**Welcome** to our innovative & inaugural DSK Charolais Shed Sale being held at the prestigious & ultimate Sydney Royal Easter Show. For well over a century, the Royal Easter Show has set a standard of one of the best displays of livestock in Australia, if not the world.

The small but elite offering of DSK Charolais has only eventuated due to the successful embryo transfer programme undertaken in 2012 & 2013. This has resulted in a rise in quality of both our sale bulls & replacement heifers. Hence the sale idea to give Charolais seed-stock producers an opportunity to obtain our absolute top shelf females & sires.

While we have retained ET siblings to these on offer, we can assure you that these are the best of the bunch. The real pick of the litter & the whole team goes under the hammer.

***We have in recent times been lucky enough to enjoy good success at Sydney in the Charolais stud & steer & carcass sections with Junior & Grand Champion Bull in 2012, in 2013 we won, Senior & Grand Champion Female, Calf Champion bull, Senior Champion bull, Reserve Junior Champion heifer, Middleweight Champion Steer, Middleweight Reserve Champion Carcass, Heavyweight & Grand Champion Carcass, Most Successful Charolais exhibitor, & the Sydney Royal Beef Cattle Premier Breeder & Most Successful exhibitor overall breeds.***

***In 2014 we were awarded the Senior & Grand Champion Charolais female & the Middleweight Champion Steer.***

We hope you enjoy your stay in Sydney & have a safe trip home. Chris & Helen

Outstanding depth with loads of softness.

A natural AI full brother was a top seller at our 2011 DSK Annual bull sale.

ET son of our top A57 donor (see lots 3, 5, & 8 )

Full ET brother to lots 3 & 8.

A57 breeds well to any bull which just proves the power of maternal genetics & value behind this cow.

J116E is the type of sire to take the Charolais breed forward. Polled, good bone, strong muscle in a smooth pattern with good skin & hair type all indicators of fattening ability & carcase quality.

Red factor, polled bull. Full ET brother to Lot 7. Shows strong maternal traits as you can see in full ET sister, Lot 3.

Strong muscle pattern & more butt shape than Lot 7 but with the same good skin & hair.

Top sire potential & the type that would add dollars to any commercial operation.

This is the big advantage of ET work. 2 top bulls & a heifer in this sale with a heifer retained & another bull to be a star lot in our Annual sale in August.

Excellent temperament in all these flush siblings.

Z210 has proven to be an outstanding breeder with quality progeny. Dam of the Reserve Intermediate Champion heifer at the 2013 Sydney Feature Show.

Daughter, E46E was the dam of our top priced Charolais bull at the 2014 DSK bull sale.

Z210 breeds high performance, easy doing progeny.

Top blend of genetics in the Z210 pedigree with ease of doing from Murdoch & the high maternal breeding power from the outstanding Palgrove matron Refine 13 who had a strong impact in the Moongool herd.

Check out her natural steer calf entered in this year's show at just 8 months of age & nearly 500kg with loads of muscle & plenty of cover.

Package includes 4 Frozen A Grade embryos with a 50% pregnancy guarantee using a recognised embryo implant technician only. Embryos collected by Ced Wise & stored at DSK. Purchaser to arrange delivery.
