## Holiday Greetings!

The employees, board of directors and volunteers of Mid-Tex Federal Credit Union wish all our members a very Merry Christmas and a Happy New Year! May the upcoming year be a year of peace & prosperity for you and your family.

## Volunteer Income Tax Assistance

Volunteer Income Tax Assistance (VITA) is a free, IRS-sponsored program to help low and middle-income workers and retirees have their income taxes prepared and filed electronically by an IRS certified volunteer. VITA also ensures that workers receive all the tax credits to which they are entitled. VITA's goal is not only to offer free tax assistance but to teach financial literacy so people will have the resources to manage their money.

MTFCU is proud to be partnering with VITA to assist our community with the filing of their income tax return, as well as promoting financial literacy. Be on the look-out for the various ways we will be participating with VITA.

Annual Percentage Yield, or APY, is an account disclosure calculated on the assumption that an account balance is left on deposit the entire year, with no further deposits or withdrawals. The APY can be used as a measuring tool between financial institutions. Fees or other conditions could reduce earnings on these accounts. For further account disclosures, or rate and fee disclosures, call Mid-Tex Federal Credit Union at (325) 646-4571.

## Other Dividend Information

Dividend rates and Annual Percentage Yields may change each dividend period based on a determination by the credit union's board of directors. The dividend period for Regular Shares and IRA Shares is the calendar quarter, and the dividend period for Special Shares and Christmas Shares is the calendar month. If you close your account before dividends are paid, you will not receive the accrued dividends.

## Save and Invest

Saving is a key principle. People who make a habit of saving regularly, even saving small amounts, are well on their way to success. It's important to open a bank or credit union account so it will be simple and easy for you to save regularly. Then, use your savings to plan for life events and to be ready for unplanned or emergency needs.

## Actions You Can Take

- Start saving, form a savings habit, and pay yourself first!
- Open and keep an account at a bank or credit union that meets your needs.
- Track your savings and investments, and monitor what you own
- Plan for short-term and long-term goals
- Build up emergency savings for unexpected events
- Consult with a qualified professional on investments and other key financial matters
- Save for retirement, children's education and other major items

## Hints & Tips

• An easy way to save is to pay yourself first. That means each pay period before you are tempted to spend money, commit to putting some in a savings account. Contact your credit union and arrange it with them to automatically transfer a certain amount from your paycheck or your checking account to savings every month.

• People who keep track of their savings often end up saving more, because they have it on their minds. New phone apps are available to help people pass up purchases they don't really need – you might want to try one!

• If you are making investments, it's good to consult with a qualified professional about your plans. Before you purchase investments, be sure to build an emergency savings fund to cover your needs for at least three months. Keep the savings in an insured bank or credit union account that you can access if you need it.

Many professionals call themselves “financial planners.” Before you hire one, ask for a description of the services offered. A good place to check the credentials of an investment advisor is your State's consumer protection office, the State's Attorney General's office, or the issuing agency for any professional licenses or certifications.

## SHREDDING TO DO?

Do you have documents that need to be destroyed? We offer our members the opportunity to have their confidential documents securely destroyed through Condor Document Services, an on-site mobile shredding service. We have a locked container to collect your documents. It is located directly across from the public restroom in our lobby. Come in today and be proactive about keeping your information secure! Also keep in mind MTCU will again offer a community shred day in the Spring of 2021.

# Debit Card News

Remember to keep your phone numbers current with us here at the credit union. Our debit card fraud department keeps a close watch on your account activity. If there is suspicious activity, they will temporarily block your card and contact you to verify the authenticity of the purchase. By using your cell phone contact, they can hopefully resolve this matter quickly. Sign up for CardValet on your debit card. CardValet can assist you in protecting your MTFCU debit card by helping you set restrictions, limits and security preferences on your debit card use-age, as well as having the ability to turn your card off and on with a few taps on your smartphone!

Debit card lost or stolen? Call 1-800-472-3272 to report it. Also use this number 24/7 if your card does not work. This number is printed on the back of your card for easy accessibility.

Daily Limits: Remember your debit card daily point of sale limit is \$750 and the daily cash withdrawal limit is \$300. If you plan to make a large purchase with your debit card, we can temporarily increase the point of sale limit to cover the amount. Call our member service department for assistance with this.

Traveling outside of the United States? Call us, so we can notify the debit card network of your travel plans. This will ensure that your debit card will function as it should.
