FOR IMMEDIATE RELEASE

Local Organizations Provide Lunch for 925 First Responders in Stearns, Benton, and Sherburne County

St. Cloud, MN, Tuesday, May 05, 2020 -- The Greater St. Cloud Public Safety Foundation is saying thank you to local first responders during this difficult time by providing meals. The foundation is coordinating a **Day Of Thanks** on May 6th, 2020, providing 925 boxed lunches to first responders in Stearns, Benton, and Sherburne County as a way of thanking them for their service.

Lunches were funded by the Metro Lions of St. Cloud, Rotary Club of St. Cloud, Spire Credit Union, US Bank, Xcel Energy, Viking Coca-Cola, and Andy Hovanes.

Others can participate in acts of thanks and use the hashtag #DayOfThanks to help this effort to appreciate first responders in our community.

The Greater St. Cloud Public Safety Foundation is an initiative led by the private sector, with collaboration from public servants, to create the support structure necessary to build trust in our community. For more information, please visit [gscsafety.org](https://www.gscsafety.org).
