Dear Mr E McAulay (Director),

Please accept my sincere thank you for the superb/first class workmanship (10 out of 10) and professionalism shown by all your team members with regards to my new bathroom at Ivy Cottage.

From day one your team phoned ahead to verify the start time and date, which they promptly adhered to. Throughout the five day build your team were 100% professional and kept me informed of the day to day progress. Your workmen were exceptional in every way.

It is very refreshing to know and to have experienced (in today's climate) that your Company has fulfilled all their promises, with exceptional completion results (as per your quote).

I thoroughly recommend Abertay Interiors Ltd to all prospective customers – 100%

Please use this testimonial as proof of my customer satisfaction.

Thank you.

Yours sincerely,

Mr Leonard Trim
