

## Returns to the Clubs

Each summer, an estimated 43 million children in the United States miss out on expanded learning opportunities that could prevent them from falling behind in their academics

before the next school year begins. More than half of the achievement gap between lower- and higher-income youth can be explained by unequal access to summer learning opportunities.

Because summer learning losses can stack up from year to year, ultimately endangering

a youth's chances of high school graduation, the Boys & Girls Clubs of Toledo (BGCT) will be conducting an exciting program called *Summer Brain Gain: Read!*

*Summer Brain Gain: Read!* is a summer long, project-based program designed to improve the reading skills of youth. A new book is presented each week per age group, along with supporting activities that bring the books to

life. As part of this program, Club members will "Drop Everything and Read" for 15 minutes each day. A mini library of high-interest books is provided by the Toledo-Lucas County Public Library, a community partner of the Clubs.

"Long gone are the days when children can play all summer and put learning aside," said David Wehrmeister, Executive Director of BGCT. "There is an achievement gap with the youngsters we serve as it relates to academic performance. *Brain Gain* allows us to work at closing that gap by providing exciting activities related to a different book each week. We are excited to bring this worth-while program back to the Clubs."

The *Summer Brain Gain: Read!* program is part of the STEM (science, technology, engineering and mathematics) curriculum. Books related to these fields of study will be provided to Club members as part of this summer reading program. This collaboration with NASA is intended to foster a new generation interested in STEM careers with NASA utilizing its unique expertise to inspire students to pursue STEM studies.

*Summer Brain Gain: Read!* will begin on June 8, the Clubs' first day of summer programming.

## Shenikqua Martin, 2015 Organizational Youth of the Year

Shenikqua Martin, this year's Organizational Youth of the Year, is a senior at Roy C. Start High School and plans to attend Bowling Green State University in the fall to study communications. A member of the Boys & Girls Clubs of Toledo for seven years, Shenikqua serves as the Keystone Club Vice President at the Homer Hanham Club. She also volunteers with the Cadets, Power Hour program, and is a coat check and locker room attendant.

**"No matter what I do, I will be successful," said Shenikqua.**  
**"As long as I set my mind to it, I can achieve it."**

**Shenikqua Martin, 2015  
Organizational Youth of the Year**

Shenikqua is also the treasurer of her school's DECA program and also assists with school blood drives and plays an integral part in the operation of the school store as the manager. When she is not volunteering her time at the Clubs, Shenikqua can be found volunteering in her church nursery. A talented athlete, she is also on the track team at her high school.

Congratulations, Shenikqua!

# A Permanent Path to Success

David Wehrmeister,  
Executive Director

**DJ Walker, 2011 Ohio Youth of the Year and BGCT Carson Scholar recipient**

As another school year comes to an end, the Clubs are beginning to fill with excitement. Not just because school is out, but because Club members are excited to show off their great report cards. It's always a humbling and rewarding moment to witness. Oftentimes I overhear or see in passing a Club member discussing how happy they are with their grades, many hugging and thanking the staff for all of their encouragement and support throughout the course of the school year. Moments like this are one of the most rewarding aspects of being a part of the Club's staff.

It's also an exciting time when we hear from a former Club member who is eager to share with us all of his or her accomplishments. Selected among 26,533 Boys & Girls Club youth in the state of Ohio, Donald "DJ" Walker—a former Homer Hanham Club member—was the 2011 Ohio Youth of the Year for the Boys & Girls Clubs of America. In addition to that recognition, DJ was also selected as the 2011 Boys & Girls Clubs of Toledo Carson Scholar recipient.

DJ was the first in his family to graduate from high school. DJ recently graduated from The Ohio State University with a Bachelor's degree in Psychology. He plans to attend Cleveland State University where he will be enrolled in the Master of Clinical Psychology Program.

"My grandmother, who was my primary guardian, encouraged me to get involved in the Clubs so that I would have something positive to do outside of school," DJ said. "It has meant a lot to me to be a part of the Clubs. As Ohio Youth of the Year and Carson Scholar winner,

I've been able to pursue my dreams. The Clubs helped put me on a path to permanent success and gave me the confidence I needed to stay on that path and to reach my full potential as a productive, caring and responsible citizen."

When asked what message he would like to give to current Club members, he said that he hopes they will take every opportunity the Clubs provide them with. To never give up and to stay focused on a positive future.

