Regional Care Teams Overview:
Each Department of Corrections (DOC) Regional Correctional Administrator will convene a monthly meeting of agency representatives, providers, and community stakeholders. Participants will share information, resources and strategies to assist in supporting a specific youth and will also help to identify and inform systemic changes that will improve youth, program, and population outcomes.

Network Membership Benefits:
Regional Email Networks will be used to engage stakeholders in each region who are ready to work together to support individual youth and their families AND to help inform system change. Each regional network will inform a comprehensive state database. The purpose of the network is to:

- Communicate about Regional Care Team meetings, including as meeting reminders, notes, and cancellations.
- Provide updates from Regional Care Team meetings, including outcomes from specific support for youth, resources available, and more.
- Allow members to share information regarding resources, events, announcements, and/or needs in that region.

Email Network Etiquette
By joining you have agreed to share and receive information from each other. Please adhere to the following guidelines in this work together:

- Please “reply all,” to all emails in order to share information with others on the list.
- If helping to problem solve a specific need please:
  - Identify the help you are hoping to get from the group
  - Provide general information about the situation (minimal amount necessary to respect confidentiality)
  - Identify your relationship to the situation
  - Focus on strengths and assistance
- You may ask to be removed from our email lists at any time.

How to Sign Up
If you attended the community reintegration calls facilitated by the Place Matters team from the University of Southern Maine and the Maine Center for Juvenile Policy and Law, then you should have been automatically signed up for the region that you work in. If you were not automatically signed up or would like to sign up for another region’s emails, please visit the links below for the regions that you wish to sign up for:

**Region One** (Cumberland, York):

**Region Two** (Androscoggin, Franklin, Kennebec, Knox, Lincoln, Oxford, Sagadahoc):

**Region Three** (Aroostook, Hancock, Penobscot, Piscataquis, Somerset, Waldo, Washington):
