

23rd March 2020

Dear Parents,

The school is currently closed until further notice due to the Coronavirus

We will remain open for Key Workers and 'vulnerable pupils' only. If you fall under any of the categories and have yet to contact us then please do so. This means that we can offer to look after your child/ren in school.

During the closure, we will be keeping in regular contact with you via our school website, emails and text messages. If you have any questions or need to communicate with us, then please make contact via the school email or phone number where we have members of staff available to answer your questions and offer home learning support.

We would like to urge all of our school community to adhere to the Government's guidelines during this time. We wish to remind everyone the importance of washing their hands regularly, to keep a safe distance from others where necessary and keep themselves safe.

We wish all our parents and carers strength and love over the coming days and weeks. We thank you for all your support during this very uncertain period and want to assure you that we are all in this together and we are here to help.

Keep safe and we hope to see everyone back in school in the very near future.

' May your unfailing love be with us, Lord, even as we put our hope in you'

Kind Regards

Mr D Huntingford
