glacial site, Paleolithic-Bronze Age
2015	Geophysical survey of the Maids Moreton mound (Bucks)	Medieval
2015	Excavation of Grim's Ditch, Lambridge Woods, Oxfordshire	Iron Age - Medieval
2014	Geophysics survey Coleman's Wood, Holmer Green, Bucks	Iron Age and Roman
2013	Landscape, geology, soil and archaeology survey of Moorend Common, Bucks	13th to 19th C
2013	St Dunstan's, Monks Risborough, Bucks: Archaeological excavation.	Palaeolithic to post-Medieval inclusive of all eras
2012	Broadfields Sports Ground, Harrow: Archaeological Assessment	Medieval
2012	Geophysical survey of Mill End Roman Villa, Bucks	Romano-British
2012	Geology and soil survey with archaeological feature evaluation, Naphill Common, Bucks	Romano-British to 19th C
2012	Rose Cottage, Stokenchurch, Bucks: Watching brief	18th-19th C, potential other
2011	Magnetic susceptibility survey of Little Orchard Field and surrounding area, Hedgerley, Bucks	Romano-British to post-Medieval
2011	Geophysics (resistivity) survey, Little Orchard Field, Hedgerley, Bucks	Romano-British to post-Medieval
2011	2009-2011 Locating, sorting, identifying, and preparing the databases for the whole of the finds collection from the Yewden Villa excavation of 1912.	Palaeolithic to post-Medieval, mostly Roman & IA
2010	DBA: Investigation into historical chalk mining in Badgerdell Wood, Herts	18th-19th C
2010	Woodland archaeology survey North Cot & Chalk Pit Woods, Bucks	18th-19th C
2009	Woodland archaeological survey, Ridge Wood, Hambleden, Bucks	Mainly 18th - 19 C
2009	Salvage recording of the Old Long House, Charndon, Bucks	18th-20th C
2008	DBA and geophysical survey (resistivity & magnetometry) Hambleden Valley, Bucks	Neolithic-Medieval
2007	Watching brief at Chamonix, Lacey Green, Bucks	Iron Age Grims Ditch
2007	Archaeological survey of Downley Common, Bucks (DBA, resistivity survey & excavation)	Romano-British to 18th C
2007	Survey of the Kale (castle), Fethiye, Turkey	Byzantine, Crusader, Ottoman
2007	Gamma-ray survey of Munday's Hill geological sequence: role in environmental interpretation	

2006	Resistivity survey of Early Bronze Age burial mounds, Cockmarsh, Berkshire	Bronze Age & Saxon, ?Neolithic
2006	Geological investigation of Gate Piers, St Peter & St Paul's Church, Olney and stone sourcing in local quarries and further afield	17th-18th C
2006	Geophysics (resistivity) survey Missenden Abbey, Bucks	12th C to post-Medieval ?Tudor gardens
2005	Geological report on the floodplain excavations at Cookham Paddock, Cookham, Berks	Palaeolithic to Bronze Age
2005	Geophysical survey Bisham Abbey, Berkshire	12th to 18th C
2005	Excavation of a Mesolithic site at Cadmore End, Bucks	Mesolithic
2005	Watching brief St Dunstan's Church (new church hall), Monks Risborough, Bucks	Multi phase
2005	St Dunstan's Church, Monks Risborough, Bucks: DBA	Multi phase
2005	Archaeological excavation of land between Kiln Barn and Kiln Lodge, Lacey Green, Bucks	Grim's Ditch (Iron Age)
2004	Geotechnical recording of the Thames palaeochannel at Harleyford, Bucks	Holocene channel surrounding Bronze Age cemetery
2003	Brawdie Pembrokeshire: geological report. Identification of lithics and their sources	Dark Age site
2003	Geological site report for a trench section through the palaeochannel at Cookham, Berks	Holocene channel to Saxon
