Dine in style with Avebury

Classic and timeless design means the Avebury collection will be easy to live with for years to come. All the Cabinet pieces provide excellent storage and can have flat-fronted, "raised and fielded" or beaded doors and drawers to suit your taste. If you prefer a lighter look then painted finishes are available as standard or why not contrast the paint and wax together to soften the look.

We offer a wide choice of tables for the kitchen or dining room with a selection of chairs and benches to match. Good design and practical considerations mean all tables have detachable legs for ease of delivery.
