

26th July 2010.

To whom it may concern.

My husband and I would like to say a big 'Thank You' to the team from 'Abercay Interiors' for the excellent job they have done to reform our bathroom.

From the survey at the beginning right to the fantastic end result. We are both delighted with the first class service from the first class tradesmen and showroom staff, and would highly recommend them to anyone wishing top class service.

Thanks again
Yours sincerely
Mr. & Mrs. A. Lorrie