I'm also excited to announce that this year's Carson Scholar winner is RaShawn Hernandez. RaShawn is a graduate of E.L. Bowsher High School and plans to attend the University of Toledo to study history in the College of Language, Literature, and Social Sciences. RaShawn has been a member of the Clubs since 2008 and has been a part of Keystone Club and has volunteered over 700 hours to the Boys & Girls Clubs of Toledo.

Congratulations, DJ and RaShawn. We are excited to see what your futures hold!

## Boys & Girls Clubs of Toledo's 2015 Awards Night

The Boys & Girls Club's 2015 Awards Night was held on April 30 at the East Toledo Boys & Girls Club at East Broadway Elementary School. More than 100 Club members, their family and staff gathered as members were recognized for an array of achievements. Among the awards received were outstanding members in each program area, including Arts & Crafts, Athletics, Cadet Room, Educational Activities Center, Get Fit, Games Room, Power Hour, Smart Moves, Technology, Torch Club, and Torch Teen Club. Recipients also were awarded with Young Leader Awards, Staff Awards and John E. Gunckel Awards.

Staff members were not only among the crowd, but were award recipients as well. Outstanding staff members recognized were Pasha Carter, Carson Family Boys & Girls

Club; Paul Hagemeyer, North Toledo Boys & Girls Club; Gregory Berning, Homer Hanham Boys & Girls Club; and Haleigh O'Brien, East Toledo Boys & Girls Club.

The "Golden Girl" award was received by J'Vann Winfield, Unit Director at the Carson Family Boys & Girls Club. J'Vann is the consummate professional and her passion for the Clubs, members and staff shines through each and every day.

Addressing parents and members was Mona Dixon, the 2010 Boys & Girls Clubs of America's 64th National Youth of the Year. A highlight of the evening was the Club members having the opportunity to hear her inspirational message. She encouraged Club members to continue to work hard and to never give up. She encouraged them to

**Dan Frick, Board President; Shenikqua Martin, 2015 Organizational Youth of the Year; Mona Dixon; and Shawna Woody, Director of Program Operations**

remember that great futures really do start at the Boys & Girls Clubs, and that this is just the beginning of something great for each of them.

# Many Thanks...

To the hundreds of supporters who generously funded our programs and services that impacted over 6,000 boys and girls last year. By supporting the Clubs, 500 kids a day have a safe place to finish their homework, to use computers and to run, jump, swim and play!

| Service Fees               | 15,302    |

**TOTAL \$1,833,127**

## Board of Trustees Congratulates Rick Mann, New Board President

The Boys & Girls Clubs of Toledo would like to congratulate Rick Mann, who was recently elected as the 36th President of the Board of Trustees. Rick has served as a board member for the last 20 years. Rick and his wife of 29 years, Barb, have two children, Billy and Nikki, and two grandchildren.

Rick has been a member of the Club's Finance Committee and has been chairman of the Facilities Committee as well. As a painting and wallcovering contractor, Rick is continuing a family legacy in the painting industry. Rick has dedicated countless hours over the years to the Clubs, helping to transform and refresh its appearance.

Rick currently serves as site chairman for Barefoot at the Beach and has played an instrumental role in raising operating funds year after year by setting the stage for one-of-a-kind guest experiences.

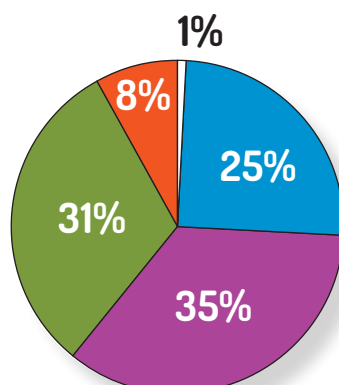

As president of the Board of Trustees, Rick is looking forward to working with various task forces identified in the Club's strategic plan.

## Our Thanks to Hollywood Casino

A huge BGCT thank you goes out to Hollywood Casino of Toledo for its continued support of, and generous giving to, the Clubs. The BGCT and Hollywood Casino partnership began in 2012 with a gift of \$50,000, which was raised during its Opening Gala. Since then, Hollywood Casino has given \$10,000 in additional support of BGCT 2015 special events, most recently at the Toledo Ladies for the Clubs (TLC) annual fundraising luncheon on May 1.

Hollywood Casino of Toledo was this year's TLC Speaker Sponsor. Because of its ongoing support for this event, attendees heard a powerful and inspiring message from this year's guest speaker, Mona Dixon, the 2010 Boys & Girls Clubs of America's 64th National Youth of the Year.

Thank you, Hollywood Casino!

### OUR MISSION:

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.
