Welcome To Durbar Bistro • Pure, Authentic Nepalese & Indian Bistro!

Durbar is an authentic Nepalese and Indian bistro that integrates quality ingredients to their menu.

They specialize in homemade, family-style foods including appetizers, soup and salad, momo (Nepalese dumplings), tandoori breads, whole wheat breads, rice, tandoori sizzlers, entrees, and vegetarian entrees.

From the perfectly crisp, well-seasoned, un-traditional rosemary pesto naan to the classic chicken tikka masala, that is a flawless Indian delight, Durbar pays attention to every detail.

Even their water is far from ordinary—flavored with fresh mint leaves and citrus. The Dur-BAR consists of draft and bottled beer, wine and a fine list of cocktails. The chai martini, an elegant combination of Finlandia vodka and chai is

the 'must-try' of their collection.

If you need a romantic getaway, or maybe just a unique business dinner, Durbar is for you. The large dining space provides an intimate setting with cozy decorations reflecting Nepalese and Indian culture.

Durbar originally opened at Cooper Creek Square, Winter Park in July of 2017 and expanded to Lakewood in April of 2018. (Visit them when you're in Ski Country at 47 Cooper Creek Way Unit 222, Winter Park, CO 80482 970-363-7081.)

Durbar incorporates quality ingredients to our recipes, offering family style foods which are prepared with sensitivity and care. They offer fresh food every day, produced locally from neighboring farms.

Their world-renowned chefs, offer

20 years of mouth-watering experience.

The Durbar team specializes in home made authentic selections from Nepal, India. They believe in authentic and quality food. They purchase the perfect mix and blends of all best spices, to spice up your life!

"I thought a Reverse Mortgage was too good to be true. I can now enjoy the rest of my life with no stress, and I get to stay in my home. When I saw my mortgage statement and it said, "paid in full", it was a great feeling!"

That is what Dolores said as we were closing on her Reverse Mortgage Loan.

I cannot even begin to describe the joy and happiness I felt for her. To see the peace and relief on her face was breathtaking. I was so grateful and thankful to be a part of it. I truly love what I do. NO senior should have to be stressing about money, and think that there are no options for them...

THERE ARE OPTIONS...

IT IS A REVERSE MORTGAGE!!

I have been a Mortgage Loan Officer for 15 years. Two years ago, I told my manager that I wanted to get certified to do Reverse Mortgages. My husband is turning 61 this month, and I am 58, and I wanted to know if we should do a Reverse Mortgage. I needed to find out for myself if this was an option for us. I can tell you in doing Reverse Mortgages for 2 years, there is nothing I love doing more than this! I can completely relate to all of it, because my husband and I are almost there! We have worked so long, and so hard, that I want the rest of our lives to be whatever we want them to be. To go wherever we want to go, to not worry about money, to not stress, to have peace. We ALL deserve this! I will say it again...I LOVE what I do, and I would LOVE to help you change your life, for the rest of your life...YOU deserve it!
